

2023 South Dakota Legislature

House Bill 1183

Introduced by: **Representative** Rehfeldt

1 **An Act to authorize the state's participation in the interstate compact on**
2 **occupational therapy licensure.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1. That a NEW SECTION be added:**

5 The State of South Dakota is hereby authorized to participate in the interstate
6 compact on occupational therapy licensure, as set forth in this chapter.

7 **Section 2. That a NEW SECTION be added:**

8 The purpose of the interstate compact on occupational therapy licensure is to
9 facilitate the interstate practice of occupational therapy, with the goal of improving public
10 access to occupational therapy services. The practice of occupational therapy occurs in
11 the state where the patient or client is located, at the time of the encounter. The compact
12 preserves the authority of states to protect public health and safety through the current
13 system of state licensure.

14 The compact is designed to achieve the following objectives:

- 15 A. Increase public access to occupational therapy services by providing for the mutual
16 recognition of other member state licenses;
17 B. Enhance the ability of states to protect the public's health and safety;
18 C. Encourage the cooperation of member states in regulating multi-state occupational
19 therapy practice;
20 D. Support spouses of relocating military members;
21 E. Enhance the exchange of licensure, investigative, and disciplinary information
22 between member states;
23 F. Allow a remote state to hold a provider of services with a compact privilege in that
24 state accountable to that state's practice standards; and

1 G. Facilitate the use of telehealth technology for the purpose of increasing access to
2 occupational therapy services.

32 status, investigative information, compact privileges, and adverse actions;

28 which an occupational therapist or occupational therapy assistant who is not active
29 duty military declares a primary residence for legal purposes as verified by a

 - 13 2. Participate fully in the commission's data system, including using the
14 commission's unique identifier as defined in rules of the commission;
 - 15 3. Have a mechanism in place for receiving and investigating complaints about
16 licensees;
 - 17 4. Notify the commission, in compliance with the terms of the compact and
18 rules, of any adverse action or the availability of investigative information
19 regarding a licensee;
 - 20 5. Implement or utilize procedures for considering the criminal history records
21 of applicants for an initial compact privilege. These procedures shall include
22 the submission of fingerprints or other biometric-based information by
23 applicants for the purpose of obtaining an applicant's criminal history record
24 information from the Federal Bureau of Investigation and the agency
25 responsible for retaining that state's criminal records;
 - 26 (a) A member state shall, within a time frame established by the
27 commission, require a criminal background check for a licensee
28 seeking or applying for a compact privilege, whose primary state of
29 residence is that member state, by receiving the results of the
30 Federal Bureau of Investigation criminal record search, and shall use
31 the results in making licensure decisions; and
 - 32 (b) Communication between a member state, the commission, and
33 among member states, regarding the verification of eligibility for
34 licensure through the compact, may not include any information

- 1 received from the Federal Bureau of Investigation relating to a
2 federal criminal records check performed by a member state under
3 Public Law 92-544;
- 4 6. Comply with the rules of the commission;
5 7. Utilize only a recognized national examination as a requirement for licensure
6 pursuant to the rules of the commission; and
7 8. Have continuing education requirements as a condition for license renewal.
- 8 B. A member state shall grant the compact privilege to a licensee holding an
9 unencumbered license in another member state, in accordance with the terms of
10 the compact and rules.
- 11 C. A member state may charge a fee for granting a compact privilege.
- 12 D. A member state shall provide for the state's delegate to attend all occupational
13 therapy compact commission meetings.
- 14 E. Individuals not residing in a member state may apply for a member state's single-
15 state license, as provided under the laws of each member state. The single-state
16 license granted to these individuals may not be recognized as granting the compact
17 privilege in any other member state.
- 18 F. Nothing in this compact affects the requirements established by a member state
19 for the issuance of a single-state license.

