Tim. This is Tony Venhuizen. Governor Noem is in SF and is going to do a press conference yet today to give the facts as to the accident involving the AG and how the state investigation will proceed. She believes she needs to be transparent from the first.

I'll let you know when I have a specific time for that.

If the AG was going to put out any kind of statement - even something as simple as saying that he will be cooperating fully with the investigation - I thought you'd want to consider timing it with our press conference.

[redacted]

9/13/2020 4:05:42 PM

Yes. A simple statement saying you are fully cooperating

[redacted]

9/13/2020 4:07:29 PM

Also an email to all staff sent after the press conference

[redacted]

9/13/2020 4:15:08 PM

So the statement would be something like:

"I am shocked and filled with sorrow following the events of last night. I am fully cooperating with the investigation moving forward and..."

I don't know if that's a good direction or not...and would this go on a form like a press release or just as an email from the AG?

Do I say anything about it being a vehicular accident at all?

[redacted] 9/13/2020 4:48:44 PM

I don't think you have to...she will be covering that in the presser

[redacted] 9/13/2020 4:49:22 PM
