13 order, except the name of the speaker of the House, which shall be last.

27 The presiding officer shall then direct the chief clerk to unlock the voting system and announce,
28 "The House will now proceed to vote."

5 **LEGISLATIVE CODE OF CONDUCT**

6 **1B-1. Maintenance of ethical standards.** The people of South Dakota require that their
7 legislators maintain the highest of moral and ethical standards as such standards are essential to
8 assure the trust, respect and confidence of our citizens. Legislators have a solemn responsibility to
9 avoid improper behavior and refrain from conduct that is unbecoming to the Legislature or that is
10 inconsistent with the Legislature's ability to maintain the respect and trust of the people it serves.
11 While it is not possible to write rules to cover every circumstance, each legislator must do everything
12 in his or her power to deal honorably with the public and with his or her colleagues and must promote
13 an atmosphere in which ethical behavior is readily recognized as a priority and is practiced
14 continually, without fail.

15 **1B-2. Compliance with specified requirements.** Each legislator will comply with all
16 Constitutional and statutory requirements regarding conflicts of interest. Legislators will timely file
17 all required disclosure statements including Statements of Organization, Campaign Finance Reports
18 and Statements of Financial Interest. Legislators must also avoid any conflict of interest which would
19 interfere with their duties and responsibilities as legislators, interfere with the exercise of their best
20 judgment in support of the State of South Dakota or create an improper personal benefit.

21 **1B-3. Professional conduct and civility.** The South Dakota Legislature will strengthen and
22 sustain an atmosphere of professional conduct and civility among its members and with all staff and
23 will not tolerate harassment or offensive behavior based on race, color, religion, national origin,
24 gender, age, or disability. Harassing or offensive behavior may include the use of electronic
25 communications through social media or otherwise, whether actual or attempted. Legislators must
26 refrain from any and all such harassment or offensive conduct. This prohibition against harassment
27 also encompasses sexual harassment including unwelcome sexual advances, requests for sexual
28 favors, and other verbal, non-verbal, or physical conduct of a sexually harassing nature, when:
29 (1) submission to the harassment is made either explicitly or implicitly a term or condition of
30 employment or other employment determinations, or (2) the harassment has the purpose or effect
31 of unreasonably interfering with an individual's work performance or creates an intimidating, hostile,
32 or offensive working environment.

33 **1B-3.1. Sexual contact prohibited.** No legislator or legislative employee may have sexual
34 contact with any legislative intern or page, and no legislative intern may have sexual contact with a
35 page.

36 **1B-3.2. Sexual harassment prohibited.** All members are responsible for ensuring that the
37 workplace is free from sexual harassment. All members shall avoid any action or conduct that could
38 be viewed as sexual harassment. A member shall report any sexual harassment complaint to the
39 president pro tempore or the speaker according to which house the member belongs. If the situation
40 is not resolved, the member shall forward the complaint to the Executive Board of the Legislative
41 Research Council.

42 **1B-4. Action in event of violation.** Failure to observe the highest standards of public conduct
43 will subject a legislator to appropriate action, pursuant to the rules of the respective house.

32 **2-3. Procedure after a call of the house.** When a call of the house is ordered, the doors
 33 must be closed and the absentees noted. No member may leave the room until permission is given

8 **3-3. Office of Engrossing and Enrolling.** The Legislative Research Council shall perform all
9 engrossing and enrolling duties. In addition, each house may hire secretaries necessary to conduct
10 the business of the standing committees. Any secretary appointed to a committee is responsible to
11 the committee chair. In each house, a secretary is provided to the majority and minority parties.

12 **3-4. Engrossing and enrolling.** The engrossing and enrolling duties of the Legislative
13 Research Council are:

14 (1) To engross and enroll all bills delivered to them;

15 (2) To provide and supervise secretarial assistance to legislators as requested;

16 (3) To collect from the secretaries of all standing and special committees the minutes of such
17 committees and retain them in the Legislative Research Council Library; and

18 (4) To correct clerical errors, with the consent of the code counsel, in any bill. Clerical errors
19 which may be corrected are: errors in spelling, errors in numbering sections, errors of
20 omission or commission due to addition or deletion of material, and errors due to copying
21 incorrectly from the most recent statute. The code counsel shall inform the principal
22 sponsor of each correction.