20 **Section 5. That a NEW SECTION be added:**

- 21 A. To exercise the compact privilege under the compact, the licensee must:
- 22 1. Hold a license in the home state;
23 2. Have a United States social security number or national practitioner
24 identification number;
25 3. Have no encumbrance on any state license;
26 4. Be eligible for a compact privilege in any member state, in accordance with
27 this section;
28 5. Have paid all fines and completed all requirements resulting from any
29 adverse action against any license or compact privilege, and two years must
30 have elapsed from the date of the completion;
31 6. Notify the commission that the licensee is seeking the compact privilege
32 within a remote state;
33 7. Pay any applicable fees, including any state fee, for the compact privilege;

- 1 8. Complete a criminal background check in accordance with section 4 of this
2 Act, provided the licensee is responsible for the payment of any fee
3 associated with the completion of a criminal background check;
4 9. Meet any jurisprudence requirements established by the remote state in
5 which the licensee is seeking a compact privilege; and
6 10. Report to the commission any adverse action taken by a non-member state
7 within thirty days from the date the adverse action is taken.
- 8 B. The compact privilege is valid until the expiration date of the home state license.
9 The licensee must comply with the requirements of this section to maintain the
10 compact privilege in the remote state.
- 11 C. A licensee providing occupational therapy in a remote state under the compact
12 privilege shall function within the laws and rules of the remote state.
- 13 D. An occupational therapy assistant practicing in a remote state must be supervised
14 by an occupational therapist licensed or holding a compact privilege in that remote
15 state.
- 16 E. A licensee providing occupational therapy in a remote state is subject to that state's
17 regulatory authority. A remote state may, in accordance with due process and that
18 state's laws, remove a licensee's compact privilege in the remote state for a specific
19 period of time, impose fines, and take any other necessary action to protect the
20 health and safety of its residents. The licensee may be ineligible for a compact
21 privilege in any state until the specific time for removal has passed and all fines
22 are paid.
- 23 F. If a home state license is encumbered, the licensee loses the compact privilege in
24 any remote state until the home state license is no longer encumbered and two
25 years have elapsed from the date on which the home state license is no longer
26 encumbered.
- 27 G. Once an encumbered license in the home state is restored to good standing, the
28 licensee must meet the requirements of this section to obtain a compact privilege
29 in any remote state.
- 30 H. If a licensee's compact privilege in any remote state is removed, the individual may
31 lose the compact privilege in any other remote state until:
32 1. The specific period of time for which the compact privilege was removed
33 has ended;
34 2. All fines have been paid and all conditions have been met;

- 1 3. Two years have elapsed from the date of completing requirements set forth
2 in this subdivision; and
3 4. The compact privileges are reinstated by the commission, and the compact
4 data system is updated to reflect the reinstatement.
5 I. If a licensee's compact privilege in any remote state is removed due to an
6 erroneous charge, privileges must be restored through the compact data system.
7 J. Once the requirements of subdivision H have been met, the licensee must meet
8 the requirements of subdivision A to obtain a compact privilege in a remote state.

9 **Section 6. That a NEW SECTION be added:**

- 10 A. An occupational therapist or occupational therapy assistant may hold a home state
11 license, which allows for compact privileges in member states, in only one member
12 state at a time.
13 B. If an occupational therapist or occupational therapy assistant changes the primary
14 state of residence by moving between two member states:
15 1. The occupational therapist or occupational therapy assistant shall file an
16 application for obtaining a new home state license by virtue of a compact
17 privilege, pay all applicable fees, and notify the current and new home state
18 in accordance with applicable rules adopted by the commission.
19 2. Upon receipt of an application for obtaining a new home state license by
20 virtue of compact privilege, the new home state shall verify that the
21 occupational therapist or occupational therapy assistant meets the criteria
22 outlined in section 5 of this Act via the data system, without need for
23 primary source verification, except for:
24 a. A Federal Bureau of Investigation fingerprint-based criminal
25 background check, if not previously performed or updated pursuant
26 to rules adopted by the commission, in accordance with Public Law
27 92-544;
28 b. Any other criminal background check, as required by the new home
29 state; and
30 c. Submission of any jurisprudence requirements of the new home
31 state.
32 3. The former home state shall convert the former home state license into a
33 compact privilege once the new home state has activated the new home
34 state license in accordance with rules adopted by the commission.

1 4. Notwithstanding any other provision of this compact, if the occupational
 2 therapist or occupational therapy assistant cannot meet the criteria in
 3 section 5 of this Act, the new home state shall apply its requirements for
 4 issuing a new single-state license.

5 5. The occupational therapist or the occupational therapy assistant shall pay
 6 all applicable fees to the new home state in order to be issued a new home
 7 state license.

