PREFACE

The Constitution of South Dakota requires that each chamber of the Legislature keep a Journal of all of its activities. The original journals are corrected, certified, and filed with the Secretary of State.

The Legislative Research Council has developed a computerized legislative information system which compiles and tracks legislation through the legislative session. This index is the printed form of this tracking system and provides a roadmap to this legislative session.

All legislative documents are available on the South Dakota Legislature's website at SDLegislature.gov.
