1 FOR AN ACT ENTITLED, An Act to allow certain veterans to attend courses offered at

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That § 13-55-2 be amended to read:

5 13-55-2. Any person residing in this state who is a veteran as defined by §§ 33A-2-1 and  
6 33A-2-2 or who performed active war service, such as nursing or assisting in the care of soldiers  
7 and sailors in any government hospital, field, or camp, as a member of the Red Cross or any  
8 other similar organization engaged in war relief work which has been recognized and approved  
9 by the government of the United States, during any of the periods or combat operations specified  
10 in § 33A-2-2, upon compliance with all the requirements for admission and after qualifying for  
11 resident tuition, may attend and pursue any undergraduate course in any state educational  
12 institution under the control and management of the Board of Regents or any course at a  
13 postsecondary technical institute as defined in § 13-39A-1 without the payment of charges for

1 tuition for each month of qualified service or major fraction thereof a month in academic time.  
2 However, no eligible veteran is entitled to less than one nor more than four academic years of  
3 free tuition pursuant to this section. Residence at the time of entry into military service or active  
4 war service does not affect eligibility for the entitlement created in this section. Any person who  
5 qualifies under § 33A-2-2 as a veteran based solely on a service-connected disability may  
6 receive free tuition under this section only if the veterans administration disability rating is ten  
7 percent or greater.

8 No tuition benefit may be provided by the State of South Dakota under this section unless  
9 and until the applicant has applied all federal tuition benefits. Before receiving funds from the  
10 state for the tuition of any eligible applicant under this section, the Board of Regents or  
11 postsecondary technical institute shall verify that all federal tuition benefits have been  
12 exhausted. The state shall provide the benefit under this section to the Board of Regents or  
13 postsecondary technical institute within thirty days after commencement of each academic term.