8 C. If an occupational therapist or occupational therapy assistant changes the primary
 9 state of residence by moving from a member state to a non-member state, or from
 10 a non-member state to a member state, the state criteria applies for issuance of a
 11 single-state license in the new state.

12 D. Nothing in this compact interferes with a licensee's ability to hold a single-state
 13 license in multiple states, provided, for purposes of this compact, a licensee may
 14 have only one home state license.

15 E. Nothing in this compact affects the requirements established by a member state
 16 for the issuance of a single-state license.

17 **Section 7. That a NEW SECTION be added:**

18 Active duty military personnel, or the spouse of such a service member, shall
 19 designate a home state in which the individual has a current license in good standing. The
 20 individual may retain the home state designation during the period the service member is
 21 on active duty. Subsequent to designating a home state, the individual may change the
 22 home state only through application for licensure in the new state or through the process
 23 described in section 6 of this Act.

24 **Section 8. That a NEW SECTION be added:**

25 A. A home state has exclusive power to take adverse action against an occupational
 26 therapist's or an occupational therapy assistant's license issued by the home state.

27 B. A remote state has the authority, in accordance with existing state due process
 28 law, to:

29 1. Take adverse action against an occupational therapist's or occupational
 30 therapy assistant's compact privilege within that member state.

31 2. Issue subpoenas for hearings and investigations that require the attendance
 32 and testimony of witnesses, as well as the production of evidence.

33 Subpoenas issued by a licensing board in a member state for the attendance

- 1 and testimony of witnesses or the production of evidence from another
2 member state must be enforced in the latter state by a court, according to
3 the practice and procedure of that court applicable to subpoenas issued in
4 proceedings pending before it. The issuing authority shall pay any witness
5 fees, travel expenses, mileage and other fees required by the state in which
6 the witnesses or evidence are located.
- 7 C. For purposes of taking adverse action, the home state shall give the same priority
8 and effect to reported conduct received from a member state as it would if the
9 conduct had occurred within the home state. In so doing, the home state shall
10 apply its own state laws to determine appropriate action.
- 11 D. The home state shall complete any pending investigations of an occupational
12 therapist or occupational therapy assistant who changes the primary state of
13 residence during the course of the investigations. The home state, in which the
14 investigations were initiated, may take appropriate action and shall promptly report
15 the conclusions of the investigations to the data system. The data system
16 administrator shall promptly notify the new home state of any adverse action.
- 17 E. A member state, if otherwise permitted by state law, may recover from the affected
18 occupational therapist or occupational therapy assistant the cost of the
19 investigations and disposition of cases resulting from any adverse action taken
20 against that occupational therapist or occupational therapy assistant.
- 21 F. A member state may take adverse action based on the factual findings of the
22 remote state, provided that the member state follows its own procedures for taking
23 the adverse action.
- 24 G. In addition to any authority granted to a member state by its respective state laws
25 and rules, a member state may participate with other member states in joint
26 investigations of licensees. A member state shall share any investigative, litigation,
27 or compliance material in furtherance of any joint or individual investigation
28 initiated under the compact.
- 29 H. If an adverse action is taken by the home state against an occupational therapist's
30 or occupational therapy assistant's license, the occupational therapist's or
31 occupational therapy assistant's compact privilege, in all other member states,
32 must be deactivated until all encumbrances have been removed from the state
33 license. All home state disciplinary orders that impose adverse action against an
34 occupational therapist's or occupational therapy assistant's license must include a
35 statement that the occupational therapist's or occupational therapy assistant's

1 compact privilege is deactivated in all member states during the pendency of the
2 order.

3 I. If a member state takes adverse action, it shall promptly notify the administrator
4 of the data system. The administrator of the data system shall promptly notify the
5 home state of any adverse action by a remote state.

6 J. Nothing in this compact overrides a member state's decision that participation in
7 an alternative program may be used in lieu of adverse action.

8 **Section 9. That a NEW SECTION be added:**

9 A. The compact member states hereby create and establish a joint public agency
10 known as the occupational therapy compact commission.

11 1. The commission is an instrumentality of the compact states.

