1 FOR AN ACT ENTITLED, An Act to establish an obligation recovery center.

2 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

3 Section 1. There is hereby created the obligation recovery center. The obligation recovery
4 center is attached to the Bureau of Administration for budgeting and reporting purposes.

5 Section 2. Terms used in this Act mean:

6 (1) "Center," the obligation recovery center;

7 (2) "Debt," a legal obligation to pay money, including any principal, any interest that has
8 accrued or will accrue until the debt is paid, any penalties, any costs, and any other
9 charges permitted by law. The term, debt, includes any obligation of any kind
10 referred to the obligation recovery center for collection by any state government
11 agency, by the Unified Judicial System, by the Board of Regents, or by a
12 constitutional office;

13 (3) "Debtor," a person who is indebted to the state or a state agency for any delinquent
14 accounts, charges, fees, loans, taxes, or other indebtedness due the state, or any

1 person that owes any obligation being collected by the obligation recovery center;

2 (4) "Final debt," any debt due a state executive branch agency, the Board of Regent's
3 system, or a constitutional office that is no longer subject to an administrative appeal
4 or judicial review following an administrative appeal, or any costs, fines, fees, or
5 restitution ordered in any adult criminal proceeding through the Unified Judicial
6 System no longer subject to direct appeal pursuant to § 23A-32-2;

7 (5) "Final notification," the notification provided by section 7 of this Act; and

8 (6) "Referring entity," the entity referring the debt to the state obligation recovery center
9 for collection.

10 Section 3. The center shall work to collect each final debt referred to the center. The
11 character of the debt in the hands of the referring entity does not change by the referral of the
12 debt to the center for collection. Among other powers granted by this Act, the center may:

13 (1) Sue;

14 (2) File liens;

15 (3) Enter into payment agreements with debtors;

16 (4) Impose a cost recovery fee;

17 (5) Collect data for debt collection purposes;

18 (6) Establish and maintain a centralized electronic debt management system;

19 (7) Exercise settlement authority granted by the referring entity;

20 (8) Setoff against any moneys to be paid by the State of South Dakota or any referring
21 entity to a debtor;

22 (9) Contract with multiple collection agencies for the collection of debt on behalf of the
23 center;

24 (10) Except for the debt collection powers vested in the Unified Judicial System, the

1 center may use the referring entity's statutory collection authority to collect the final
2 debt owed to the referring entity; and

3 (11) Utilize all debt collection methods authorized by state law.

4 The office may determine which method or combination is most suitable to collect the debt.

5 Section 4. For any final debt referred to the center for collection after July 1, 2015, the center
6 shall collect a cost recovery fee in addition to the debt referred to the center for collection. The
7 cost recovery fee is calculated by multiplying the principal amount of the debt referred to the
8 center by twenty percent. All debt collection methods available to collect any final debt referred
9 to the center may be used by the center to collect the cost recovery fee. The cost recovery fee
10 shall be deposited into a fund to be used to fund the operations of the center.

11 Section 5. The center shall retain the cost recovery fee and transfer any other moneys
12 collected from a debtor to the referring entity within thirty days after the end of the month in
13 which the moneys were collected. If the amount collected is less than the principal amount of
14 the debt referred to the center and the cost recovery fee imposed by this Act, the amount
15 collected shall be prorated between the principal amount of the debt referred and the cost
16 recovery fee.

17 If more than one referring entity has referred a debt to the center regarding the same debtor,
18 or if the same referring entity has referred multiple debts to the office regarding the same debtor,
19 the center shall collect the first referred debt before proceeding to the collection of the
20 subsequent referred debt in the order referred.

21 Section 6. The center may be used as follows:

22 (1) Any executive branch agency may use the center to collect final debt owed to an
23 executive branch agency;

24 (2) The Unified Judicial System may use the center to collect any costs, fines, fees, or

1 restitution, constituting final debt, ordered in any adult criminal proceeding;

2 (3) The Board of Regents may use the center to collect any final debt owed within the
3 South Dakota Board of Regents' system; and

4 (4) Any constitutional office may use the center to collect final debt owed to the
5 constitutional office.

