 2 **declare an emergency.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1. That § 12-19-10 be AMENDED:**

5 **12-19-10.** Upon receipt of the sealed return envelope containing the voted ballots,
 6 the person in charge of the election ~~or their designee~~ shall mark the date of receipt on the
 7 envelope. The person in charge of the election shall keep the absentee ballot in a safe
 8 place without opening the envelope or breaking the seal thereof, and shall, ~~except as~~
 9 ~~provided by § 12-19-42,~~ deliver it to the ~~precinct~~ superintendent of election of the voter's
 10 home precinct, or to the absentee ballot counting board as provided in § 12-19-42. The
 11 person in charge of the election shall have the absentee ballots delivered with the election
 12 supplies, or if received later, then prior to the close of the polls.

13 If the person in charge of the election creates an absentee ballot precinct, pursuant
 14 to § 12-19-37, the person in charge of the election must deliver to the superintendent of
 15 each precinct, the list containing the names of each voter who voted by absentee ballot
 16 along with the election supplies. On election day, the person in charge of the election shall
 17 forward to a precinct superintendent any updates to the list of voters who voted by
 18 absentee ballot upon receipt of an absentee ballot.

19 If the precinct election board is not otherwise engaged in official duties, or if there
 20 are absentee ballots not processed when the polls close, immediately thereafter, the board
 21 must carefully compare the statement on the reverse side of the official return envelope
 22 with the written application received from the officer in charge of the election without
 23 opening or breaking the seal of the return envelope. If The board shall omit the comparison
 24 of the statement and the application if the ballot is contained in a combined absentee
 25 ballot-application/return application form and return envelope, the comparison of the
 26 statement and the application must be omitted.

1 The precinct election board or the precinct counting board shall enter the voter's
2 name ~~on~~ in the election pollbook and mark the registration list ~~if~~ whether:

- 3 (1) The ballot received was voted by the voter whose name appears on the statement;
- 4 (2) The voter is registered in the precinct and has not previously voted in that precinct
5 at the election; and
- 6 (3) The written application and statement were both signed by the voter.

7 The board shall then open the envelope without opening, unfolding, or examining
8 the ballots the envelope may contain; stamp the ballots with the official stamp; and
9 deposit the ballots with the other ballots cast at the election. If the board determines that
10 an absentee ballot envelope cannot be opened because the envelope does not meet the
11 requirements for opening, the reason for not opening the envelope must be written on the
12 envelope, ~~signed~~ accompanied by the signature of a member of the board, and the
13 envelope must be placed in a larger envelope for unopened absentee ballots.

14 It is a Class 2 misdemeanor for ~~a person~~ an individual, prior to the counting of the
15 votes, to open, unfold, or examine any ballot, or make any communication to any ~~person~~
16 other individual concerning the markings or contents of the ballot, or to create any record

20 ~~ballot precinct. If the county creates an absentee ballot precinct, all absentee ballots cast~~
21 ~~at any election shall be counted in such precinct. However, if a paper ballot precinct has~~
