SUPPLEMENTAL BIOLOGICAL SCREENING LABORATORY REPORT

Case Number: CLD20-03858

Victim: Joseph Boever

Subject: Jason Ravensborg

Report Date: October 22, 2020

Report To: Joseph Arenz

Submitting Agency: BCI, Bismarck
P.O. Box 1054
Bismarck, ND 58502

Agency Case Number: 20-00536

Submitted Date/Time: October 9, 2020 15:56

Delivery Method: Hand to Hand via Joseph Arenz

Item(s) Submitted:

Item 2: One sealed manila envelope marked "Rock with suspected bone material" containing one rock and debris.

Item 3: One sealed manila envelope marked "Sample from Highway" containing one sealed swab box containing pieces of asphalt.

Item 4: One sealed manila envelope marked "Two swabs from area "1" north third of area" containing one swab box marked "item #1" containing two swabs.

Item 5: One sealed manila envelope marked "Two swabs from area "3" north third of area" containing one swab box marked "#2" containing two swabs.

Item 6: One sealed manila envelope marked "Two swabs from area "3" middle portion" containing one swab box marked "#3" containing two swabs.

Item 7: One sealed manila envelope marked "Two swabs from area "4" SE corner" containing one swab box marked "Item #4" containing two swabs.

Item 8: One sealed manila envelope marked "Two swabs from area "6" SE corner" containing one swab box marked "#5" containing two swabs.

Item(s) Submitted (continued):

- Item 9: One sealed manila envelope marked "Two swabs from area "6" middle of South portion" containing one swab box marked "#6" containing two swabs.
- Item 10: One sealed manila envelope marked "Two swabs from area "5" midpoint east to west" containing one swab box marked "#7" containing two swabs.
- Item 11: One sealed manila envelope marked "Two swabs east of area "6" containing one swab box marked "#8" containing two swabs.
- Item 12: One sealed plastic bag marked "Hair from windshield (Marker 10)" containing:
Item 12A: one hair
Item 12B: one hair
Item 12C: one hair
Item 12D: one hair.
- Item 13: One sealed white cardboard box marked "Windshield piece" containing one brown paper bag marked "#11" containing one piece of glass windshield
Item 13A: one sealed manila envelope marked "CLD20-03858 Item 13A" containing one swab of piece of glass windshield
Item 13B: one sealed manila envelope marked "CLD20-03858 Item 13B" containing one swab of piece of glass windshield
Item 13C: one sealed manila envelope marked "CLD20-03858 Item 13C" containing one hair collection card containing trace hairs.
- Item 14: One sealed white cardboard box marked "Windshield piece (Marker 8)" containing one brown paper bag marked "Evidence 12" containing one piece of glass windshield
Item 14A: one sealed manila envelope marked "CLD20-03858 Item 14A" containing one swab of piece of glass windshield.
- Item 15: One sealed brown paper bag marked "Broken glasses and lenses (Marker 11)" containing one pair of broken eyeglasses
Item 15A: one sealed manila envelope marked "CLD20-03858 Item 15A" containing one swab of broken eyeglasses.
- Item 16: One sealed brown paper bag marked "Broken eyeglass frame (marker 12)" containing one piece of eyeglass frame
Item 16A: one sealed manila envelope marked "CLD20-03858 Item 16A" containing one swab of eyeglass frame.
- Item 17: One sealed manila envelope marked "2 swabs of red area under rear bumper passenger side" containing one swab box marked "#4" containing two swabs.
- Item 18: One sealed brown paper bag marked "Broken plastic fork with possible blood" containing one piece of plastic fork
Item 18A: one sealed manila envelope marked "CLD20-03858 Item 18A" containing one swab of piece of plastic fork.
- Item 19: One sealed white envelope marked "Stain on roadway" containing one swab.

Item(s) Submitted (continued):

- Item 20: One sealed white envelope marked "Stain on roadway" containing one swab.
- Item 21: One sealed white envelope marked "road stain" containing one swab.
- Item 22: One sealed brown paper bag containing known buccal swab samples from "Joseph Boever".

