

2022 South Dakota Legislature

Senate Bill 157

SENATE TAXATION ENGROSSED

Introduced by: **Senator Wheeler**

1 **An Act to exempt the sale of certain goods related to information technology from**
 2 **a gross receipts tax.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1. That chapter 10-45 be amended with a NEW SECTION:**

5 The terms used in this Act mean:

6 (1) "Computer software," software used at a qualified data center, and the software's
 7 maintenance, licensing, and customization;

8 (2) "Data center," a centralized repository for the storage, management, and
 9 dissemination of electronic data and information;

10 (3) "Enterprise information technology equipment":

11 (a) Computer hardware, servers, routers, cooling systems, and cooling towers;

12 (b) Temperature control infrastructure and power infrastructure for the
 13 transformation, distribution, or management of electricity used for the
 14 maintenance and operation of a qualified data center;

15 (c) Exterior dedicated business-owned substations, backup power generation
 16 systems, battery systems, or other related infrastructure; and

17 (d) Racking systems, raised flooring, cabling, or trays necessary for the
 18 maintenance and operation of a qualified data center;

19 (4) "Qualified business," the owner, operator, or tenants of a qualified data center;

20 (5) "Qualified data center," a facility located in this state:

21 (a) Comprised of one or more buildings, the primary purpose of which is to
 22 contain a data center;

23 (b) Located on a single parcel or on contiguous parcels of land;

24 (c) On which construction is completed or that is substantially refurbished after
 25 December 31, 2021;

26 (d) Equipped with uninterrupted power supplies, generator backup, or both;

1 (e) Equipped with sophisticated fire suppression and prevention systems; and
2 (f) Equipped with video camera surveillance and an electronic system requiring
3 pass codes, key cards, or biometric scans to restrict access to selected
4 personnel; and

5 (6) "Substantially refurbished," a data center has been rebuilt, modified, or improved
6 through energy efficiency improvements, building improvements, and the
7 installation of enterprise information technology equipment, environmental
8 controls, and computer software.

9 **Section 2. That chapter 10-45 be amended with a NEW SECTION:**

10 Gross receipts from sales of enterprise information technology equipment and
11 computer software, in excess of two million dollars in a fiscal year, purchased for use by
12 a qualifying business in a qualified data center are exempt from the tax imposed by this
13 chapter. To qualify for the exemption, the enterprise information technology equipment
14 or computer software must be used at or physically located within the qualified data
15 center.

16 **Section 3. That chapter 10-45 be amended with a NEW SECTION:**

17 Qualified data center owners that intend to collocate operators or tenants within
18 the center shall provide the operators or tenants with documentation from the Department
19 of Revenue that the center meets the definition of a qualified data center under this
20 section. Operators or tenants shall obtain and submit a copy of the documentation with
21 all applications for sales tax exemption on information technology equipment and
22 computer software purchased for use in the qualified data center.

23 **Section 4. That chapter 10-45 be amended with a NEW SECTION:**

24 To receive the exemption at the time of purchase or installation, the qualified
25 business shall obtain from the Department of Revenue a certificate that the enterprise
26 information technology equipment or computer software the qualified business intends to
27 purchase qualifies for the exemption. If a certificate is not received before the purchase,
28 the qualified business shall pay the applicable tax imposed by this chapter and may apply
29 to the Department of Revenue for a refund.

1 The future owner of a proposed data center shall apply to the Department of
2 Revenue to receive certification as a qualified data center to receive the exemption
3 provided in this Act.

4 If the enterprise information technology equipment is purchased or installed by a
5 contractor subject to the tax imposed by this chapter, the qualified business may apply
6 for a refund of the difference between the amount remitted by the contractor and the
7 exemption imposed or allowed by this section. Application for a refund must be made at
8 the time and in the manner directed by the Department of Revenue and must include
9 sufficient information to permit the Department of Revenue to verify the sales and use
10 taxes paid and the exempt status of the sale or use.
