

PRISON/JAIL POPULATION COST ESTIMATE STATEMENT
NINETY-FIRST SESSION
LEGISLATIVE ASSEMBLY 2016

SENATE BILL NO. 24

AN ACT TO PROHIBIT THE SALE OF FETAL BODY PARTS AND TO PROVIDE A
PENALTY THEREFOR.

A prison/jail population cost estimate statement has been requested on SB24 due to the establishment of a felony in section 1.

Senate Bill 24 adds the penalty of a Class 6 felony to §34-24A-17, which currently prohibits the sale, acquisition, or use of fetal tissue, organs, cells, or body parts subject to induced abortion for animal or human research or transplantation.

There have been no prior violations of §34-24A-17 in South Dakota. Therefore, it is the opinion of the LRC that this bill will have little to no impact on prison or jail costs.