23 **3-5. Chaplains.** The chief chaplain shall schedule a chaplain to serve in each house for each
24 legislative day. The duty of the chaplain of each house is to open each day's session with a prayer.

25 **3-6. Disputes or complaints involving a legislative session employee.** Any dispute or
26 complaint involving the competency or decorum of a legislative session employee, including any

29 **3-7. Sexual harassment prohibited.** All employees are responsible for ensuring that the
30 workplace is free from sexual harassment. All employees shall avoid any action or conduct which

42 complaints which are made on a timely basis under the provisions of this section.

43 **CHAPTER 4.**

44 **ORDER OF BUSINESS**

45 **4-1. Daily order of business.** After call to order, the daily order of business shall be as
46 follows:

47 (1) Prayer by the chaplain and pledge of allegiance;

16 To revert to an old order of business or to pass to a new order of business requires a majority
 17 vote of the members present. Any message or communication from the Governor or other state
 18 officer may be received at any time.

19 **4-2. Special orders.** Any bill, resolution, memorial or other subject matter may be made a
 20 special order for some subsequent time by a majority vote of the members present.

21 **4-3. Order of bills and resolutions.** Each bill and resolution up for consideration under any
 22 order of business shall be listed and taken up in the order in which it is listed on the daily calendar
 23 unless otherwise ordered by a majority of the members present.

24 CHAPTER 5.

25 MOTIONS

26 **5-1. Entertainment of motions.** No motion may be entertained and debated until it is
 27 seconded. Following the second of a debatable motion, the presiding officer of a floor session shall
 28 first recognize the member making the motion.

29 **5-1.1. Repealed.**

30 **5-2. Restatement and reading of motions.** When a motion is made and seconded, the
 31 presiding officer of the floor session shall restate the motion, and, if requested by the presiding
 32 officer or a member, the motion must be displayed electronically or reduced to writing and read
 33 aloud.

34 **5-2.1. Provision of copies of motions.** If a motion to amend is displayed electronically or
 35 offered in writing or if each member of the body has been given a copy of the motion, the reading
 36 of that motion is automatically waived.

37 **5-2.2. Withdrawal of motions.** After a motion is stated by the presiding officer of the floor
 38 session, it may not be withdrawn without unanimous consent of the members present.

39 **5-3. Priority of motions.** When a question is under debate, no motion may be made except
 40 the following motions which have precedence in the order listed:

- 41 (1) To adjourn; (nondebatable)
- 42 (2) To recess;
- 43 (3) To call the house;
- 44 (4) To lay on the table; (nondebatable)
- 45 (5) To call the previous question; (nondebatable)
- 46 (6) To defer indefinitely;
- 47 (7) To defer to a day certain;
- 48 (8) To refer to committee;
- 49 (9) To amend.

1 **5-4. Priority of motion for adjournment.** A motion for adjournment is always in order,
2 unless the roll is being called or the previous question has been ordered, and shall be decided
3 without debate.

4 **5-5. Application and nondebatability of motions to lay on the table.** A motion to lay on
5 the table which effects a disposition on the merits of any bill or resolution requires the vote of a
6 majority of the members-elect to carry and shall be decided without debate. Any other motion to
7 lay on the table requires the vote of a majority of the members present and shall be decided without
8 debate. No member may make introductory remarks prior to making a motion to lay on the table.

9 **5-5.1. Scope of motions to lay on the table.** A motion to lay on the table may be made so
10 as to apply either to the main question or to a proposed amendment or to the bill and all pending
11 amendments, and the motion shall clearly state to which it is intended to apply.

12 **5-5.2. Motion to take from the table.** Whenever any bill or resolution is laid on the table, it
13 requires a majority vote of the members-elect to take it from the table. The motion to take from
14 the table is debatable.

15 **5-5.3. Scope of motion to defer to day certain beyond sine die.** The rules pertaining to
16 motions to table and to defer to a day certain beyond sine die shall be the same except that a motion
17 to defer to a day certain beyond sine die is debatable.

18 **5-6. Motion to call the previous question.** A motion for the previous question shall be
19 decided immediately by a majority of the members present and without debate. The motion shall
20 clearly indicate the question to which it applies. No member may make introductory remarks prior
21 to making a motion to call the previous question. The effect of adopting a motion to call the previous
22 question is to close debate, to prevent the moving of amendments or other subsidiary motions, and
23 to bring to vote immediately the question to be voted upon. The effect of defeating a motion to call
24 the previous question is to allow continuation of debate on the question before the house.