12 2. Venue is proper and judicial proceedings by or against the commission may
13 only be brought in a court of competent jurisdiction where the principal
14 office of the commission is located. The commission may waive venue and
15 jurisdictional defenses to the extent it adopts or consents to participate in
16 alternative dispute resolution proceedings.

17 3. Nothing in this compact constitutes a waiver of sovereign immunity.

18 B. The following terms and conditions are also applicable:

19 1. Each member state has and is limited to one delegate selected by that
20 member state's licensing board;

21 2. The delegate must be:

22 a. A current member of the licensing board, who is an occupational
23 therapist, occupational therapy assistant, or public member; or

24 b. An administrator of the licensing board;

25 3. A delegate may be removed or suspended from office, as provided by the
26 law of the state from which the delegate is appointed;

2 communication, if permitted in the bylaws;
- 3 6. The commission shall meet at least once during each calendar year.
4 Additional meetings may be held as set forth in the bylaws; and

14 and administration of this compact, provided the rules shall have the force
15 and effect of law and are binding on all member states;
- 16 7. To bring and prosecute legal proceedings or actions in the name of the
17 commission, provided that the standing of any state occupational therapy
18 licensing board to sue or be sued under applicable law is not affected;
- 19 8. To purchase and maintain insurance and bonds;
- 20 9. To borrow, accept, or contract for services of personnel, including
21 employees of a member state;
- 22 10. To hire employees, elect or appoint officers, fix compensation, define duties,
23 grant such individuals authority to carry out the purposes of the compact,
24 and establish the commission's personnel policies and programs relating to
25 conflicts of interest, qualifications of personnel, and other related personnel
26 matters;
- 27 11. To accept donations and grants of money, equipment, supplies, materials
28 and services, and receive, utilize and dispose of the same, provided that
29 the commission shall avoid any appearance of impropriety and conflict of
30 interest;
- 31 12. Lease, purchase, accept gifts or donations of, or otherwise own, hold,
32 improve or use, any property, real, personal or mixed, provided that the
33 commission shall avoid any appearance of impropriety;

10 19. Perform such other functions as necessary or appropriate to achieve the
11 purposes of this compact, consistent with the state regulation of
12 occupational therapy licensure and practice.
13 D. The executive committee may act on behalf of the commission according to the
14 terms of this compact.
15 1. The executive committee is composed of:
16 a. Seven voting members who are elected by the commission from the
17 membership of the commission;
18 b. One ex-officio nonvoting member from a recognized national
19 occupational therapy professional association; and
20 c. One ex-officio nonvoting member from a recognized national

24 provided in the bylaws.

2 commission's legal counsel or designee shall certify that the meeting may
3 be closed and shall reference each relevant exempting provision; and
- 4 4. The commission shall keep minutes that fully and clearly describe all
5 matters discussed in a meeting and shall provide a full and accurate

9 in their official capacity, for any claim for damage to or loss of property or
10 personal injury or other civil liability caused by or arising out of any actual
11 or alleged act, error or omission that occurred, or that the person against
12 whom the claim is made had a reasonable basis for believing occurred within
13 the scope of commission employment, duties or responsibilities; provided
14 that nothing in this paragraph shall be construed to protect any such person
15 from suit and/or liability for any damage, loss, injury, or liability caused by
16 the intentional or willful or wanton misconduct of that person;

17 2. The commission shall defend any member, officer, executive director,
18 employee, or representative of the commission in any civil action seeking
19 to impose liability arising out of any actual or alleged act, error, or omission
20 that occurred within the scope of commission employment, duties, or
21 responsibilities, or that the person against whom the claim is made had a
22 reasonable basis for believing occurred within the scope of commission
23 employment, duties, or responsibilities; provided that nothing herein shall
24 be construed to prohibit that person from retaining his or her own counsel;
25 and provided further, that the actual or alleged act, error, or omission did
26 not result from that person's intentional or willful or wanton misconduct;
27 and

28 3. The commission shall indemnify and hold harmless any member, officer,
29 executive director, employee, or representative of the commission for the
30 amount of any settlement or judgment obtained against that person arising
31 out of any actual or alleged act, error, or omission that occurred within the
32 scope of commission employment, duties, or responsibilities, or that such
33 person had a reasonable basis for believing occurred within the scope of
34 commission employment, duties, or responsibilities, provided that the

1 actual or alleged act, error, or omission did not result from the intentional
2 or willful or wanton misconduct of that person.

