

PRISON/JAIL POPULATION COST ESTIMATE STATEMENT

Ninety-Fifth SESSION
2020 South Dakota Legislature

House Bill 1117

An Act to repeal and revise certain provisions regarding riot, to establish the crime of incitement to riot, and to revise provisions regarding civil liability for riot and riot boosting.

A prison/jail population cost estimate statement is required for HB1117 because under the bill it would be a Class 5 felony to incite a riot. A person charged with a Class 5 felony under the provisions of this bill might be charged under current law with a Class 2 felony under § 22-10-6 or a Class 5 felony under § 22-10-6.1, which are two sections that would be repealed under this bill. Since this bill adds a provision that is similar to two sections that would be repealed, and that have the same or a higher penalty, the Legislative Research Council expects that the bill would have no impact on prison and jail costs.
