- (18) "Performance criteria developer," any person and the person's subcontractors retained by the purchasing agency to develop performance criteria;
- (19) "Professional services," services arising out of a vocation, calling, occupation, or employment involving specialized knowledge, labor, or skill, and the labor or skill involved is predominantly mental or intellectual, rather than physical or manual;
- (19A) "Prohibited entity," an organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates, of those entities or

- (26) "Resident," any person, partnership, association, limited liability company, foreign limited liability company, corporation, or foreign corporation licensed to do business within this state that has maintained a substantial and bona fide place of business and has conducted business from within this state for at least one year prior to the date on which a contract was awarded. The members of the partnership or association shall have been bona fide residents of the state for one year or more immediately prior to bidding upon the contract. A foreign corporation licensed pursuant to §§ 47-1A-1501 to 47-1A-1532, inclusive, is not a resident as defined

**Section 2. That chapter 5-18A be amended with a NEW SECTION:**

A purchasing agency may not execute a contract that is subject to § 5-18A-14, 5-18A-40, 5-18B-29, 5-18B-44, or 5-18D-17 with a prohibited entity. A purchasing agency may rely on a contractor's certification, made pursuant to section 3 of this Act, without conducting any further investigative research or inquiry.

**Section 3. That chapter 5-18A be amended with a NEW SECTION:**

A request for proposal, an invitation to bid, or any other document issued by a purchasing agency, with the intent of soliciting responses for the potential award of a contract, must include notice of the certification requirement of this section.

Each bidder or offeror shall, at the time a bid or offer is submitted, or at the time a contract that is subject to § 5-18A-14, 5-18A-40, 5-18B-29, 5-18B-44, or 5-18D-17 is awarded or renewed, certify, in writing, that the bidder or offeror is not a prohibited entity.

If at any time thereafter, any party to a contract subject to § 5-18A-14, 5-18A-40, 5-18B-29, 5-18B-44, or 5-18D-17 becomes a prohibited entity, that party must provide written notification to the purchasing agency. Upon receiving the notification, the agency may terminate the contract.

**Section 4. That chapter 5-18A be amended with a NEW SECTION:**

The commissioner of the Bureau of Administration, or the commissioner's designee, or the governing board of a unit of local government, as applicable, may waive the prohibition set forth in section 2 of this Act and the certification required in section 3 of this Act, except as prohibited by federal law, if:

- (1) Compliance is not possible;
- (2) The supplies or services subject to the contract are unique or would be otherwise unavailable; or
- (3) There is no other market participant.

**Section 5. That chapter 5-18A be amended with a NEW SECTION:**

Any certification that falsely indicates a person is not a prohibited entity at the time of certification, and any failure to provide written notification to the purchasing agency that a person has become a prohibited entity as required by section 3 of this Act, is cause to suspend or debar a business under § 5-18D-12.

An Act to prohibit purchasing agencies from contracting with companies owned or controlled by certain foreign entities or governments.