25 **5-7. Priority of vote after call of the previous question.** After a motion to call the previous
26 question has prevailed, it is not in order to move a call of the house or to move to adjourn, prior to
27 a decision of the question before the house.

28 **5-8. Dilatory motions to defer or refer.** If a motion to defer to a day certain, to defer
29 indefinitely or to refer to committee is decided in the negative, such motion is not again in order at
30 the same stage of consideration of the bill or proposition.

31 **5-8.1. Motion to defer indefinitely or to the 41st day as final action.** A motion to defer
32 indefinitely or to the 41st day requires the vote of a majority of the members-elect.

33 **5-9. Division of the question.** Any member may call for a division of the question. The
34 presiding officer of the floor session shall divide the question if it contains questions so distinct that,
35 one being taken away, the rest may stand as a separate proposition. A member may not call for the
36 division of a bill.

37 **5-10. Motions to strike the enacting clause.** A motion to strike the enacting clause of a bill
38 has precedence to a motion to amend, and if carried, is equivalent to the rejection of the bill.

39 **5-11. Notice of intention to reconsider.** Notice of intention to move for reconsideration
40 shall be made before the body proceeds to the next item of business. If any member fails to give
41 notice of intention to reconsider, the vote on a question shall be deemed to have been moved for
42 reconsideration and such motion for reconsideration to have been laid on the table.

43 **5-11.1. Motions to reconsider.** Having given notice of intent to reconsider, the member
44 giving notice may move to reconsider the question not later than the next legislative day, except as
45 provided in Joint Rule 5-13. Any motion to reconsider shall be made under order of business No. 8,
46 except as provided in Joint Rule 5-13, and takes precedence over all other motions except to recess
47 or to adjourn. No motion to reconsider the same question may be made twice in the same house
48 without unanimous consent. Every motion to reconsider shall be decided by a majority vote of the

1 members-elect on a roll call vote. No question may be reconsidered except the final disposition of
 2 bills and joint resolutions and the override of vetoes. No motion to lay on the table is subject to
 3 reconsideration. If a motion to reconsider a question is approved, the question shall be immediately
 4 reconsidered unless there is a motion to defer.

5 **5-12. Failure to make timely motion for reconsideration.** If any member has given notice
 6 of intent to move for reconsideration and does not move for reconsideration before the stated
 7 deadline, the presiding officer of the floor session shall immediately state that any member may
 8 move for reconsideration.

9 **5-13. Motion for reconsideration during final legislative days.** During the seven final
 10 legislative days, any member who has given notice of intent to move for reconsideration shall make
 11 such motion at a time prior to the conclusion of business on the legislative day that the question
 12 sought to be reconsidered was acted upon. Such motion may be made at any time prior to
 13 adjournment.

14 **5-13.1. Immediate consideration of emergency measures.** If the only reason a bill
 15 requires a two-thirds majority of members-elect for passage is that it contains an emergency clause,
 16 and if the affirmative vote for the bill is less than two-thirds but more than one-half of the members-
 17 elect, the vote shall be immediately reconsidered.

18 **5-14. Germaneness of amendments.** No motion to amend a bill is in order unless it is
 19 germane to the subject as expressed in the title of the bill.

20 **5-15. Order of motions.** All questions, other than privileged motions as listed in Joint Rule 5-
 21 3, shall be put in the order they are moved.

22 **5-16. Limitations on number of motions to amend and substitute motions.** When a
 23 motion or proposition is under consideration, a motion to amend and a motion to amend that
 24 amendment is in order. It is also in order to offer a further amendment as a substitute, but such
 25 substitute is not subject to amendment.

26 **5-17. Motion to delay action on amendments.** Final action upon any amendment to a bill
 27 or resolution may not be had until the next legislative day, if a request for delay is made and is
 28 supported by at least one-fifth of the members. However, no such request is in order after the
 29 deadline prescribed by Joint Rule Chapter 17. This rule cannot be invoked more than two times on
 30 the same bill in each house.

