On page 1, line 4, of the Introduced bill, after "AMENDED:" delete "26-17-2. When a missing child report is made to a law enforcement agency in this state that has jurisdiction in the matter, the law enforcement agency shall gather readily available information about the missing child and integrate such information into the national crime information center computer within twelve hours following the making of the report. The law enforcement agency shall make reasonable efforts to acquire additional information about the missing child following the transmittal of the initially available information and promptly integrate any additional information acquired into such the computer systems. As soon as reasonably practicable following the integration of the information into the computer, the agency shall verify with the missing child's parents, custodial parent, guardian, legal custodian, designated contact, or any other person responsible for the missing child that notice will be sent to local media outlets concerning the missing child. The law enforcement agency shall then promptly notify local media outlets of all appropriate information that may assist in the safe recovery of the missing child."
