## SENATE HEALTH AND HUMAN SERVICES ENGROSSED NO. **HCR 1028** - 03/05/2014

Introduced by: Representative Nelson and Senators Begalka and Maher

1 A CONCURRENT RESOLUTION, Urging Congress to repeal and defund the Patient  
2 Protection and Affordable Care Act.

3 WHEREAS, on March 23, 2010, Congress passed the Patient Protection and Affordable  
4 Care Act, also referred to as the ACA, through a partisan effort without gaining a single  
5 Republican vote; and

6 WHEREAS, since the ACA's inception, the State of South Dakota has consistently opposed  
7 the ACA due to the adverse consequences it has on the state and its constituents, and numerous  
8 state officials have called on Congress to repeal ACA; and

9 WHEREAS, on March 23, 2010, the South Dakota attorney general joined Florida and  
10 twelve other states in a lawsuit to rule on the ACA as unconstitutional and defended that  
11 argument to the Supreme Court of the United States of America on September 28, 2011; and

12 WHEREAS, the costs of implementing the ACA total nearly \$1.8 trillion over the next 10  
13 years and are only expected to exceed estimates, thus further compounding the national debt.  
14 The federal government seeks to offset these costs by imposing new taxes and penalties; and

15 WHEREAS, financial impact and overall feasibility remain questionable as phases of

1 implementation remain costly, chaotic, and unpredictable, while contributing to increasing  
2 federal regulation and bureaucratic control; and

3 WHEREAS, Congress possesses the power to repeal the ACA and its funding sources:

4 NOW, THEREFORE, BE IT RESOLVED, by the House of Representatives of the Eighty-  
5 Ninth Legislature of the State of South Dakota, the Senate concurring therein, that the South  
6 Dakota Legislature urges the state and its constituents to support every effort by the delegates  
7 in Congress to repeal and defund the Patient Protection and Affordable Care Act of 2010.