31 **5-17.1. Motion to delay action on amendments is nondebatable.** No member invoking
 32 Joint Rule 5-17 may speak to the merits of the amendment or make any other introductory remarks.

47 consideration to the financial affairs of the retirement funds and shall recommend revisions in
48 financial provisions and methods of amortizing the accrued liabilities of such funds without

RULES

7-1. Committee procedure--Relaxed debate. The rules of procedure in a committee are the same as the rules of the body insofar as the rules are applicable to committee procedure. However, as conditions permit, the rules limiting debate may be relaxed to allow free discussion and to facilitate the work of the committee. Discussion and debate may be permitted by the chair on an amendment that has not been moved.

7-1.1. Subcommittees. The president pro tempore of the Senate, speaker of the House or a chair of a standing committee may designate subcommittees, the number of members to serve on each subcommittee, the chair of each subcommittee, the members of the subcommittee, and the period of time the subcommittee shall serve.

7-1.2. Committee action on bills and resolutions. Unless otherwise ordered under Joint Rule 6D-1, all bills or resolutions shall be referred to one of the standing committees. The chair of a standing committee may then assign a bill or resolution to a subcommittee of that standing committee. All subcommittees shall return such bills or resolutions as are assigned to them for consideration, to the standing committee with or without recommendation and within the time which will permit the full standing committee to act upon the bill or resolution.

7-1.3. Meetings open to public. Subject to Article III, Section 15 of the Constitution, all committee or subcommittee meetings shall be open to the public.

7-1.4. Posting of agendas. Agendas of the bills, resolutions, and other proposals to be considered at any meeting of a standing committee or subcommittee, excepting committee bill introductions, shall be posted on the bulletin board of the respective house. At least one legislative day shall intervene between the date of posting and the date of consideration. An agenda must be posted by 5 p.m. in order to allow for an intervening legislative day. However, if a day of legislative recess intervenes between the date of posting and the date of consideration, the requirement of posting is fulfilled if posting is made by 5 p.m. on the day before the legislative recess.

This rule does not apply to:

- (1) Consideration of a bill or resolution for which action is required pursuant to Joint Rule 7-7;
or
- (2) Any bills or resolutions for consideration in an afternoon committee meeting that were on the committee's agenda for its morning meeting on the same day.

The term, consideration, means any taking of testimony by the committee, questioning by the committee, holding of committee discussion, or committee final action on a bill, resolution, or other proposal.

7-1.5. Consideration of matters not posted. A two-thirds majority of the committee members present may bring a matter up for consideration at any time.

7-1.6. Final disposition required on all legislative proposals. A standing committee shall take final disposition on each legislative proposal submitted for committee consideration.

7-1.7. Vote requirement. Final disposition on a bill or resolution requires a majority vote of the committee members-elect taken by roll call.

1 **7-1.8. Final disposition.** Final disposition is any action which moves a bill out of a committee
2 to the floor of a house or to another committee or which removes it from further consideration by
3 the committee. Examples of final disposition include "Do Pass," "Do Pass, Amended," "Refer to
4 Another Committee," "Lay on the Table," and "Defer to 41st Day."

5 **7-1.9. Attachment of amendments to bills or resolutions reported unfavorably.** Unless
6 a bill has been ordered to be delivered pursuant to Joint Rule 7-7, a committee may amend a bill or
7 resolution that it reports "Do Not Pass" or "Without Recommendation."

8 **7-1.10. Amendment of a previously tabled bill.** If a bill is removed from the table and
9 amended so that it requires a title amendment, the title must be amended and then the bill reported
10 for a new hearing pursuant to Joint Rule 7-1.4, unless placed by Joint Rule 7-1.5.

11 **7-2. Committee reports.** Each committee shall report final committee actions on legislative
12 proposals. The chair of a committee shall electronically approve the reports of the committee and
13 present them to the body when the call for committee reports is made. The chair is responsible for
14 the accuracy and propriety of the chair's statements and shall answer any questions pertaining to
15 the report. This rule does not prohibit the committees on legislative procedure from reporting at any
16 time. Formal actions shall be reported to the body not later than the next legislative day in an
17 informational committee report which is printed in the daily journal.

18 **7-3. Reports of select committees.** Select committees to which matters are referred shall
19 in all cases report a statement of facts and their opinion on the matters to the body.

