Section 8. That § 41-2-18 be AMENDED:

The Game, Fish and Parks Commission may adopt such rules as may be necessary to implement the provisions of chapters 41-1 to 41-15, inclusive. The rules may be adopted to regulate:

(1) The conservation, protection, importation, and propagation of wild animals and fish except for any nondomestic animal which is regulated pursuant to § 40-3-26;

(2) The hunting, taking, killing, possession, sale, and transportation of all wild birds, wild animals, and wild fish except for any nondomestic animal which is regulated pursuant to § 40-3-26;

(3) The management of nongame, endangered, or threatened wildlife to ensure their perpetuation as viable components of the ecosystem;

(4) The management, control of traffic, improvement and public use of all lands and water owned, leased, or controlled by the state and Department of Game, Fish and Parks designated as public shooting areas, game production areas, wildlife refuges, lake and fishing access use areas and controlled hunting areas;

(5) The management, use, and improvement of all meandered and nonmeandered lakes, sloughs, marshes, and streams extending to and over dry or partially dry meandered lakes, sloughs, marshes, and streams, including all lands to which the state has acquired any right, title or interest for the purpose of water conservation or recreation;

(6) The creation, modification, or vacation of state game refuges, state waterfowl refuges, and state game bird refuges on all public land and on private land with the written consent of the landowner;

(7) The management and improvement of all islands or accumulations of land formed in the bed of a navigable stream or meandered lake on the Missouri River below the Fort Randall Power Plant and Lake Francis Case;

(8) The appointment, management, bonding, and cancellation of licensing agents;

(9) The gathering, purchasing, distributing, and transferring of all wild animals and fish for population management, stocking purposes, scientific study, and intergovernmental trades;

(10) The form of and the manner and placement of any tags, coupons, or permits necessary for the transportation of any wild animal or fish;

(11) The sale, breeding, raising, and transportation of any nondomestic animal which is not regulated pursuant to § 40-3-26;

(12) The form, procedures for, and content of all license applications authorized under this title;

(13) The form, procedures for, fee, and manner of validation, replacement, or cancellation of all licenses authorized under this title that are not already established by statute;

(14) The devices, weapons, ammunition, traps, tackle, bait, lures, and equipment which may be used to hunt, kill, capture, or locate any wild animal or fish if use of the above items would adversely affect the health, safety, or welfare of people or wildlife resources;
(15) The hunting, fishing, and trapping in the boundary waters of this state;
(16) The release, hunting, and taking of animals and birds on private shooting preserves;
(17) The establishment of, and the opening, closing, modifying, or curtailing of hunting, fishing, and trapping seasons, if the seasons are not established by statute;
(18) The setting of fees for special licenses not covered by statute to manage specific and limited wildlife populations;
(19) The number of persons who may cooperate as a group in the pursuit, hunting, taking, or killing of game birds or game animals;
(20) The acquisition, possession, use, and disposition of raptors;
(21) The acquisition, possession, transportation, sale, and release of bait fish and frogs;
(22) The regulation of, and the acquisition, possession, transportation, sale, and release of fish, from private fish hatcheries;
(23) The regulation of fish houses or other sheltering structures maintained upon the ice of any public waters;
(24) The issuance and cancellation of taxidermist licenses and the acquisition, possession, and disposition of specimens for taxidermy purposes;
(25) The operation of controlled hunting areas;
(26) The conditions under which the commission may authorize the possession, importation, shipment, or transport of an aquatic invasive species within the state;
(27) The conditions under which the commission may authorize the placement of a conveyance into waters within the state without first meeting the requirements of § 41-13A-4;
(28) The requirements and protocols for the cleaning, draining, and drying of a conveyance; and
(29) The standards and procedures for decontaminating a conveyance and for disposing of any organisms and organic material as provided in §§ 41-13A-6 and 41-13A-7.

The rules shall be adopted pursuant to chapter 1-26 and shall be in accordance with the provisions of this chapter.

A violation of the substantive provision of any rule authorized by this section is a Class 2 misdemeanor. If the same incident is a violation of statute and of the rules authorized by this section only the penalty authorized for the violation of the statute may be imposed."

Which motion prevailed.

Rep. Overweg moved that HB 1033 be amended as follows:

On page 3, line 29, of the Introduced bill, delete "A law enforcement officer, upon evidence that a conveyance is in violation of any of the provisions of §§ 41-13A-2 to 41-13A-4, inclusive, may require a person to stop and submit the conveyance to an inspection and decontamination of the conveyance. If a law enforcement officer conducts an inspection of a conveyance and finds or
suspects, based on articulable facts, the presence of organisms or organic material that may harbor aquatic invasive species, a law enforcement officer may do the following:

1. Escort the conveyance to the nearest inspection station for immediate decontamination;
2. Issue an order requiring the decontamination of the conveyance; or
3. Detain the conveyance until the decontamination is complete. " and insert "

A law enforcement officer may only stop a conveyance at a location other than an inspection station established under this chapter, and may only inspect the conveyance for the presence of organisms, or organic material that may harbor aquatic invasive species if the conveyance is visibly transporting organisms or organic material, including animals, plants, or mud, or the law enforcement officer otherwise reasonably believes, based on articulable facts, that the conveyance is in violation of any of the provisions of §§ 41-13A-2 through 41-13A-4. If a law enforcement officer conducts an inspection of a conveyance and finds the presence of organisms, organic material, or water, that may harbor aquatic invasive species, a law enforcement officer may do the following:

1. Escort the conveyance to the nearest inspection station for immediate decontamination;
2. Issue an order requiring the decontamination of the conveyance; or
3. Detain the conveyance until the decontamination is complete."

Which motion prevailed.

The question being "Shall HB 1033 pass as amended?"

This section shall apply only to policies of life insurance issued prior to the operative date specified in § 58-15-42.

The nonforfeiture benefit referred to in § 58-15-21 shall be available to the owner of the policy in event of default in premium payments, after premiums shall have been paid for three years, and shall be a stipulated form of insurance, the net value of which shall be at least equal to the reserve at the date of default on the policy and on any dividend additions thereto, computed according to a mortality table, interest rate, and method of valuation permitted by §§ 58-26-17 to 58-26-20, inclusive, less a sum not more than two and one-half percent of the amount insured by the policy and of any existing dividend additions thereto, and less any existing indebtedness to insurer on the policy. The policy shall stipulate that it may be surrendered to the insurer at its home office within one month from date of default for a specified cash value at least equal to the sum which would otherwise be available for the purchase of insurance as aforesaid and may stipulate that the insurer may defer payment for not more than six months after the application therefor is made. Provided, however, that if the benefits under the policy are calculated according to the commissioner's 1958 standard ordinary mortality table, the value of any extended term insurance, with accompanying pure endowment, if any, may be calculated according to rates of mortality not exceeding those shown in the commissioner's 1958 extended term insurance table, and that if the benefits under the policy are calculated according to any other more modern table than the American experience table of mortality, the value of any extended term insurance, with accompanying pure endowment, if any, may be calculated according to rates of mortality not exceeding one hundred thirty percent of the
rates according to such more modern table. The policy shall contain a table showing in figures the
options available each year upon default in premium payments during at least the first twenty years
of the policy, or during the term of the policy, whichever is the shorter. This section shall not apply
to term insurance of twenty years or less or to industrial life insurance policies."

And that as so amended, said bill do pass.
