Any person failing to file such report is guilty of a Class 2 misdemeanor.

Section 30. That § 50-4-14 be amended to read as follows:

50-4-14. The state aeronautics fund and the accumulations thereto as appropriated by the Legislature may be used for the following purposes:

1. The construction, development, lighting, marking, and maintenance of publicly owned airports, landing fields, and landing strips;
2. The lighting, marking, and maintenance of runways, landing strips, taxiways and parking areas of privately owned and operated airports, landing fields and landing strips licensed by the South Dakota Aeronautics Commission, in proportion to the amount of aircraft fuel tax paid on the aircraft fuel purchased for resale for use in aircraft at each privately owned and operated airport, landing field or landing strip, as nearly as practicable, as to each of which it shall appear to the satisfaction of the commission that such airport, landing field or landing strip is operated and maintained in accordance with the laws of this state and the rules and regulations of the commission and the standard established therefor by any agency of the United States, and the unrestricted use of such the airport, landing field or landing strip is at all times available to the general public for the taking off and landing of aircraft without cost or charge;
3. The matching of any funds made available by the United States, this state, or any of
the political subdivisions of this state for the purchase of sites for airports, landing
fields, and landing strips, and for the construction, lighting, and marking of such
airports, landing fields, and landing strips, in such amounts as the South Dakota
Aeronautics Commission may determine; and

(4) The paying of salaries, office expenses, traveling, and other expenses of the South Dakota Aeronautics Commission and its staff to carry out the responsibilities defined in chapter 50-2;

(5) The paying of compensation to a regularly scheduled commercial air carrier to provide basic or enhanced air service as provided in the Airport and Airway Safety and Capacity Expansion Act of 1987 or providing compensation to a regularly scheduled air carrier under contract with the South Dakota Airline Authority.

Section 31. That § 50-4-17 be amended to read as follows:

50-4-17. The secretary of transportation shall approve vouchers and the state auditor shall issue warrants upon to expend the funds appropriated by § 50-4-14, upon vouchers approved by the secretary of transportation and said. The funds shall be expended as provided in § 50-4-14.

Section 32. That § 50-5-1 be amended to read as follows:

50-5-1. Any owner or operator of a public airport shall apply to the South Dakota Aeronautics Commission for approval for the public airport prior to its use. Any owner or operator of a private airport located within two miles of the nearest boundary of any approved public airport shall apply to the South Dakota Aeronautics Commission for approval for the private airport prior to its use. The commission shall consider and either approve or reject an application within sixty days of receipt of the completed application.
Section 33. That § 50-5-3 be amended to read as follows:

50-5-3. The Aeronautics Commission may issue a certificate of approval pursuant to § 50-5-1 and may set a reasonable charge therefor by rules promulgated pursuant to chapter 1-26.

Section 34. That § 50-5-4 be amended to read as follows:

50-5-4. It is a Class 2 misdemeanor to use or operate a public airport or a private airport located within two miles of the nearest boundary of an approved public airport without the prior approval of the Aeronautics Commission.

Section 35. That § 50-5-6 be amended to read as follows:

50-5-6. If the Aeronautics Commission rejects an application for permission to operate or establish an airport or if the commission issues any order requiring certain things to be done, the commission shall set forth its reasons therefor and shall state the requirements to be met before such approval will be given or such order modified or changed.

Section 36. That § 50-5-7 be amended to read as follows:

50-5-7. In any case where the Aeronautics Commission may deem it necessary, it may order the closing of any airport, landing field, or order any air school, flying club, or air beacon, or other air navigation facility to cease operations until it shall have complied with the requirements laid down by the commission.

Section 37. That § 50-5-8 be amended to read as follows:

50-5-8. The South Dakota Aeronautics Commission and any officers, state or municipal, charged with the duty of enforcing this title, may inspect and examine at reasonable hours, to carry out the provisions of this title, any premises, and the buildings and other structures thereon, where such airports, landing fields, air schools, flying clubs, air beacons,
or other air navigation facilities are operated.

