

PRISON/JAIL POPULATION COST ESTIMATE STATEMENT

Ninety-Sixth SESSION
2021 South Dakota Legislature

Senate Bill 166

An Act to revise provisions regarding hate crimes.

A prison/jail population cost estimate statement is required for amendment 166B to SB166 because the amendment would remove the Class 2 misdemeanor penalty for any person who fails to comply with reporting requirements for bias-motivated crimes by various offices and agencies within the state as adopted in amendment 166A.

As noted in the estimate statement for amendment 166A, the impact on prison and jail costs is estimated to be negligible for this penalty. Thus, removing the penalty would have no discernible impact on prison/jail costs.

Compared with the original bill and amendment 166A, there would be no additional prison/jail impact.