20 **7-4. Dissenting reports.** If the members of a committee cannot agree on its report, the
21 majority and minority may each make a report. Any member dissenting in whole or in part from the
22 reasoning and conclusions of both majority and minority may also present a statement of the
23 member's reasoning and conclusions. All reports must be entered in the journal if found by the
24 presiding officer of the floor session to be decorous in language and respectful to the house.

25 **7-5. Filing of committee minutes.** The minutes of all standing committees shall be prepared
26 and filed on a computerized legislative information system. Computer terminals shall be available in
27 the Presidents' and Speakers' lobbies of the capitol.

28 **7-6. Contents of committee minutes.** Minutes of standing committees filed pursuant to
29 Joint Rule 7-5 shall contain the number of each proposal considered; the title or a brief summary of
30 each proposal's major provisions; the committee's action, if any, on each proposal, including a brief
31 minority report if requested by any committee member; a record of how each committee member
32 voted when action was taken, including votes on motions to postpone consideration of proposals;
33 and a list of all persons testifying before the committee on each proposal and the interest they
34 represent. Minutes of budget hearings conducted by an appropriations committee may contain a
35 synopsis of testimony received. Minutes shall be open to the public for inspection.

36 **7-7. Demand for delivery of bill or resolution to house--"Smoke-out."** Each house may
37 by motion order its committee to deliver a bill or resolution under its consideration to that house if
38 no more than three legislative days have passed since the committee reported that the bill or
39 resolution was tabled or deferred to the 41st legislative day. If the motion is supported by the vote
40 of one-third or more of the members-elect, the chair of the committee shall, not later than the next
41 legislative day, deliver the bill or resolution to the house without recommendation in the same form
42 the bill or resolution was in when it was tabled or deferred to the 41st legislative day.

43 **7-7.1. Committee recommendation of "smoked-out" bill or resolution.** If a bill or
44 resolution is tabled or deferred to the 41st legislative day by a committee that does not have all
45 members of that committee present, and the bill or resolution is subsequently subject to Joint Rule
46 7-7, the chair may convene a meeting of the committee with all members of the committee present
47 to consider whether to recommend "Do Pass" or "Do Not Pass" on the bill or resolution. If a majority
48 of all members of the committee do not vote in favor of a "Do Pass" or "Do Not Pass"
49 recommendation on the bill or resolution, the chair shall deliver the bill or resolution in accordance
50 with Joint Rule 7-7.

1 **7-8. Placement of "smoked-out" bill or resolution on calendar.** If Joint Rule 7-7 is
2 invoked for a bill or resolution on the last day for passage out of the applicable house, the bill or
3 resolution must be delivered to the House of Representatives or Senate pursuant to Joint Rules 7-7
4 and 7-7.1, as applicable, on the same legislative day. If reported out of committee pursuant to
5 Joint Rule 7-7.1 with a "Do Pass" recommendation, the bill or resolution is placed on that day's
6 calendar, Chapter 6F notwithstanding. If reported out under Joint Rule 7-7 or out of committee
7 pursuant to Joint Rule 7-7.1 with a "Do Not Pass" recommendation or "without recommendation,"
8 the bill or resolution is to be addressed under motions and resolutions and may, by motion approved
9 by a majority of the members-elect of the House of Representatives or Senate, be placed on that
10 day's calendar, Chapter 6F notwithstanding.

11 **7-9. Calendar committee.** The calendar committee in the Senate consists of the president
12 pro tempore, the Senate majority leader, and the Senate minority leader. The calendar committee
13 in the House consists of the speaker of the House, the House majority leader, and the House minority
14 leader. The committee shall determine the daily legislative calendar.

15 **7-10. Co-chairs of joint committees.** Chairs of standing committees operating and voting
16 as joint committees shall serve as co-chairs of the joint committees.

17 **7-11. Introduction of general appropriation bill.** Any general appropriation bill shall be
18 introduced in the House of Representatives in even-numbered years and in the Senate in odd-
19 numbered years.

20 **7-11.1. Selection of revenue targets.** The Joint Committee on Appropriations shall select
21 general fund revenue targets for the current and next fiscal years by February 15th for the purpose
22 of setting appropriations. The Committee may subsequently adjust the general fund revenue
23 targets.

