

## 2023 South Dakota Legislature

# House Bill 1086

Introduced by: **Representative** Weisgram

1 **An Act to create provisions for the Psychiatric Collaborative Care Model to be**  
2 **reimbursable for insurance.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1. That chapter 58-17 be amended with a NEW SECTION:**

5 Any health insurer offering any individual or group health insurance policy,  
6 contract, certificate, or plan delivered, issued for delivery, or renewed in South Dakota on  
7 or after January 1, 2024, and mental health or substance use disorder benefits, except  
8 for policies that provide coverage for specified disease or other limited benefit coverage,  
9 shall provide reimbursement for such benefits that are delivered through the Psychiatric  
10 Collaborative Care Model.

11 For purposes of this section, the term, health insurer, is defined as provided in §  
12 58-17-100.

13 For purposes of this section, the term, Psychiatric Collaborative Care Model, means  
14 an evidence-based, integrated mental health service delivery method that is provided and  
15 directed by a primary care team consisting of a primary care provider and a care manager,  
16 who provide structured care management and regular assessment of a patient's clinical  
17 status using validated tools and treatment modification as appropriate, and a psychiatric  
18 consultant, who provides regular consultations to the primary care provider and care  
19 manager to review the clinical status and care of the patient and to make  
20 recommendations for continued care.
