## **SOUTH DAKOTA BOARD OF REGENTS**

Agency's Mission Statement: The Board of Regents' mission is to provide an excellent, efficient, accessible, equitable and affordable public university and special schools system that improves South Dakota's overall educational attainment and research productivity, while enriching the intellectual, economic, civic, social, and cultural life of the state, its residents, and its communities.

The performance measures will be separate and distinct from the strategic plan but will directly reflect success for public post-secondary education.

Part	Goal: Academic Success, Student Outcomes, and Educational Attainment									
March   Marc		Performance Measures