Summary of Analysis: (Testing started on October 13, 2020 and ended on October 19, 2020)

Item	Results
Item 2	Visible debris observed. No screening analysis performed to preserve sample for DNA analysis.
Item 3	Visible debris observed.
Item 4	No human blood detected.
Item 5	No human blood detected.
Item 6	No human blood detected.
Item 7	No human blood detected.
Item 8	No human blood detected.
Item 9	No human blood detected.
Item 10	No human blood detected.
Item 11	No human blood detected.
Item 12A	No follicular material observed.
Item 12B	No follicular material observed.
Item 12C	No follicular material observed.
Item 12D	No follicular material observed.
Item 13	Hairs observed.
Item 13A	No human blood detected.
Item 13B	*Presumptively positive for human blood.
Item 13C	No analysis.
Item 14A	*Presumptively positive for human blood.
Item 15A	No screening analysis performed to preserve sample for DNA analysis.
Item 16A	No screening analysis performed to preserve sample for DNA analysis.
Item 17	No human blood detected.
Item 18A	*Presumptively positive for human blood.
Item 19	No human blood detected.
Item 20	*Presumptively positive for human blood.
Item 21	No human blood detected.

***NOTE: Ferret, mink, and squirrel monkey blood may give false positive results.**

Please submit a buccal swab sample from "Jason Ravensborg" to the laboratory via hand delivery or certified/registered mail.

A report will follow when DNA analysis is completed.

Disposition:

Item 2, Item 18A and Item 20: Placed in a packet for DNA analysis.

Item 22: Placed in a separate packet for DNA analysis.

Item 13B, Item 14A, Item 15A and Item 16A: Placed in a separate packet for DNA analysis.

Item 13C: Placed in a packet for possible Trace analysis.

Item 3, Item 4, Item 5, Item 6, Item 7, Item 8, Item 9, Item 10, Item 11, Item 12, Item 12A, Item 12B, Item 12C, Item 12D, Item 13, Item 13A, Item 14, Item 15, Item 16, Item 17, Item 18, Item 19 and Item 21: Return to agency.

The undersigned forensic scientist is a designee of the Director of the North Dakota Office of Attorney General, Crime Laboratory Division. The scientist certifies and states this Standard Forensic Advantage Discovery Packet containing the laboratory report is a true and correct copy of the original on electronic file at the North Dakota Office of Attorney General, Crime Laboratory Division pursuant to Section 19-01-10 of the North Dakota Century Code.

I am a public officer without a seal.

The results and conclusions to this report are the opinions and interpretations of the analyst. This report shall not be reproduced except in full without approval of the Crime Laboratory Division.

Sincerely,

Crime Laboratory Division

Emily Hoge
Forensic Scientist

Brief Case Synopsis and Analysis Requested (Please Print)

SD Attorney General Jason Ravensborg reported striking something with Ravensborg's vehicle on 09/12/2020. Ravensborg reported the crash and it was believed Ravensborg struck a deer. On 09/13/2020, Ravensborg came back to the scene and located a Boever deceased. DNA testing requested on swabs from scene and vehicle to determine impact location

If this is a property crime, has it been confirmed that the item(s) being submitted DO NOT belong to the victim

Yes No

Item 1 Submitted

Investigative Value of Evidence <input type="checkbox"/> Looking for Suspect's DNA <input checked="" type="checkbox"/> Looking for Victim's DNA <input type="checkbox"/> Other - Explain _____
Description of Item Item #2: Rock with possible bone/flesh material
Where was Item Located at Crime Scene Crash scene shoulder of roadway

Item 2 Submitted

Investigative Value of Evidence <input type="checkbox"/> Looking for Suspect's DNA <input checked="" type="checkbox"/> Looking for Victim's DNA <input checked="" type="checkbox"/> Other - Explain <u>Windshield Wiper fluid</u>
Description of Item Item #3: Swabs of stain on shoulder of roadway, possibly windshield wiper fluid
Where was Item Located at Crime Scene Crash scene roadway

Item 3 Submitted

Investigative Value of Evidence <input type="checkbox"/> Looking for Suspect's DNA <input type="checkbox"/> Looking for Victim's DNA <input type="checkbox"/> Other - Explain _____
Description of Item
Where was Item Located at Crime Scene

Was subject(s) known(s) buccal/blood sample submitted? Yes No

If no, submit known at earliest convenient opportunity, if applicable.

Was victim(s) known(s) buccal/blood sample submitted? Yes No

If no, submit known at earliest convenient opportunity, if applicable.

Were other pertinent knowns submitted? (i.e. consensual sex partner, elimination subject)? Yes No

If no, submit known at earliest convenient opportunity, if applicable.

Is additional evidence of investigative value available for analysis? Yes No
