SUBJECT: Status Report on Michael J. Fitzmaurice State Veterans Home

Total federal grant award has been expended, $23.6 million. We are in the process of the final reimbursement and close out.

Placement of H-piles and concrete slab went smoothly. The steel structure has been erected and exterior wall panels are installed. The ceiling liner is in the process of being installed. A mid-September completion is estimated.

Great effort has been spent keeping the project within budget. However, due to unforeseen circumstances, the project will be approximately one percent (1%) over budget.
