

On page 1, line 17, of the House Local Government bill, after "State." insert " Any person registering to vote through the online system shall provide documentation that would demonstrate lawful status under § 32-12-3. 3 and shall present two proof of address documents. Each proof of address document must be dated within one year, and may include a computer-generated bill, bank statement, insurance card, motor vehicle registration, pay stub, or any post-marked first-class mail. Any person registering to vote shall also provide documentation that would be sufficient evidence of that person's social security number or nonwork authorized status under § 32-12-3. 4. The documentation provided under this section may be provided by electronic copy."
