 15       Commission.

- 16
- 17
- 18       A. Oversight
- 19           1. The Executive, Legislative and Judicial branches of state government in  
 20           each Compact State shall enforce this Compact and take all actions  
 21           necessary and appropriate to effectuate the Compact's purposes and intent.  
 22           The provisions of this Compact and the rules promulgated hereunder shall  
 23           have standing as statutory law.
- 24           2. All courts shall take judicial notice of the Compact and the rules in any  
 25           judicial or administrative proceeding in a Compact State pertaining to the  
 26           subject matter of this Compact which may affect the powers, responsibilities  
 27           or actions of the Commission.
- 28           3. The Commission shall be entitled to receive service of process in any such  
 29           proceeding, and shall have standing to intervene in such a proceeding for

- 33       B. Default, Technical Assistance, and Termination

- 1           1. If the Commission determines that a Compact State has defaulted in the

12          Compact States, and all rights, privileges and benefits conferred by this  
13          Compact shall be terminated on the effective date of termination. A remedy  
14          of the default does not relieve the offending state of obligations or liabilities  
15          incurred during the period of default.
- 16          3. Termination of membership in the Compact shall be imposed only after all  
17          other means of securing compliance have been exhausted. Notice of intent  
18          to suspend or terminate shall be submitted by the Commission to the

22          assessments, obligations and liabilities incurred through the effective date  
23          of termination, including obligations which extend beyond the effective date  
24          of termination.
- 25          5. The Commission shall not bear any costs incurred by the state which is  
26          found to be in default or which has been terminated from the Compact,  
27          unless agreed upon in writing between the Commission and the defaulting  
28          state.
- 29          6. The defaulting state may appeal the action of the Commission by petitioning  
30          the U.S. District Court for the State of Georgia or the federal district where  
31          the Compact has its principal offices. The prevailing member shall be  
32          awarded all costs of such litigation, including reasonable attorney's fees.

3 between Compact and Non-Compact States.

4 2. The Commission shall promulgate a rule providing for both mediation and  
5 binding dispute resolution for disputes that arise before the commission.

6 D. Enforcement

7 1. The Commission, in the reasonable exercise of its discretion, shall enforce  
8 the provisions and Rules of this Compact.

9 2. By majority vote, the Commission may initiate legal action in the United  
10 States District Court for the State of Georgia or the federal district where  
11 the Compact has its principal offices against a Compact State in default to  
12 enforce compliance with the provisions of the Compact and its promulgated  
13 Rules and Bylaws. The relief sought may include both injunctive relief and  
14 damages. In the event judicial enforcement is necessary, the prevailing  
15 member shall be awarded all costs of such litigation, including reasonable  
16 attorney's fees.

17 3. The remedies herein shall not be the exclusive remedies of the Commission.  
18 The Commission may pursue any other remedies available under federal or  
19 state law.

27 assembly and the promulgation of rules. Thereafter, the Commission shall meet  
28 and exercise rulemaking powers necessary to the implementation and  
29 administration of the Compact.

31 of the rules shall be subject to the rules as they exist on the date on which the  
32 Compact becomes law in that state. Any rule which has been previously adopted  
33 by the Commission shall have the full force and effect of law on the day the  
34 Compact becomes law in that state.

11 Compact State and a Non-Compact State which does not conflict with the  
12 provisions of this Compact.

13 E. This Compact may be amended by the Compact States. No amendment to this  
14 Compact shall become effective and binding upon any Compact State until it is  
15 enacted into the law of all Compact States.