3 **Section 10. That a NEW SECTION be added:**

4 A. The commission shall provide for the development, maintenance, and utilization of
5 a coordinated database and reporting system containing licensure, adverse action,
6 and investigative information on all licensed individuals in member states.

7 B. A member state shall submit to the data system a uniform data set on all
8 individuals to whom this compact is applicable, utilizing a unique identifier as
9 required by the rules of the commission, including:

10 1. Identifying information;

11 2. Licensure data;

12 3. Adverse actions against a license or compact privilege;

13 4. Non-confidential information related to alternative program participation;

14 5. Any denial of application for licensure, and the reason for the denial;

15 6. Other information that may facilitate the administration of this compact, as
16 determined by the rules of the commission; and

17 7. Current significant investigative information.

18 C. Current significant investigative information and other investigative information
19 pertaining to a licensee in any member state is available only to other member
20 states.

21 D. The commission shall promptly notify all member states of any adverse action
22 taken against a licensee or an individual applying for a license. Adverse action
23 information pertaining to a licensee in any member state is available to any other
24 member state.

25 E. A member state contributing information to the data system may designate
26 information that may not be shared with the public without the express permission
27 of the contributing state.

28 F. Any information submitted to the data system that is subsequently required to be
29 expunged by the laws of the member state contributing the information must be
30 removed from the data system.

31 **Section 11. That a NEW SECTION be added:**

- 1 A. The commission shall exercise its rulemaking powers pursuant to the criteria set
2 forth in this section and the rules adopted by the commission. Rules and
3 amendments become binding as of the date specified in each rule or amendment.
- 4 B. The commission shall promulgate rules to effectively and efficiently achieve the
5 purposes of the compact. If the commission exercises its rulemaking authority in
6 a manner that is beyond the scope of the purposes of the compact, or the powers
7 granted under the compact, such an action by the commission is invalid and has
8 no force and effect.
- 9 C. If a majority of the member state legislatures rejects a rule, by enactment of a
10 statute or resolution, in the same manner used to adopt the compact, within four
11 years of the date the rule is adopted, the rule has no further force and effect in
12 any member state.
- 13 D. A rule or an amendment to a rule must be adopted at a regular or special meeting
14 of the commission.
- 15 E. Prior to the promulgation and adoption of a final rule by the commission, and at
16 least thirty days in advance of the meeting at which the rule will be considered and
17 voted upon, the commission shall file a notice of proposed rulemaking:
- 18 1. On the commission's website or on another publicly accessible platform;
19 and
- 20 2. On the website of each member state's occupational therapy licensing
21 board, on another publicly accessible platform, or in the publication that
22 each state uses to publish proposed rules.
- 23 F. The notice of proposed rulemaking must include:
- 24 1. The proposed time, date, and location of the meeting at which the rule will
25 be considered and voted upon;
- 26 2. The text of the proposed rule or amendment and the reason for the
27 proposed rule;
- 28 3. A request for comments on the proposed rule; and
- 29 4. The manner in which interested individuals may submit notice to the
30 commission of their intention to attend the public hearing and offer written
31 comments.
- 32 G. Prior to adoption of a proposed rule, the commission shall allow persons to submit
33 written data, facts, opinions, and arguments, which must be made available to the
34 public.

