

PRISON/JAIL POPULATION COST ESTIMATE STATEMENT
NINETIETH SESSION
LEGISLATIVE ASSEMBLY 2015

SENATE BILL NO. 22

**AN ACT TO REVISE THE PENALTY FOR ALTERING A REGISTRATION DEVICE
ISSUED BY A DEALER.**

A prison/jail population cost estimate statement has been requested on SB22 due to penalties in sections 1 and 2.

The penalties in sections 1 and 2 of this Act are both preexisting. Section 1 is amended to treat all individuals who alter or forge a motor vehicle registration card the same. Section 2 is amended so that the section only addresses the improper use or renewal of temporary thirty-day license permits. In both cases, we have no reason to believe there will be more violations of this law than there are currently. Hence, the impact on prison or jail populations is estimated to be low.
