On page 1, line 17, of the Introduced bill, after "completed" delete " completes, at every visit, an assessment of the patient's medical history and current medical condition, including an appropriate in-person physical examination"

On page 1, line 25, of the Introduced bill, delete "and during which the following circumstances are present:

(a) The patient is under the practitioner's continued care for the debilitating medical condition that qualifies the patient for the medical use of cannabis;

(b) The patient has a reasonable expectation that the practitioner will continue to provide in-person follow-up care to the patient to monitor the medical use of cannabis; and

(c) The relationship is not for the sole purpose of providing a written certification for the medical use of cannabis;" and insert "

(a) The practitioner completes, at the initial visit, an assessment of the patient's medical history and current medical condition, including an appropriate in-person physical examination;

(b) The patient is under the practitioner's care for the debilitating medical condition that qualifies the patient for the medical use of cannabis or has been referred by the practitioner caring for the patient's debilitating medical condition that qualifies the patient for the medical use of cannabis to another practitioner;

(c) The patient has a reasonable expectation that the practitioner providing the written certification will continue to provide follow-up care to the patient to monitor the medical use of cannabis; and

(d) The relationship is not for the sole purpose of providing a written certification for the medical use of cannabis unless the patient has been referred by a practitioner providing care for the debilitating medical condition that qualifies the patient for the medical use of cannabis.
