

2025 South Dakota Legislature

House Bill 1019

Introduced by: **Representative Venhuizen**

1 **An Act to eliminate certain property taxes levied on owner-occupied single-family**
 2 **dwelling, and to increase certain gross receipts tax rates and use tax rates.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1.** It is the intention of the Legislature that the proceeds of the tax rate increases in
 5 sections 3 to 18, inclusive, and section 24 of this Act, are used to supplant all foregone
 6 property tax revenue from a mill levy of zero applied to owner-occupied single-family
 7 dwelling for school district general funds and school district special education funds.

8 It is the intention of the Legislature that these levies for owner-occupied single-family
 9 dwelling do not affect the mill levies for the other classifications of real property, and do not
 10 adversely affect the total amount of moneys available to school districts through the school
 11 district funding formulas for general funds and special education funds.

 16 thousand dollars of taxable valuation, subject to the limitations on agricultural
 17 property as provided in subdivision (2) ~~of this section~~ and owner-occupied property
 18 as provided in subdivision (3) ~~of this section~~;

19 (2) The maximum ~~tax~~ mill levy on agricultural property for the school district is one

 21 valuation. If the district's levies are less than the maximum levies as stated in this
 22 section, the mill levies imposed in subdivisions (1) and (2) must maintain the same
 23 proportion to each other as represented in the mathematical relationship at the
 24 maximum mill levies; and

1 (3) The maximum ~~tax mill~~ levy for an owner-occupied single-family dwelling pursuant
 2 to § 10-13-40 for the school district is ~~two dollars and sixty seven and nine tenths~~
 3 ~~cents~~ zero dollars and zero cents per thousand dollars of taxable valuation. ~~If the~~
 4 ~~district's levies are less than the maximum levies as stated in this section, the~~
 5 ~~levies must maintain the same proportion to each other as represented in the~~
 6 ~~mathematical relationship at the maximum levies.~~

 8 assessment represents eighty-five percent of market value as determined by the
 9 Department of Revenue. These valuations must be used for all school funding purposes.
 10 If the district has imposed an excess levy pursuant to § 10-12-43, the levies must
