 7 **value by director of equalization.**

8 Before July first each year, the secretary of revenue shall ~~annually~~ provide each
 9 director of equalization the agricultural income value for each county as computed
 10 pursuant to § 10-6-33.28. The director of equalization shall annually determine the
 11 assessed value of agricultural land. The assessed value of agricultural land ~~may~~ shall be
 12 adjusted by the director to the extent any of the following factors ~~affecting~~ affect the
 13 agricultural land's productivity:

- 14 (1) The capacity of the land to produce agricultural products as defined in § 10-6-33.2;
 15 and
 16 (2) The location, size, soil survey statistics, terrain, and topographical condition of the
 17 land including the climate, accessibility, carrying capacity and surface obstructions.

18 ~~Each adjustment shall~~ The adjustment warranted by each factor in subdivisions (1)
 19 and (2) must be documented consistent with the county's established protocol for
 20 documenting an adjustment. The director of equalization may document an adjustment
 21 by using data from sources reasonably related to the adjustment being made. In addition,
 22 the director of equalization may use data from comparable sales of agricultural land to
 23 document the adjustment concerning productivity for any of the factors listed in this
 24 section.

25 If the actual use of agricultural land varies from the land use category specified by soil
 26 classification standards, the property owner may request an examination of the land by

1 the director of equalization. ~~The~~ At the conclusion of the examination, the director of
2 equalization shall make a documented determination of whether ~~to adjust or not an~~
3 adjustment to the assessed value of the agricultural land ~~pursuant to the~~ is warranted
4 based on a consideration of all factors listed in subdivision (2).