24 **7-12. Joint committee on appropriations.** The Joint Committee on Appropriations,
25 consisting of the Senate and House Committees on Appropriations, is deemed to be a standing
26 committee of the Senate and House of Representatives for the limited purposes of introducing,
27 hearing, or acting on:

- 28 (1) Agency or other budget presentations;
- 29 (2) Bills authorizing the sale of state property;
- 30 (3) Bills appropriating money; or
- 31 (4) Bills adjusting school district property tax levies.

32 **7-12.1. Joint committee on appropriations action.** All Joint Committee on Appropriations
33 action shall be approved by a majority vote of the Joint Committee unless a member calls for a
34 separate vote of the House Committee on Appropriations and the Senate Committee on
35 Appropriations in which case a majority vote of each committee is required to adopt the action.

36 **7-12.2. Joint committee on appropriations agenda.** Each agenda for the Joint Committee
37 on Appropriations shall be electronically approved by the chair of the Senate Committee on
38 Appropriations and the chair of the House Committee on Appropriations. The respective vice chair
39 of each committee may electronically approve the agenda in the absence of the chair.

40 **7-13. Entertainment of motions.** No motion may be debated until it is seconded. Following
41 the second of a debatable motion, the chair shall first recognize the member making the motion.
42 See House Rule H3-2 regarding introductory remarks prior to making a motion in a House
43 committee.

44 **7-14. Restatement and reading of motions.** When a motion is made and seconded, it shall
45 be restated by the chair.

46 **7-15. Withdrawal of motions.** After a motion is stated by the chair, it may not be withdrawn
47 without consent of the members who made and seconded the motion.

1 **7-16. Motions.** When a question is under debate, no motion may be made except the following
2 motions:

- 3 (1) Adjourn; (nondebatable)
- 4 (2) Recess;
- 5 (3) Call the previous question; (nondebatable)
- 6 (4) Lay on the table; (nondebatable)
- 7 (5) Defer to the 41st day;
- 8 (6) Do pass;
- 9 (7) Do pass, amended;
- 10 (8) Do not pass;
- 11 (9) Do not pass, amended;
- 12 (10) Without recommendation;
- 13 (11) Without recommendation, amended;
- 14 (12) Defer to a day certain;
- 15 (13) Refer to another committee;
- 16 (14) Refer to another committee, amended;
- 17 (15) Refer to another committee, with or without recommendation;
- 18 (16) Do adopt;
- 19 (17) Do concur;
- 20 (18) Amend;
- 21 (19) Approve or amend minutes; and
- 22 (20) Appoint a subcommittee.

23 **7-17. Application and nondebatability of motions to lay on the table.** A motion to lay
24 on the table which effects a disposition on the merits of any bill or resolution requires the vote of a
25 majority of the committee members-elect to carry and shall be decided without debate. No other
26 motion may be made until the members have voted on the motion to lay on the table. Any other
27 motion to lay on the table requires the vote of a majority of the committee members present and
28 shall be decided without debate. No committee member may make introductory remarks prior to
29 making a motion to lay on the table.

30 **7-18. Scope of motions to lay on the table.** A motion to lay on the table may be made so
31 as to apply either to the main question or to a proposed amendment or to the bill and all pending
32 amendments, and the motion shall clearly state to which it is intended to apply.

33 **7-19. Motion to take from the table or to reconsider the bill.** Whenever any bill or
34 resolution is laid on the table or deferred to a day certain beyond sine die, it requires a majority
35 vote of the committee members-elect to take it from the table or to reconsider the bill or resolution
36 which was deferred. The motion to take from the table or to reconsider is debatable.

37 **7-20. Scope of motion to defer to day certain beyond sine die.** The rules pertaining to
38 motions to table and to defer to a day certain beyond sine die shall be the same except that a motion
39 to defer to a day certain beyond sine die is debatable.

40 **7-21. Motion to call the previous question.** A motion for the previous question shall be
41 decided immediately by a majority of the committee members present and without debate. The
42 motion shall clearly indicate the question to which it applies. No committee member may make
43 introductory remarks prior to making a motion to call the previous question. The effect of adopting
44 a motion to call the previous question is to close debate, to prevent the moving of amendments or
45 other subsidiary motions, and to bring to vote immediately the question to be voted upon. The effect
46 of defeating a motion to call the previous question is to allow continuation of debate on the question
47 before the committee.

