

## Opposition to HB 1200 – De Knudson, Self, Sioux Falls

De Knudson, Self, Sioux Falls

I am De Knudson from Sioux Falls, a former city councilor, a Republican, and a League of Women Voters member for over forty years.

HB1200 is a bad idea and unnecessary. I am strongly opposed to this proposed legislation.

I have worked on constitutional amendments for years and know the process well. It is difficult to get important election reform issues on the ballot. The process works as is. The system is NOT broken.

Please reject this proposal.