Section 38. That § 50-5-9 be amended to read as follows:

50-5-9. The South Dakota Aeronautics Commission and any state, county, or municipal officer charged with the duty of enforcing this chapter, commission may inspect and examine, at reasonable hours, any premises, and any building and any other structure thereon, where any airport approved by the commission is operated.

Section 39. That § 50-5-10 be amended to read as follows:

50-5-10. No person, without the express or implied consent of the owner or operator of any airport which has been approved by the South Dakota Aeronautics Commission for public use by aircraft, may enter, trespass on, or occupy any runway, landing strip, or other portion of the airport which will interfere, restrict, impede, or endanger the use of the airport by another person or the operator of an aircraft. A violation of this section is a Class 1 misdemeanor.

Section 40. That § 50-6A-28 be amended to read as follows:

50-6A-28. An authority is authorized to designate the Department of Transportation as its agent to accept, receive, receipt for, and disburse federal and state moneys, and other moneys, public or private, made available by grant or loan or both, to accomplish in whole or in part, any of the purposes of this chapter; and to designate the department as its agent in contracting for and supervising the planning, acquisition, development, construction, improvement, maintenance, equipment, or operation of any airport or other air navigation facility.

An authority may enter into an agreement with the Department of Transportation prescribing the terms and conditions of the agency in accordance with such terms and conditions as are prescribed by the United States, if federal money is involved, and in
accordance with the applicable laws of this state. All federal moneys accepted under this section by the department shall be accepted and transferred or expended by the Department of Transportation department upon such terms and conditions as are prescribed by the United States.

All moneys received by the Department of Transportation department pursuant to this section shall be deposited in the state treasury, and unless otherwise prescribed by the agency from which such moneys were received, shall be kept in separate funds designated according to the purposes for which the moneys were made available, and held by the state in trust for such purposes.

Section 40. That § 50-9-1 be amended to read as follows:

50-9-1. Any public utility, power district, or other governmental subdivision, or any person, association, corporation, limited liability company, or partnership, before engaging in the construction or alteration which extends the height, in the State of South Dakota state, of any overhead line, cable, pipeline, outdoor theater, derricks, towers, or other structures within two miles from the nearest boundary of any airport which has been approved by the South Dakota Aeronautics Commission for public use by aircraft, the height of which is over ten feet above the elevation of an airport, for each five hundred feet of distance from the nearest boundary of the airport, before the alteration or construction of any such item or structure, shall file an application with and obtain the approval of the South Dakota Aeronautics Commission, for permission to enter upon and complete such construction or alteration. However, no application is needed if the construction or alteration is within the corporate limits of a municipality and is adjacent to other structures of a permanent character which are an equal or greater height than the construction or alteration proposed.

Section 41. That § 50-9-1 be amended to read as follows:

50-9-1. Any public utility, power district, or other governmental subdivision, or any person, association, corporation, limited liability company, or partnership, before engaging in the construction or alteration which extends the height, in the State of South Dakota state, of any overhead line, cable, pipeline, outdoor theater, derricks, towers, or other structures within two miles from the nearest boundary of any airport which has been approved by the South Dakota Aeronautics Commission for public use by aircraft, the height of which is over ten feet above the elevation of an airport, for each five hundred feet of distance from the nearest boundary of the airport, before the alteration or construction of any such item or structure, shall file an application with and obtain the approval of the South Dakota Aeronautics Commission, for permission to enter upon and complete such construction or alteration. However, no application is needed if the construction or alteration is within the corporate limits of a municipality and is adjacent to other structures of a permanent character which are an equal or greater height than the construction or alteration proposed.
derricks, towers, or other structures not approved by the South Dakota Aeronautics Commission within two miles from the nearest boundary of any airport which has been approved by the South Dakota Aeronautics Commission for public use by aircraft, is declared to be a danger to the public and to life, limb, property and persons in the vicinity thereof. The South Dakota Aeronautics Commission shall adopt and establish and publish reasonable rules pursuant to chapter 1-26 covering the requirements that must be met by any applicant to obtain the approval for the construction or alteration of any such overhead line, cable, pipeline, outdoor theater, derricks, towers, or other structures which is not exempt from the requirements of § 50-9-1.

