Section 2. There is hereby appropriated the sum of six hundred thousand dollars ($600,000), or so much thereof as may be necessary, in other fund expenditure authority from athletic and business enterprise revenues, together with any additional sums received pursuant to section 4 of this Act, and permitted adjustments pursuant to section 3 of this Act, to the Board of Regents for the purposes authorized in this Act.

Section 3. The cost estimates contained in this Act have been stated in terms of 2017 values. Section 4. The Board of Regents may accept, transfer, and expend any funds obtained for the projects authorized in this Act from federal sources, donations, or any other external sources, all of which comprise a special fund for the benefitted project. All moneys deposited into that fund are hereby appropriated to the projects authorized by this Act, subject to limitations stated in sections 1 to 3, inclusive, of this Act.

Section 5. The administration of the design and construction of the project authorized in this Act shall be under the general charge and supervision of the Bureau of Administration as provided in chapter 5-14.

Section 6. The executive director of the Board of Regents shall approve vouchers and the state auditor shall draw warrants to pay expenditures authorized by this Act.
