Jason Ravensborg Stop & Citation

On April 6, 2020 at approximately 1510 hours, I believe I was traveling northbound on SD Highway 79. I observed a southbound vehicle which appeared to be traveling faster than the posted speed limit of 65mph. I activated my radar and it indicated that the vehicle was traveling at 82mph. As the vehicle passed my location, I got in behind the vehicle and activated my emergency lights and the vehicle pulled over to the right shoulder, coming to a stop. I approached the vehicle on the driver side and made contact with the driver. I asked the driver if he had his driver's license and the vehicle paperwork. The driver handed me a South Dakota driver's license which identified him as Jason Ravensborg. I asked Jason to come back and have a seat on the front passenger side of my patrol vehicle and he agreed to

cooperate.

Once inside my patrol vehicle, I ran a driver s license check through my Zuercher computer system and it indicated that it was valid. I informed Jason that I had stopped him for traveling at 82mph in a posted 65mph zone and he admitted to speeding. Jason stated that he was traveling to Hot Springs for a type of Republican event. Jason also stated that he was running for the Attorney General for South Dakota in the upcoming election. I informed Jason that I would be issuing him a citation for the speed and he accepted the responsibility and had no issues toward my enforcement actions. I explained the citation for speed and how to take care of the citation and he signed it without complaint.

Jason was very professional and polite during the entire traffic stop. I explained to Jason that he was good to go and wished him luck in the upcoming election. Jason exited my patrol vehicle, returned to his vehicle and left the scene.