Section 43. That § 50-9-3 be amended to read as follows:

50-9-3. The South Dakota Aeronautics Commission may in its discretion, approve the application filed, as required by § 50-9-1 without a hearing, provided that, in the event that, however, if the commission deems the erection of said structures to create a hazard to the safe use of said airports by aircraft, and a public danger, or finds the same to be in violation of any of the rules and regulations referred to in § 50-9-2, the commission shall assign the application for hearing upon reasonable notice to the applicant and may order and require applicant to cease and desist from erecting such overhead lines, cables, pipelines, outdoor theaters, towers, or other structures except pursuant to and in conformity to plans and specifications relating to height thereof, approved by the commission.

Section 44. That § 50-9-4 be amended to read as follows:

50-9-4. Any person aggrieved by any action of the Aeronautics Commission may appeal in the manner provided by law and the rules of practice and procedure adopted by the Supreme Court governing appeals from boards and commissions.
Section 45. That § 50-9-5 be amended to read as follows:

50-9-5. The erection or alteration of any of overhead lines, cables, pipelines, towers, outdoor theaters, derricks, or other structures within two miles of the nearest boundary of an airport not exempt from the requirements of § 50-9-1 without the approval of the South Dakota Aeronautics Commission is a Class 1 misdemeanor.

Section 46. That § 50-9-6 be amended to read as follows:

50-9-6. Sections The provisions of §§ 50-9-1 to 50-9-5, inclusive, shall do not apply to airports for which zoning regulations have been adopted by municipal, county, or other political subdivisions.

Section 47. That § 50-9-7 be amended to read as follows:

50-9-7. No person, firm, corporation, limited liability company, or association may erect anywhere in this state a building, structure, or tower of any kind over two hundred feet in height above the terrain, without first filing with the South Dakota Aeronautics Commission a notice and application showing the location and dimensions of the building, structure, or tower, and procuring a permit approving the location from the South Dakota Aeronautics Commission. A violation of this section, or a rule or order adopted pursuant to § 50-9-9, is a Class 1 misdemeanor.

Section 48. That § 50-9-8 be amended to read as follows:

50-9-8. Notwithstanding § 50-9-7, temporary buildings or structures not located within the airways or within five miles of an airport, may be erected upon filing with the Aeronautics Commission a notice showing the location thereof without making application and procuring a permit pursuant to § 50-9-7. A temporary building, structure, or tower shall mean any building, structure or tower which shall be dismantled or removed not later than six months from the date the erection of said the building or structure is commenced.
Section 49. That § 50-9-9 be amended to read as follows:

50-9-9. The South Dakota Aeronautics Commission may, pursuant to chapter 1-26, adopt and enforce rules establishing minimum standards and criteria, including lighting, painting, and marking of any buildings, structures, towers, and hazards referred to in §§ 50-9-2, 50-9-3 and 50-9-7 in the interest of safe operation of aircraft and public safety. In adopting and enforcing rules, the Aeronautics Commission shall consider aviation safety, economic impact, financial impact on applicants applying for permits to build structures, multiple uses of airspace, federal regulations, and other relevant factors. The power and authority to enforce such rules by injunction proceedings in any court of competent jurisdiction instituted in the name of the South Dakota Aeronautics Commission, is hereby conferred.

Section 50. That § 50-9-10 be amended to read as follows:

50-9-10. When conflicting jurisdiction arises over the control of the erection of a building, structure, tower, or hazard in relation to an airport, airway, or air navigation facility between the State Aeronautics Commission and any political subdivision of the state, the commission may overrule, change, modify, or amend zoning rules and regulations adopted by any political subdivision or by any airport zoning board created by a political subdivision under the laws of this state, after a public hearing wherein all parties thereto have been given an opportunity to be heard.

Section 51. That § 50-10-3 be amended to read as follows:

50-10-3. The Aeronautics Commission is hereby empowered and directed to shall formulate and adopt, and from time to time as may be necessary revise, an airport approach plan for each publicly owned airport in the state. Each such plan shall indicate the circumstances in which structures and trees are or would be airport hazards, the area within which measures
for the protection of the airport's aerial approaches should be taken, and what the height limits
and other objectives of such measures should be; provided that the. However, no zone and
height limits shall in no case be more exacting than is necessary to conform to the current
airport approach and turning space standards of any agency of the federal government which
may be concerned with the fostering of civil aeronautics.

