24 **Section 4. That chapter 34-54 be amended with a NEW SECTION:**

26 or health care payer that holds itself out to the public as religious, states in its governing

28 or procedures that implement its religious beliefs, shall have the right to make
29 employment, staffing, contracting, and admitting privilege decisions consistent with its
30 religious beliefs.

31 **Section 5. That chapter 34-54 be amended with a NEW SECTION:**

1 No medical practitioner, health care institution, or health care payer is civilly,
2 criminally, or administratively liable for exercising his, her, or its right of conscience not

4 criminally, or administratively liable for the exercise of conscience rights not to participate
5 in a health care service by a medical practitioner employed, contracted, or granted
6 admitting privileges by the health care institution.

7 **Section 6. That chapter 34-54 be amended with a NEW SECTION:**

8 No medical practitioner may be discriminated against in any manner because the
9 medical practitioner:

- 10 (1) Provided, caused to be provided, or is about to provide or cause to be provided to
11 his or her employer, the attorney general, any state agency charged with
12 protecting health care rights of conscience, the U.S. Department of Health and
13 Human Services, Office of Civil Rights, or any other federal agency charged with

19 **Section 7. That chapter 34-54 be amended with a NEW SECTION:**

20 Unless the disclosure is specifically prohibited by law, no medical practitioner may

22 information that the medical practitioner reasonably believes proves:

- 23 (1) Any violation of any law, rule, or regulation;
24 (2) Any violation of any ethical guidelines for the provision of any health care service;
25 or
26 (3) Gross mismanagement, a gross waste of funds, an abuse of authority, or a
27 substantial and specific danger to public health or safety.

28 **Section 8. That chapter 34-54 be amended with a NEW SECTION:**

29 A civil action for damages or injunctive relief, or both, may be brought by any
30 medical practitioner, health care institution, or health care payer for any violation of any
31 provision of this Act. Any additional burden or expense on another medical practitioner,

1 health care institution, or health care payer arising from the exercise of the right of
2 conscience is not a defense to any violation of this Act. However, no civil action may be
3 brought against an individual who declines to use or purchase health care services from a
4 specific medical practitioner, health care institution, or health care payer for exercising
5 the rights granted in § 34-54-2.

6 **Section 9. That chapter 34-54 be amended with a NEW SECTION:**

7 Any party aggrieved by any violation of this Act may commence a civil action and
8 shall be entitled, upon the finding of a violation, to recover threefold his, her, or its actual

10 no case may recovery be less than five thousand dollars.

11 Such damages shall be cumulative and in no way limited by any other remedies
12 which may be available under any other federal, state, or municipal law. A court
13 considering such civil action may also award injunctive relief, which may include
14 reinstatement of a medical practitioner to his or her previous position, reinstatement of
15 board certification, and re-licensure of a health care institution or health care payer.