48 **7-22. Priority of vote after call of the previous question.** After a motion to call the
49 previous question has prevailed, it is not in order to move to adjourn, prior to a decision of the
50 question before the committee.

51 **7-23. Dilatory motions to defer or refer.** If a motion to defer to a day certain, to defer
52 indefinitely or to refer to another committee is decided in the negative, such motion is not again in
53 order at the same stage of consideration of the bill or proposition.

1 **7-24. Motion to postpone as final action.** A motion to defer indefinitely or to a date beyond
2 the sine die adjournment of the Legislature requires the vote of a majority of the committee
3 members-elect.

4 **7-25. Germaneness of amendments.** No motion to amend a bill is in order unless it is
5 germane to the subject as expressed in the title of the bill.

6 **7-26. Limitations on number of motions to amend and substitute motions.** When a
7 motion or proposition is under consideration, a motion to amend and a motion to amend that
8 amendment is in order. It is also in order to offer a further amendment as a substitute, but such
9 substitute is not subject to amendment.

10 **7-27. Division of the question.** Any member may call for a division of the question. The
11 chair shall divide the question if it contains questions so distinct that, one being taken away, the
12 rest may stand as a separate proposition. A member may not call for the division of a bill.

13 **7-28. Committee procedure - Remote electronic testimony.** During any regular or special
14 session of the Legislature, a committee chair may permit a person to appear from a remote site and
15 give testimony before the committee by electronic audio or video means. A person shall make a
16 request to the committee chair to give testimony under this section at least twenty-four hours before
17 the start of the committee meeting. The committee chair may waive this requirement if the chair
18 deems the person's testimony necessary for immediate committee discussion.

19 **7-29. Repealed.**

20 **CHAPTER 8.**
21 **CONFERENCE COMMITTEES**

22 **8-1. Appointment and composition of conference committees.** In every case of
23 disagreement between the two houses, if either house requests a conference and appoints a
24 committee for that purpose, the other house shall appoint a committee to confer with a like
25 committee of the other house upon the subject of the disagreement, and to report back to its house
26 of appointment. Each conference committee shall consist of three members of each house. The
27 members from the House of Representative shall be appointed by the speaker of the House and the
28 members from the Senate shall be appointed by the president pro tempore of the Senate. Insofar
29 as possible, members appointed to conference committees shall be representative of the decision
30 within the house upon the issue under consideration.

31 **8-2. Conference committee meetings, committee reports, and reports must be**
32 **germane.** Conference committees shall meet in open session, and minutes shall be taken and
33 prepared in a like manner as provided for in Joint Rule 7-6. The presiding officer of the floor session
34 of the house of origin shall announce to that body the time and location of each conference
35 committee meeting. The co-chairs of each conference committee shall report the results of each
36 meeting to the body in a conference committee report electronically approved by both. The
37 conference committee report must be germane to the title of the bill as submitted to the conference
38 committee. The adoption of any conference committee report must be approved by the recorded
39 affirmative vote of at least two members from each house.

40 **8-3. Final disposition of report and distribution of reports.** Adoption of a conference
41 committee report recommending passage of a bill or adoption of a resolution constitutes final
42 disposition. The vote required to concur in the amendments of the other House or to adopt a
43 conference committee report is the same as that required for final passage of the bill or resolution
44 taking such bill or resolution as a whole. Before the final vote on the adoption of a conference
45 committee report may be taken, any member of the body may require that the report be made
46 available in electronic form or be distributed in written form to the members of the body, if not
47 available in electronic form.

48 **8-4. Member may move to not appoint a subsequent conference committee--Final**
49 **disposition.** However, if a conference committee report is not adopted, any member may move

1 not to appoint a new conference committee. If that motion prevails it constitutes final disposition of
2 that bill or resolution.

3 **CHAPTER 9.**
4 **COMMITTEE OF THE WHOLE**

5 **9-1. Designation of committee of the whole chair.** If either house sits as a committee of
6 the whole, the president pro tempore in the Senate and the speaker in the House of Representatives
7 shall name a member as chair of the house concerned, who shall be vested with all the authority of
8 that house's presiding officer while the committee of the whole is in session.

