

July 24, 2024

Representative Ernie Otten, Chair
Government Operations and Audit Committee
500 East Capitol Avenue
Pierre, SD 57501

Dear Chairman Otten,

The Bureau of Human Resources and Administration is scheduled to present the annual report of compiled authorizations (waivers) at the July 31, 2024 Government Operations and Audit Committee meeting. Historically, we present on a fiscal year basis. This past October, we presented the compiled waivers for FY23; we had received four. In FY24, no waivers were submitted, therefore we have nothing to report for this past fiscal year.

We generally expect a fairly small number of waivers due to the parameters set forth in statute as to when a waiver is required. Mallori Barnett will plan to be at the July 31 meeting, unless you feel there is no need to appear due to the lack waivers to present.

If you have any questions, please feel free to reach out.

Respectfully,

Darin R. Seeley, Commissioner
Bureau of Human Resources and Administration
