

On the Introduced bill, delete the previously adopted amendment (1160A).

On page 1, line 5, delete ", provided the court finds the defendant has the present and continued ability to pay the costs of the program. A person may not be jailed for the inability to pay the costs of the pre-trial 24/7 program." and insert " However, no person may be jailed nor a person's bond or pre-trial release revoked for failure to pay the associated costs and expenses of the program unless a court has found that the person has the present and continued ability to pay the costs of the program. Any costs and expenses of the program not paid by the person prior to the disposition of a criminal case may be imposed upon disposition of the person's case if a court finds the person has the ability to pay the costs of the program."

On page 1, line 9, after "program." insert "The burden of proof must be consistent with § 23A-27-25.5."