Section 52. That § 50-10-4 be amended to read as follows:

50-10-4. In adopting or revising any airport approach plan, the Aeronautics Commission
commission shall consider, among other things, the character of the flying operations expected
to be conducted at the airport, the nature of the terrain, the height of existing structures and trees
above the level of the airport, and the possibility of lowering or removing existing obstructions;
and the. The commission may obtain and consider the views of the agency of the federal
government charged with the fostering of civil aeronautics, as to the aerial approaches necessary
to safe flying operations at the airport.

Section 53. That § 50-10-5 be amended to read as follows:

50-10-5. Every municipality, county, or other political subdivision having within
or without its territorial limits an area within which, according to an airport approach plan
adopted by the Aeronautics Commission, measures should be taken for the
protection of airport approaches, shall adopt, administer, and enforce, under the police power
and in the manner and upon the conditions hereinafter prescribed by this chapter, airport zoning
regulations applicable to such the area.

Section 54. That § 50-10-6 be amended to read as follows:

50-10-6. The regulations required by § 50-10-5 shall divide the area into zones, and, within
such the zones, specify the land uses permitted, regulate and restrict the height to which
structures and trees may be erected or allowed to grow, prohibit the obstruction, by lights,
smoke, electronic devices, or any other means, of the safe operation of aircraft near airports, and
impose such other restrictions and requirements as may be necessary to effectuate the
Aeronautics Commission's approach plan for the airport.

Section 55. That § 50-10-7 be amended to read as follows:

50-10-7. In the event that a political subdivision has adopted, or hereafter adopts, a general zoning ordinance regulating, among other things, the height of buildings, any airport zoning regulations adopted for the same area or portion thereof under this chapter, may be incorporated in and made a part of such general zoning regulations, and be administered and enforced in connection therewith, but such may not limit the effectiveness or scope of the regulations adopted under this chapter.

Section 56. That § 50-10-8 be amended to read as follows:

50-10-8. Any zoning or other regulations applicable to any area within which, according to an airport approach plan adopted by the commission, measures should be taken for the protection of airport approaches, including not only any airport zoning regulations adopted under this chapter but any zoning or other regulations dealing with the same or similar matters, that have been or may be adopted under authority other than that conferred by this chapter, shall be consistent with, and conform to, the commission's approach plan for such area, and. The regulations shall be amended from time to time as may be necessary to conform to any revision of the plan that may be made by the commission.

Section 57. That § 50-10-9 be amended to read as follows:

50-10-9. All airport zoning regulations adopted under this chapter may be reasonable, and none unreasonable. No regulation shall require the removal, lowering, or other change or alteration of any structure or tree not conforming to the regulations when adopted or amended, or otherwise interfere with the continuance of any nonconforming
use, except as provided in § 50-10-28.

Section 58. That § 50-10-10 be amended to read as follows:

50-10-10. Where advisable to facilitate the enforcement of zoning regulations adopted pursuant to this chapter, a system may be established for granting permits to establish or construct new structures and other uses and to replace existing structures and other uses or make substantial changes therein or substantial repairs thereof. In any event, before any nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing such replacement, change, or repair. No such permit may be granted that would allow the structure or tree in question to be made higher or become a greater hazard to air navigation than it was when the applicable regulation was adopted; and whenever, if the administrative agency determines that a nonconforming structure or tree has been abandoned or more than eighty percent physically deteriorated, or decayed, no permit may be granted that would allow said the structure or tree to exceed the applicable height limit or otherwise deviate from the zoning regulations. Except as indicated all applications for permits for replacement, change, or repair of nonconforming uses shall be granted.

Section 59. That § 50-10-11 be amended to read as follows:

50-10-11. Any person desiring to erect any structure, or to increase the height of any structure, or to permit the growth of any tree, or to otherwise use his the person's property, in violation of airport zoning regulations adopted under this chapter, may apply to the board of appeals, as provided in § 50-10-15, for a variance from the zoning regulations in question. Such variances A variance shall be allowed where if a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted
would not be contrary to the public interest but would do substantial justice and be in accordance with the spirit of the regulations.

