Notice

The **Department of Social Services** intends to make changes to the South Dakota Medicaid State Plan concerning qualifying criteria for traumatic brain or spinal cord injury add-on payments for individuals residing in a nursing facility. The proposed amendment allows flexibility for individuals to qualify for this add-on payment in circumstances where completing an actual rehabilitation program is not appropriate, and amends page 15 of Attachment 4.19-D. The department intends to make this SPA effective June 1, 2021 and estimates no fiscal impact in Federal Fiscal Years 2021 and 2022 due to the reduction in acute care costs being comparable to the additional nursing facility add-on payment expenditures.

The Amendment can be viewed on the department's website at <http://dss.sd.gov/medicaid/medicaidstateplan.aspx>. Written requests for a copy of these changes and corresponding comments may be sent to Division of Medical Services, Department of Social Services, 700 Governors Drive, Pierre, South Dakota 57501-2291.