- 1 H. The commission shall grant an opportunity for a public hearing before it adopts a
2 rule or amendment, if a hearing is requested by:
3 1. At least twenty-five persons;
4 2. A state or federal governmental subdivision or agency; or
5 3. An association or organization having at least twenty-five members.
6 I. If a hearing is held on the proposed rule or amendment, the commission shall
7 publish the place, time, and date of the scheduled public hearing. If the hearing is
8 held via electronic means, the commission shall publish the mechanism for access
9 to the electronic hearing.
10 1. Any person wishing to be heard at the hearing shall notify the executive
11 director of the commission or another designated member, in writing, of the
12 desire to appear and testify at the hearing, not less than five business days
13 before the scheduled date of the hearing.
14 2. Hearings must be conducted in a manner that provides each person who
15 wishes to comment a fair and reasonable opportunity to comment orally or
16 in writing.
17 3. All hearings must be recorded. A copy of the recording must be made
18 available upon request.
19 4. Nothing in this section may be construed as requiring a separate hearing on
20 each rule. Rules may be grouped for the convenience of the commission at
21 hearings required by this section.
22 J. Following the scheduled hearing date, or by the close of business on the scheduled
23 hearing date if the hearing was not held, the commission shall consider all written
24 and oral comments received.
25 K. If no written notice of intent to attend the public hearing by interested parties is
26 received, the commission may proceed with promulgation of the proposed rule,
27 without a public hearing.
28 L. The commission shall, by majority vote of all members, take final action on the
29 proposed rule and shall determine the effective date of the rule, if any, based on
30 the rulemaking record and the full text of the rule.
31 M. Upon determination that an emergency exists, the commission may consider and
32 adopt an emergency rule without prior notice, opportunity for comment, or
33 hearing, provided that the usual rulemaking procedures set forth in the compact
34 and in this section must be retroactively applied to the rule as soon as reasonably
35 possible, but no later than ninety days after the effective date of the rule. For the

1 purposes of this provision, an emergency rule is one that must be adopted
2 immediately in order to:

- 3 1. Meet an imminent threat to public health, safety, or welfare;
- 4 2. Prevent a loss of commission or member state funds;
- 5 3. Meet a deadline for the promulgation of an administrative rule that is
6 established by federal law or regulation; or
- 7 4. Protect public health and safety.

8 N. The commission or an authorized committee of the commission may direct
9 revisions to a previously adopted rule or amendment for purposes of correcting
10 typographical errors, errors in formatting, errors in consistency, or grammatical
11 errors. Public notice of any revisions must be posted on the website of the
12 commission. The revision is subject to challenge by any person for a period of thirty
13 days after posting. The revision may be challenged only on grounds that the
14 revision results in a material change to a rule. A challenge must be made in writing
15 and delivered to the chair of the commission, prior to the end of the notice period.
16 If no challenge is made, the revision takes effect without further action. If the
17 revision is challenged, the revision may not take effect without the approval of the
18 commission.

19 **Section 12. That a NEW SECTION be added:**

- 20 A. The following terms and conditions are also applicable:
- 21 1. The executive, legislative, and judicial branches of state government in each
22 member state shall enforce this compact and take all actions necessary and
23 appropriate to effectuate the compact's purposes and intent, provided, this
24 compact and the rules promulgated hereunder have standing as statutory
25 law;
 - 26 2. All courts shall take judicial notice of the compact and the rules in any
27 judicial or administrative proceeding in a member state pertaining to the
28 subject matter of the compact, which may affect the powers,
29 responsibilities, or actions of the commission; and
 - 30 3. The commission is entitled to receive service of process in any such
31 proceeding, and has standing to intervene in such a proceeding for all
32 purposes, provided a failure to provide service of process to the commission
33 renders a judgment or order void as to the commission, this compact, or
34 promulgated rules.

1 B. The following terms and conditions are also applicable:

2 1. If the commission determines that a member state has defaulted in the
3 performance of its obligations or responsibilities under this compact or the
4 promulgated rules, the commission shall:

5 a. Provide written notice to the defaulting state and other member
6 states regarding the nature of the default, the proposed means of
7 curing the default, and any other action to be taken by the
8 commission; and

9 b. Provide remedial training and specific technical assistance regarding
10 the default;

11 2. If a state in default fails to cure the default, the defaulting state may be
12 terminated from the compact upon an affirmative vote of a majority of the
13 member states, and all rights, privileges and benefits conferred by this
14 compact may be terminated on the effective date of termination, provided
15 a cure of the default does not relieve the offending state of obligations or
16 liabilities incurred during the period of default;

17 3. Termination of membership in the compact may be imposed only after all
18 other means of securing compliance have been exhausted;

19 4. Notice of intent to suspend or terminate must be given by the commission
20 to the governor, the majority and minority leaders of the defaulting state's
21 legislature, and each of the member states;

22 5. A state that has been terminated is responsible for all assessments,
23 obligations, and liabilities incurred through the effective date of termination,
24 including obligations that extend beyond the effective date of termination;

25 6. The commission may not bear any costs related to a state that is found to
26 be in default or that has been terminated from the compact, unless agreed
27 upon in writing between the commission and the defaulting state; and

28 7. The defaulting state may appeal the action of the commission by petitioning
29 the U.S. District Court for the District of Columbia or the federal district
30 where the commission has its principal offices, provided the prevailing
31 member must be awarded all costs of litigation, including reasonable
32 attorney's fees.

