COMMUNICATIONS AND PETITIONS

**STATE OF SOUTH DAKOTA
OFFICE OF THE GOVERNOR
EXECUTIVE ORDER 2021-03**

Whereas, Article IV, Section 8, of the Constitution of the State of South Dakota provides that, “Except as to elected constitutional officers, the Governor may make such changes in the organization of offices, boards, commissions, agencies and instrumentalities, and in allocation of their functions, powers and duties, as he considers necessary for efficient administration. If such changes affect existing law, they shall be set forth in executive orders, which shall be submitted to the Legislature within five legislative days after it convenes, and shall become effective, and shall have the force of law, within ninety days after submission, unless disapproved by a resolution concurred in by a majority of all the members of either house”; and,

Whereas, This Executive Order has been submitted to the 96th Legislative Assembly on the 5th legislative day, the 19th day of January, 2021:

IT IS, THEREFORE, BY EXECUTIVE ORDER, directed that the executive branch of state government be reorganized to comply with the following sections of this Order.

GENERAL PROVISIONS

Section 1. This Executive Order shall be known and may be cited as the “Executive Reorganization Order 2021-03”.

Section 2. Any agency not enumerated in this Order, but established by law within another agency which is transferred to a principal department under this Order, shall also be transferred in its current form to the same principal department and its functions shall be allocated between itself and the principal department as they are now allocated between itself and the agency within which it is established.

Section 3. “Agency” as used in this Order shall mean any board, authority, commission, department, bureau, division, or any other unit or organization of state government.

Section 4. “Function” as used in this Order shall mean any authority, power, responsibility, duty, or activity of an agency, whether or not provided for by law.

Section 5. Unless otherwise provided by this Order, division directors shall be appointed by the head of the department or bureau of which the division is a part, and shall be removable at the pleasure of the department or bureau head, provided that the appointment and removal of division directors shall be subject to approval by the Governor.

Section 6. It is the intent of this Order not to repeal or amend any laws relating to functions performed by an agency, unless the intent is specifically expressed in this Order or unless there is an irreconcilable conflict between this Order and those laws.

Section 7. If a part of this Order is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this Order is invalid in one or more of its applications, the part remains in effect in all valid applications.

Section 8. Except when inconsistent with the other provisions of this Order all rules, regulations, and standards of the agencies involved in executive reorganization in effect on the effective date of this Order, shall continue with full force and effect until they are specifically altered, amended, or revoked in the manner provided by law, unless the statutory authority for such rules is superseded by this Order.

1 Section 9. It is hereby declared that the sections, clauses, sentences, and parts of this Order
2 are severable, are not matters of mutual essential inducement, and any of them may be excised by
3 any court of competent jurisdiction if any section, clause, sentence, or part of this Order would
4 otherwise be unconstitutional or ineffective.

5 Section 10. In the event that it has been determined that a function of a transferred agency,
6 which has not been eliminated by this Order, and its associated records, personnel, equipment,
7 facilities, unexpended balances of appropriations, allocations, or other funds have not been clearly
8 allocated to an agency, the Governor shall specify by interim procedures the allocation of the
9 function and its associated resources. At the next legislative session following the issuance of such
10 interim procedures, the Governor shall make recommendations concerning the proper allocation of
11 the functions of transferred agencies which are not clearly allocated by this Order. Any interim
12 procedures issued in conjunction with this section shall be filed with the Secretary of State.

13 Section 11. The rights, privileges, and duties of, including but not limited to, the holders of
14 bonds and other obligations issued, and of the parties to contracts, leases, indentures, loan
15 agreements, and other transactions, entered into before the effective date of this Order by the state
16 or by any agency, officer, or employee thereof, and covenants and agreements as set forth therein,
17 remain in effect, and none of those rights, privileges, duties, covenants, or agreements are impaired
18 or diminished by abolition of an agency in this Order. The agency to which functions of another
19 agency are transferred is substituted for that agency and succeeds to its rights and leases,
20 indentures, privileges, duties, covenants, agreements, and other transactions.

21 Section 12. No judicial or administrative suit, action, or other proceeding lawfully commenced
22 before the effective date of this Order by or against any agency or any officer of the state, in their
23 official capacity or in relation to the discharge of their official duties, shall abate or be affected by
24 reason of the taking effect of any reorganization under the provisions of this Order. The court may
25 allow the suit, action, or other proceeding to be maintained by or against the successor of any
26 agency or any officer affected by this Order.

27 Section 13. If any part of this Order is ruled to be in conflict with federal requirements which
28 are a prescribed condition to the receipt of federal aid by the state, an agency, or a political
29 subdivision, that part of this Order has no effect and the Governor may by executive order make
30 necessary changes to this Order to receive federal aid, and the changes will remain in effect until
31 the last legislative day of the next legislative session or until the Legislature completes legislation
32 addressed to the same question, whichever comes first.

33 Section 14. Pursuant to § 2-16-9, the Code Commission and Code Counsel of the Legislative
34 Research Council are requested to make the name and title changes necessary to correlate and
35 integrate the organizational changes made by this Executive Reorganization Order into the South
36 Dakota Codified Laws.

37 Section 15. Any provisions of law in conflict with this Order are superseded.

38 Section 16. Whenever a function is transferred by this Order, all personnel, records, property,
39 unexpended balances of appropriations, allocations, or other funds utilized in performing the
40 function are also transferred by this Order.

41 Section 17. The effective date of this Executive Reorganization Order 2021-03 shall be ninety