6 Section 7. Prior to transferring any debt to the center for collection, the referring entity shall
7 provide a final notification to the debtor that the debt will be referred to the center for collection.

8 The final notification to the debtor may be sent by regular mail or by electronic means. The
9 final notification shall contain all of the following:

10 (1) The name of the referring entity;

11 (2) Contact information for the referring entity;

12 (3) The name of the debtor;

13 (4) The nature of the debt;

14 (5) The principal amount of the debt;

15 (6) The total amount of the debt;

16 (7) A statement that the debt will not be turned over for collection to the center until a
17 time at least fourteen days after the date the final notification is sent to the debtor;

18 and

19 (8) A statement that if the debt is turned over to the center, a cost recovery fee of twenty
20 percent of the principal, in the amount of \$ _____, will be added to the total debt
21 owed by the debtor to the referring entity.

22 Section 8. All data, records, and files utilized for debt collection as provided for in this Act
23 shall be confidential and privileged, and no person may divulge or disclose any information
24 obtained from such records and files except in the administration and enforcement of this Act,

1 or as otherwise required by law.

2 Section 9. The center may collect data for purposes of collecting any debt referred to the
3 center. Notwithstanding any law to the contrary, referring entities are authorized to transmit data
4 to the center deemed necessary by the center to aid in the collection of the referred debt and the
5 center may share, request, and shall receive from any state agency any data to collect any debt
6 referred to the center. Any information provided by a referring entity or a state agency may only
7 be used for the purpose of collecting the debts referred to the center.

8 Section 10. The center shall establish and maintain a centralized electronic debt management
9 system to compile the information provided by referring entities, to track the collection efforts
10 for all debt referred to the center, to cross-reference and identify debtors for collection purposes,
11 and to maintain all information provided or collected from all sources concerning addresses,
12 financial records, and any other information useful to the center.

13 The center may designate a third party to establish and maintain the centralized electronic
14 debt management system. Any such third party shall keep all information it obtains from any
15 source confidential, and any employee, agent, or representative of that third party is prohibited
16 from disclosing that information to anyone other than the center.

17 Section 11. No person that owes a debt that is referred to the center may renew, obtain, or
18 maintain:

24 payment plan with the center and payment pursuant to the plan is current.

1 Section 12. No agency, board, or entity of the State of South Dakota may issue, renew, or
2 allow an individual to maintain any motor vehicle, motorcycle, or boat registration, driver
3 license, hunting license, fishing license, state park permit, or camping permit, after receiving
4 notice from the center that the applicant, registrant, or licensee has a debt that is being collected
5 by the center, unless the applicant, registrant, or licensee has paid the debt and cost recovery fee
6 in full or the debtor has entered into a payment plan with the center and payment pursuant to the
7 plan is current.

8 An applicant, registrant, or licensee who disputes a determination by the center that the
9 applicant, registrant, or licensee has a debt that has been referred to the center for collection
10 shall, upon request, be given a due process hearing by the center. Upon recommendation by the
11 center, the agency or entity may issue a temporary license, registration, certification, or permit
12 to the applicant, registrant, or licensee pending final resolution of the due process hearing.

13 Section 13. Unless preempted by other law, any payment of any kind to be made to a debtor
14 by the State of South Dakota or any referring entity, when the debtor has a debt that is referred
15 to the center, is subject to offset by the center unless the debt and cost recovery fee is either paid
16 in full or the debtor has entered into a payment plan with the center and payment pursuant to the
17 plan is current.

18 Section 14. If the center is unable to collect the debt referred to it, the center, with the
19 approval of the referring entity, may forward the debt to a collection agency or agencies for
20 collection. The debt collection agency shall be permitted to add a collection charge, not to
21 exceed twenty percent of the debt, to the debt forwarded to the collection agency as payment for