33 C. The following terms and conditions are also applicable:

- 1 1. Upon request by a member state, the commission shall attempt to resolve
 2 disputes related to the compact, which arise among member states and
 3 between member and non-member states; and
 4 2. The commission shall promulgate a rule providing for both mediation and
 5 binding dispute resolution for disputes as appropriate.
 6 D. The following terms and conditions are also applicable:
 7 1. The commission, in the reasonable exercise of its discretion, shall enforce
 8 the provisions and rules of this compact;
 9 2. By majority vote, the commission may initiate legal action in the United
 10 States District Court for the District of Columbia or the federal district where
 11 the commission has its principal offices against a member state in default
 12 to enforce compliance with the provisions of the compact and its
 13 promulgated rules and bylaws, provided the relief sought may include both
 14 injunctive relief and damages;
 15 3. If judicial enforcement is necessary, the prevailing member must be
 16 awarded all costs of litigation, including reasonable attorney's fees; and
 17 4. The remedies set forth in this section are not the exclusive remedies of the
 18 commission and the commission may pursue other remedies available
 19 under federal or state law.

20 **Section 13. That a NEW SECTION be added:**

- 21 A. The compact shall take effect on the date that the compact is enacted in the tenth
 22 member state. The provisions, which become effective at that time, are limited to
 23 the powers granted to the commission relating to assembly and the promulgation
 24 of rules. Thereafter, the commission shall meet and exercise rulemaking powers
 25 necessary to the implementation and administration of the compact.
 26 B. Any state that joins the compact after the initial adoption of the rules is subject to
 27 the rules as they exist on the date that the compact becomes law in that state.
 28 Any rule that was previously adopted by the commission has the full force and
 29 effect of law on the day the compact becomes law in that state.
 30 C. A member state may withdraw from this compact by repealing the enacting statute.
 31 1. A member state's withdrawal is not effective until six months after
 32 enactment of the repealing statute.
 33 2. Withdrawal does not affect the continuing requirement of the withdrawing
 34 state's occupational therapy licensing board to comply with the investigative

1 and adverse action reporting requirements of this compact prior to the
2 effective date of withdrawal.

3 D. Nothing contained in this compact invalidates or prevents any occupational therapy
4 licensure agreement or other cooperative arrangement between a member state
5 and a non-member state, provided it does not conflict with this compact.

6 E. This compact may be amended by the member states. No amendment to this
7 compact may become effective and binding upon any member state until it is
8 enacted into law by all the member states.

9 **Section 14. That a NEW SECTION be added:**

10 This compact must be liberally construed so as to effectuate its purposes. The
11 provisions of this compact are severable and if any phrase, clause, sentence, or provision
12 of this compact is declared to be contrary to the constitution of any member state or of
13 the United States, or the applicability to any government, agency, person, or circumstance
14 is held invalid, the validity of the remainder of this compact and the applicability of this
15 compact to any government, agency, person, or circumstance is not affected. If this
16 compact is held to be contrary to the constitution of any member state, the compact must
17 remain in full force and effect as to the remaining member states and in full force and
18 effect as to the member state affected as to all severable matters.

19 **Section 15. That a NEW SECTION be added:**

20 A. A licensee providing occupational therapy in a remote state under the compact
21 privilege shall function within the laws and rules of the remote state.

22 B. Nothing in this compact prevents the enforcement of any other law of a member
23 state, which is not inconsistent with the compact.

24 C. Any laws in a member state that are in conflict with this compact are superseded
25 to the extent of the conflict.

26 D. Any lawful actions of the commission, including all rules and bylaws promulgated
27 by the commission, are binding upon the member states.

28 E. All agreements between the commission and the member states are binding in
29 accordance with their terms.

30 F. If any provision of this compact exceeds the constitutional limits imposed on the
31 legislature of any member state, the provision is ineffective to the extent of the
32 conflict with the constitutional provision in question in that member state.
