19 county; that portion of Jackson county not included in the Lower Missouri River Trench Basin
20 Natural Resource District; Buffalo, Dunkel, Mullen, Okaton, Westover, Williams Creek,
21 Zickrick, 002S026E, 002S028E, 002S032E, 003S026E, 003S032E, 004S032E, 004S031E, and
22 004S030E townships in Jones county; Bailey, Pratt, Rose, 104N079W, 104N078W,
23 104N077W, 104N075W, 103N079W, 103N077W, 103N076W, 103N075W, and 103N074W
24 townships in Lyman county; and that portion of Tripp county not included in the Lower

1 Missouri River Trench Basin Natural Resource District. The district includes all of the
2 municipality of Bonesteel and all of any second or third class municipality that is wholly within
3 the area identified by this section and excludes all of the municipality of Burke.

4 Section 18. That chapter 46A-19 be amended by adding a NEW SECTION to read:

5 The White River and Niobrara River Basin Natural Resource District is divided into three
6 subdistricts. Subdistrict one includes all of Oglala Lakota county and all of any second or third
7 class municipality that is wholly within this subdistrict area. Subdistrict two includes all of
8 Bennett and Todd counties and all of any second or third class municipality that is wholly within
9 this subdistrict area. Subdistrict three includes the remainder of the district not in subdistricts
10 one and two of this district and all of the municipality of Bonesteel and all of any second or third
11 class municipality that is wholly within this subdistrict area.

12 Section 19. That chapter 46A-19 be amended by adding a NEW SECTION to read:

13 The councils of two adjoining river basin natural resource districts may mutually agree to
14 adjust the boundaries between the two districts by June first of any odd numbered year as
15 provided by this Act.

16 Section 20. That chapter 46A-19 be amended by adding a NEW SECTION to read:

17 If at least fifty-one percent of the registered voters residing in a township request a proposed
18 boundary change to move their township from a district to an adjacent district, the voters shall
19 do so by filing a written request as provided by this section between January first and June first
20 of an odd numbered year.

21 A written request asking for the boundary line between adjoining river basin natural resource
22 districts to be adjusted shall be filed with the council of the district in which inclusion is
23 requested and the council of the district in which removal is requested. The written request shall
24 include:

- 1 (1) The name of the township effected by the proposed boundary change;
- 2 (2) Name of the district from which removal is requested;
- 3 (3) Name of the district from which inclusion is requested;
- 4 (4) The taxable value of all land to be removed and included in the proposal;
- 5 (5) A description of the existing district boundary line; and
- 6 (6) A description of the proposed new boundary line.

7 Within thirty days after the written request has been filed, each council shall publish public
8 notice of a joint council public hearing on the mutual agreement or written request at least twice,
9 with at least seven days between the publication dates, in at least one county legal newspaper
10 in each county of the affected districts, in accordance with chapter 17-2.

11 Section 21. That chapter 46A-19 be amended by adding a NEW SECTION to read:

12 After a hearing pursuant to this Act, each council shall determine whether the operation of
13 the district within the proposed new boundaries would be administratively practicable and
14 feasible. A change in boundary may not impair the organization of the districts and shall follow
15 township boundaries. A failure to receive a majority vote of each affected council shall be
16 deemed a denial of the request.

17 Section 22. That chapter 46A-19 be amended by adding a NEW SECTION to read:

18 Upon determination in favor of a proposed adjustment of district boundaries, each council
19 shall present to the secretary of state an application for a certificate evidencing the change of
20 boundary. The application shall be signed by at least four members of each council. The
21 application shall be accompanied by a statement of each council certifying that the boundary
22 between the districts has been changed in accordance with the procedures prescribed in this Act
23 and should set forth the newly approved boundary line. Each council shall submit final boundary
24 changes to the county auditors no later than August first of the odd numbered year following

1 when the two councils mutually agree or when the written request was submitted to the councils.
