

Study Committee on Property Tax Assessment Methodology Oct 9 Meeting

- Proposal 1: DOR develops a compliance audit to be done at all equalization offices annually
- Proposal 2: A review of the potential for a shared software to be used amongst counties that choose to opt in for purposes of property appraisal, property taxes, and related matters.
- Proposal 3: DOR and SD Association of Assessing Officers produce training videos for new hires, covering appraisal manuals and software platforms
- Proposal 4: Legislation clarifying the ability of counties to cooperate, collaborate, and share data with each other to complete assessment and equalization activities.
- *Any additional proposals brought forward by committee members will be considered during the meeting.
