Minnehaha Absentee Voting 2024 General Election

8,485 – Total Absentee Mail-in & UOCAVA ballots Minnehaha Co 2024 Election

3,257 – **38.4%** of **8,485** 2024 Minnehaha Absentee Mail-In/UOCAVA Voters are registered in state voter roll falsely using PMBs, Hotels, Campgrounds & commercial addresses as their “Residence”

9 to 1 – In the 2024 District 15 House race recount. I witnessed Election Judges call out Democrat to Republican votes ratio 9 to 1, when comparing UOCAVA to recreated ballots.

- There's no logical explanation to this other than the majority of these are non-residents voting in South Dakota elections.

What are Impacts to South Dakotans?

- Every non-resident casting a ballot infringes upon every bona fide residents' Constitutional right of 1 citizen 1 vote!
- Changes the outcome of close races and ballot initiatives across South Dakota
- People living in cities with higher accident rates who claim South Dakota residency to gain lower South Dakota insurance rates increases real South Dakotans' rates
- False residency, voting undermines the Rule of Law, a cornerstone of society & government
- South Dakota Motto: "Under God the People Rule". All South Dakotans are accountable to our Creator. It's up to us to expose things that are wrong to help make them right for the good of all generations!
- We Support HB 1066 !
