JPSIA Oversight Council Legislation

HB 1206

- Specifies that youth who are at high risk for re-offense and have had a previous unsuccessful discharge from probation for a felony offense or is on supervised probation for a felony offense; and
- Has been adjudicated for intentional damage to property that exceeds \$5,000; or
- Has been adjudicated for a drug distribution offense that is punishable at least as a Class 4 felony.

JJPSIA Oversight Council Legislation

HB 1207

- SB 73 created an Oversight Council to follow the implementation and status of the legislation for 5 years.
- HB 1207 extends the life of the Oversight Council by three years.
- There is no budget for the Council. The only cost is the travel time and expense of the members, which is paid by the member's appointing agency.