Section 60. That § 50-10-13 be amended to read as follows:

50-10-13. No airport zoning regulations shall be adopted, amended, or changed under this chapter except by action of the governing body of the political subdivision in question after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. Notice of the hearing shall be given at least fifteen days prior to the date of the hearing by publication of a notice of the time and place of holding the hearing in a legal newspaper or a newspaper of general circulation published in the political subdivision or subdivisions in which is located the airport hazard to be zoned, provided that, however, if there be no such newspaper, or newspaper published in the said subdivision or subdivisions, the notice shall be published in the nearest legal newspaper; or newspaper of general circulation.

Section 61. That § 50-10-14 be amended to read as follows:

50-10-14. The governing body of any political subdivision adopting airport zoning regulations under this chapter may delegate the duty of administering and enforcing the regulations to any administrative agency under its jurisdiction, but such administrative agency may not be or include any member of the board of appeals. The duties of the administrative agency shall include that of hearing and deciding all permits under § 50-10-10, but such agency may not have or exercise any of the powers delegated to the board of appeals.

Section 62. That § 50-10-16 be amended to read as follows:

50-10-16. The board established pursuant to § 50-10-15 shall adopt rules in accordance with the provisions of any ordinance adopted under this chapter. Meetings of the board shall be held
at the call of the chairman chair and at such other times as the board may determine. The
chairman chair, or in his the chair’s absence the acting chairman chair, may administer oaths and
compel the attendance of witnesses. All meetings of the board shall be public. The board shall
keep minutes of its proceedings, showing the vote of each member upon each question, or, if
absent or failing to vote, indicating such fact, and shall keep records of its examinations and
other official actions, all of which. The minutes shall immediately be filed in the office of the
board and shall be are a public record.

Section 63. That § 50-10-18 be amended to read as follows:

50-10-18. An appeal pursuant to § 50-10-15 shall stay all proceedings in furtherance of the
action appealed from, unless the agency from which the appeal is taken certifies to the board,
after the notice of appeal has been filed with it, that by reason of the facts stated in the certificate
a stay would, in its opinion, cause imminent peril to life or property. In such case, proceedings
shall may not be stayed otherwise than by a restraining order which may be granted by the board
or by a court of record on application on notice to the agency from which the appeal is taken and
on due cause shown.

Section 64. That § 50-10-27 be amended to read as follows:

50-10-27. In addition, either the political subdivision within which the property is located
or the Aeronautics Commission commission may institute in any court of competent
jurisdiction, an action to prevent, restrain, correct, or abate any violation of this chapter, or of
airport zoning regulations adopted under this chapter, or of any order or ruling made in
connection with their administration or enforcement; and the. The court shall adjudge to the
plaintiff such relief, by way of injunction, which may be mandatory or otherwise, as may be
proper under all the facts and circumstances of the case, in order fully to effectuate the purposes
of this chapter and of the regulations adopted and orders and rulings made pursuant thereto.
Section 65. That § 50-10-28 be amended to read as follows:

50-10-28. In any case in which:

(1) It is desired to remove, lower, or otherwise terminate a nonconforming use; or

(2) The approach protection necessary according to the Aeronautics Commission's commission's airport approach plan cannot, because of constitutional limitations, be provided by airport zoning regulations under this chapter; or

(3) It appears advisable that the necessary approach protection be provided by acquisition of property rights,

the political subdivision within which the property or nonconforming use is located, the political subdivision owning the airport or served by it, or the commission, shall acquire by purchase, grant, or condemnation in the manner provided by the law under which political subdivisions are authorized to acquire real property for public purposes, such an air right, easement, or other estate or interest in the property or nonconforming use in question as may be necessary to effectuate the purposes of this chapter.

Section 66. That § 50-10-30 be repealed.

50-10-30. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the valid provision or application, and to this end the provisions of this chapter are declared to be severable.

Section 67. That § 50-10-31 be repealed.

50-10-31. This chapter shall be known and may be cited as the "Model Airport Zoning Act."
