Ms. Joan Adam, Cabinet Secretary
Department of Health
600 E. Capitol Avenue
Pierre, South Dakota 57501

Dear Secretary Adam:

The Government Operations and Audit Committee has scheduled a two-day meeting for October 18 and 19, 2022, in room 414, in the State Capitol Building, to review various issues involving State government.

Committee members have heard that the LIFEPAK defibrillators become obsolete and are no longer supported after three or four years. The Committee requests that you and a representative from the company be present on October 19, 2022, to discuss the LIFEPAK defibrillators.

If you plan to present handouts, please provide them to Tim Flannery as soon as possible before the meeting so this information can be forwarded to Committee members in advance of the actual meeting date. This is the tenth item on the agenda and this topic will be heard on October 19, 2022.

Sincerely,

A handwritten signature in black ink, appearing to read "Randy Gross". The signature is written in a cursive, flowing style.

Representative Randy Gross, Chair
Government Operations and Audit Committee
