

2026 South Dakota Legislature

House Bill 1182

Introduced by: **Representative Jorgenson**

1 **An Act to establish a data collection system pertaining to assisted reproductive**
 2 **technology.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1. That a NEW SECTION be added to chapter 1-43:**

5 The Department of Health shall establish and maintain a data collection system for
 6 the purpose of determining, on an annual basis:

7 (1) The number of embryos created through assisted reproductive technology;

8 (2) The number of embryos that are implanted through assisted reproductive
 9 technology;

10 (3) The method of disposition used for embryos that are not implanted during assisted
 11 reproduction, including:

12 (a) Cryopreservation at a facility in this state;

13 (b) Donation to another;

14 (c) Compassionate implantation into the uterus of the female for purpose of
 15 natural disposition; or

16 (d) Other means;

17 (4) The number of embryos transferred out of this state for the purposes of:

18 (a) Cryopreservation;

19 (b) Donation to another; or

20 (c) Medical research;

21 (5) The number of disposed embryos that were:

22 (a) Accidentally destroyed; or

23 (b) Deliberately destroyed;

24 (6) The number of pregnancies resulting from assisted reproduction; and

25 (7) The number of live births resulting from assisted reproduction.

1 Each entity that participates in assisted reproductive technology in this state shall
2 provide the data required by this section to the Department of Health at the time and in
3 the manner requested by the department.

4 The department shall compile the information and make the information publicly
5 available on its website on or before July first of each year.