9 **9-2. Rules of the committee of the whole.** The rules observed by the house concerned
10 shall govern as far as practicable, except that:

- 11 (1) The yeas and nays may not be called;
12 (2) The previous question may not be enforced; and
13 (3) The time of speaking may not be limited.

14 **9-3. Adjournment of the committee of the whole.** A motion that the committee rise is
15 always in order and shall be decided without debate.

17 RULES

18 **12-1. Voting required, exceptions, passes.** Each member who is in the chamber when a
19 question is put shall vote unless the body excuses the member. A member may pass only once on
20 any roll call vote.

21 **12-2. Voting restrictions.** No member may vote on any question unless within the chamber
22 and voting before the result of the vote is announced.

23 **12-3. Voting procedures.** Questions shall be put in this form: "As many as favor the
24 question, as stated, say 'Yea'; as many as are opposed to the question, as stated, 'Nay'." If the
25 presiding officer of a floor session doubts the result of a vote or if a division is called for, the members
26 shall divide. Those in the affirmative shall rise from their seats and remain standing until counted.
27 A vote of "aye" or "yes" shall be recorded as "yea" and a vote of "no" shall be recorded as "nay."

28 **12-4. Changing votes.** If the yeas and nays have been taken on any question, no member
29 may change a vote after the decision is announced from the chair, unless by unanimous consent of
30 the house.

31 **12-5. Majority vote required for resolutions.** Any joint or concurrent resolution requires a
32 majority vote of the members elected to each house of the Legislature, and the yeas and nays shall
33 be entered upon the journal. Any House or Senate resolution requires a majority vote of the
34 members elected to that house, and the yeas and nays shall be entered upon the journal.

35 **12-6. Two-thirds majority vote required to repeal or amend a sunset provision in the**
36 **case of a tax statute.** Any repeal of or amendment to a provision which automatically abolishes
37 the imposition of a tax at a specified time allowing the tax to continue in force requires an affirmative
38 vote of two-thirds of the members elect.

39 **12-7. Voting Standard.** Except when otherwise provided under the South Dakota
40 Constitution, these joint rules, Senate rules, House rules, or South Dakota codified law, vote
41 requirements for all motions shall be based on the majority of the members present and voting.

42 **12-8. Vote required for certain fees.** If a bill proposes to increase a fee, impose a new fee,
43 or authorize a state agency to impose or increase a fee and the new fee or increased fee amount is
44 deposited in the general fund or in a continuously appropriated fund, the bill requires an affirmative
45 vote of two-thirds of the members-elect for passage. For purposes of this joint rule, the term, fee,
46 means a financial payment or charge imposed by the state and does not include a financial payment
47 or charge imposed by a political subdivision.

CHAPTER 13.
CONSENT CALENDAR

13-1. Consent calendar recommendations by standing committees. Each standing committee may report an uncontested bill or resolution out of committee with the recommendation that it be placed on the consent calendar. As used in this rule, an "uncontested bill or resolution" is any bill or resolution, except a revenue measure, which receives a do-pass or do-pass-as-amended recommendation from the committee to which it is referred, by unanimous vote of the members present.

13-2. Consent calendar placement, objections. If any bill or resolution receives an affirmative "Do Pass" vote of all members present of the committee, the committee chair may certify the bill or resolution as uncontested for placement on the consent calendar. If any committee member objects to the committee chair's certification, the bill or resolution may not be certified for placement on the consent calendar. Any bill or resolution certified by a committee chair must be placed on the consent calendar by the secretary of the Senate or the chief clerk of the House of Representatives. If any member objects to the placement or retention of any bill or resolution on the consent calendar during a floor session, the bill or resolution must be removed from the consent calendar and placed on the house calendar for second reading on the following legislative day. The objection is not debatable. No consent calendar bill or resolution may be considered for adoption until the legislative day following the day of its placement on the consent calendar.

13-3. Consent calendar scheduling. The calendar committee in each house may schedule consent calendar bills and resolutions at any time.

13-4. Consent calendar items--Questions, voting. Bills and resolutions on the consent calendar are not debatable. The presiding officer of the floor session shall allow a reasonable time for questions from the floor and shall permit the proponents of the bills or resolutions to answer the questions. Immediately before voting on the first bill or resolution on the consent calendar, the presiding officer of the floor session shall call to the attention of the members the fact that the next roll call will be the roll call on the bill or resolution on the consent calendar.
