

AN ACT

ENTITLED, An Act to make appropriations from the water and environment fund, the water pollution control revolving fund subfund, and the drinking water revolving fund subfund for various water and environmental purposes, to authorize the construction and establish the state cost share for the Southern Black Hills Water System, and to declare an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. There is hereby appropriated from the South Dakota water and environment fund established pursuant to § 46A-1-60, the sum of six million three hundred thousand dollars (\$6,300,000), or so much thereof as may be necessary, to the South Dakota Board of Water and Natural Resources for the purpose of providing a grant to local project sponsors for the engineering design, preconstruction activities, and construction of the Lewis and Clark rural water system as authorized in § 46A-1-13.10. Funds shall be used by the project sponsors for activities that qualify as nonfederal matching requirements as enumerated in P.L. 106-246 as amended to January 1, 2010. Funds shall be provided according to terms and conditions established by the Board of Water and Natural Resources.

Section 2. There is hereby appropriated from the South Dakota water and environment fund established pursuant to § 46A-1-60, the sum of three hundred fifty thousand dollars (\$350,000), or so much thereof as may be necessary, to the South Dakota Board of Water and Natural Resources for the purpose of providing grants to local project sponsors for the engineering design, preconstruction activities, and construction of the facilities included in the Southern Black Hills Water System as authorized by section 3 of this Act. Funds shall be provided according to terms and conditions established by the Board of Water and Natural Resources.

Section 3. That chapter 46A-1 be amended by adding thereto a NEW SECTION to read as follows:

Pursuant to §§ 46A-1-11 to 46A-1-13, inclusive, construction of a seventy-seven million eight hundred thousand dollar Southern Black Hills Water System as generally described in the report "Southern Black Hills Water System Preliminary Engineering Report", dated February, 2005, is hereby authorized for the purposes of providing safe and adequate municipal, rural, and industrial water supplies in the counties of Custer, Fall River, and Pennington.

There is hereby authorized from the South Dakota water and environment fund established pursuant to § 46A-1-60, a grant in the amount of twelve million dollars, or so much thereof as may be necessary, to provide the State of South Dakota's portion of the nonfederal matching requirement for the Southern Black Hills Water System. No disbursements may be made under the grant authorized by this section unless funds are appropriated by the Legislature in conformance with § 46A-1-61. Funds appropriated for the Southern Black Hills Water System since January 1, 2006, shall be considered as part of the State of South Dakota's portion of the match requirement. Grant terms and conditions shall be set by the Board of Water and Natural Resources.
