14 resident;

15 (3) "Decision-making capacity," the ability to understand, to a reasonable extent, the

24 the direction of a physician, twenty-four hours per day, or an entity that is

1 maintained and operated for the express or implied purpose of providing care to
2 one or more persons, whether for consideration or not, who do not require the

13 Before initiating video monitoring, a resident shall complete and submit to the
14 facility a notice and consent form that meets the requirements of § 34-12I-4. If the
15 resident lacks decision-making capacity, as determined by a physician, the form may be
16 completed and submitted by an authorized representative of the resident.

17 **Section 3. That a NEW SECTION be added:**

18 **34-12I-3. Roommate--Consent--Refusal--Restrictions--Relocation.**

19 If a resident has a roommate, the resident may not conduct video monitoring

21 making capacity, as determined by a physician, the consent may be provided by an
22 authorized representative of the roommate.

23 The roommate may refuse or withdraw consent to video monitoring. If consent is
24 refused, the resident may not conduct video monitoring and if consent is withdrawn, the
25 resident shall remove any video monitoring device from the room. If the resident fails to
26 remove the video monitoring device, the facility shall remove the device.

27 The roommate may impose restrictions on the placement and operation of the
28 resident's video monitoring device and on the dissemination and use of any data produced
29 by the device. The restrictions must be included with the resident's notice and consent
30 form, in accordance with § 34-12I-4.

33 any such restriction, the facility shall remove the video monitoring device from the room.

1 If the roommate refuses to consent, the facility shall, upon the written request of
2 the resident, relocate the resident to another room, as soon as circumstances permit. The

6 **34-12I-4. Consent form--Content.**

7 The notice and consent form must include:

- 8 (1) A statement affirming that the resident consents to video monitoring and assumes

10 use of the video monitoring device and on the dissemination and use of any data
11 produced by the device;
- 12 (2) If the resident has a roommate, a statement affirming that the roommate, subject
13 to any noted restrictions, consents to video monitoring by the resident and to the
14 dissemination and use of any data produced by the device;
- 15 (3) A description of the video monitoring device, including the brand name and model
16 number, and the installation and operating requirements;

1 The resident or a roommate may amend the information contained in the notice

4 authorized representative, it must include a physician's statement verifying that the
5 person, on whose behalf the authorized representative is acting, lacks decision-making
6 capacity, and a copy of the guardianship order or power of attorney granting the
7 authorized representative authority to consent to video monitoring.

8 Upon receiving a completed notice and consent form, or any amendment to the
9 form, the facility shall place the form in the resident's file and provide a copy to the
10 resident or an authorized representative of the resident, and to the resident's roommate
11 or an authorized representative of the roommate.

13 been received by the facility.

14 **Section 5. That a NEW SECTION be added:**

15 **34-12I-5. Cost--Liability.**

16 The resident is liable for any costs associated with the installation, operation,

24 on the use to prevent a data breach and to limit the consumption of available bandwidth.

25 If a facility does not consent to a resident's use of the network, the resident may
26 arrange for access to the internet through an internet service provider. The facility may

15 For purposes of this section, an "audio monitoring device," means a device that is

10 is a Class 1 misdemeanor.

11 **Section 13. That a NEW SECTION be added:**

12 **34-12I-13. Access and dissemination--Penalty.**

13 Except as otherwise provided in this Act, a person may not access or disseminate

9 for consenting to or refusing to consent to video monitoring.

10 **Section 17. That a NEW SECTION be added:**

11 **34-12I-17. Liability--Civil--Criminal.**

12 A facility is not civilly or criminally liable for any violation of a person's right to
