House Bill 1204**AMENDMENT 1204A
FOR THE INTRODUCED BILL**

1 **An Act to establish a civil action for nonconsensual condom removal.**

2 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

3 **Section 1. That a NEW SECTION be added to chapter 20-9:**

4 A person commits nonconsensual condom removal if the person:

5 (1) Causes contact between the person's genitalia, from which the person intentionally
6 removed a condom, and the mouth, genitalia, or anus of another who did not
7 consent to the condom being removed; or

8 (2) Causes contact between the person's mouth, genitalia, or anus and the genitalia
9 of another, from which the person intentionally removed a condom, without the
10 other person's consent to the condom being removed.

11 A person who commits nonconsensual condom removal upon another is liable to
12 that person for damages, punitive damages, reasonable costs and attorney fees, and any
13 other relief the court deems proper. Damages awarded pursuant to this section may take
14 into account the emotional impact on the person bringing the cause of action due to the
15 risk of nonconsensual pregnancy and sexually transmitted disease.

16 Nothing in this section limits any other cause of action from being brought against
17 a person who commits nonconsensual condom removal.
