Letter of Intent Regarding Tuition and Fees Freeze

Dear Executive Director Lukkes,

This Letter of Intent sets forth a particular view held by the Joint Committee on Appropriations (JCA) in approving your appropriation in the 2024 Legislative session. As such, this Letter of Intent seeks to supplement that legislation with specific policy guidance as approved on Month, Day, Year.

While the guidance does not have the direct force of statutory law, it rests solidly on a long-standing tradition of Legislative-Executive relationships in South Dakota and it will be used by the Joint Committee as one basis for the fiscal oversight of your agency and its continued funding.

During the 2024 Legislative Session, the Joint Committee on Appropriations approved an additional \$5,735,607 in general funds so tuition-funded Board of Regents employees would receive the 4% increase for salary policy. It is the intent of the committee that tuition and fees will not increase for the 2024-2025 school year.

Thank you for your cooperation.
