22 **Section 153.** That § 58-16-54 be AMENDED:

23 **58-16-54. Responsibilities of prior carrier and succeeding carrier upon**  
 24 **discontinuance.**

25 The following provisions dictate the responsibility of the prior carrier and

- 27 (1) After discontinuance of the policy, contract, or certificate, the prior carrier remains  
 28 liable only to the extent of its accrued liabilities and extensions of benefits. The  
 29 position of the prior carrier shall be the same whether the group policyholder or  
 30 other entity secures replacement coverage from a new carrier, self-insures, or  
 31 foregoes the provision of coverage;
- 32 (2) If the individual was validly covered under the prior plan on the date of  
 33 discontinuance, each individual who is eligible for coverage in accordance with the

- 1 succeeding carrier's plan of benefits is, with respect to the class or classes of  
2 individuals, eligible and shall be covered under the succeeding carrier's plan if (a)  
3 any actively-at-work and nonconfinement rules are met, and (b) if required by the  
4 succeeding carrier, the individual requests enrollment;
- 5 (3) Each person not covered under the succeeding carrier's plan of benefits in  
6 accordance with subdivision (2) shall nevertheless be covered by the succeeding  
7 carrier in accordance with the following rules if the individual was validly covered,  
8 including benefit extension, under the prior plan on the date of discontinuance and  
9 if the individual is a member of the class or classes of individuals eligible for  
10 coverage under the succeeding carrier's plan. Any reference in the following  
11 subdivisions to an individual who was or was not totally disabled is a reference to  
12 the individual's status immediately prior to the date the succeeding carrier's  
13 coverage becomes effective;
- 14 (4) The minimum level of benefits to be provided by the succeeding carrier shall be the  
15 applicable level of benefits of the prior carrier's plan reduced by any benefits  
16 payable by the prior plan;
- 17 (5) Coverage shall be provided by the succeeding carrier until the earliest of the  
18 following dates:
- 19 (a) The date the individual becomes eligible under the succeeding carrier's plan  
20 as described in subdivision (1);
- 21 (b) The date the individual's coverage would terminate in accordance with the  
22 succeeding carrier's plan provisions applicable to individual termination of  
23 coverage, such as at termination of employment or ceasing to be an eligible  
24 dependent; or
- 25 (c) In the case of an individual who was totally disabled, and in the case of a  
26 type of coverage for which § 58-16-53 requires an extension of benefits or  
27 accrued liability, the end of any period of extension benefits or accrued  
28 liability that is required of the prior carrier by ~~§ 53-16-53~~ § 58-16-53, or if  
29 the prior carrier's policy, contract, or certificate is not subject to that section,

31 certificate been subject to § 58-16-53 at the time the prior carrier's plan was  
32 discontinued and replaced by the succeeding carrier's plan;
- 33 (6) In any situation in which a determination of the prior carrier's benefit is required by  
34 the succeeding carrier, at the succeeding carrier's request the prior carrier shall  
35 furnish a statement of the benefits available or pertinent information, sufficient to

1 permit verification of the benefit determination or the determination itself by the  
2 succeeding carrier. For the purposes of this subdivision, benefits of the prior plan  
3 shall be determined in accordance with all of the definitions, conditions, and covered  
4 expense provisions of the prior plan rather than those of the succeeding plan. The  
5 benefit determination shall be made as if coverage had not been replaced by the  
6 succeeding carrier;

- 7 (7) A succeeding carrier's policy may contain a provision limiting benefits to employees  
8 who are actively at work. However, any individual who remains as an employee,  
9 was covered by the prior carrier, and was disabled as of the date the succeeding  
10 carrier coverage became effective for that employer, will continue to be covered by  
11 the prior carrier as long as the individual remains an employee. An individual who  
12 is not disabled and is not at work on the date the succeeding carrier's coverage  
13 commences is considered actively at work as long as the absence from work is an  
14 employer-approved absence.

22 **58-29C-53. Plan of operation--Effective date--Requirements--Delegation of**  
23 **powers.**

24 A. (1) The association shall submit to the director a plan of operation and any  
25 amendments thereto necessary or suitable to assure the fair, reasonable, and equitable  
26 administration of the association. The plan of operation and any amendments thereto shall  
27 become effective upon the director's written approval or unless it has not been  
28 disapproved within thirty days.

29 (2) If the association fails to submit a suitable plan of operation within one hundred  
30 twenty days following July 1, 2003, or if at any time thereafter the association fails  
31 to submit suitable amendments to the plan, the director shall, after notice and  
32 hearing, adopt and promulgate such reasonable rules as are necessary or advisable  
33 to effectuate the provisions of this chapter. The rules shall continue in force until

1 modified by the director or superseded by a plan submitted by the association and  
2 approved by the director.

3 B. All member insurers shall comply with the plan of operation.

4 C. The plan of operation shall, in addition to requirements enumerated elsewhere in

27 payments made on behalf of the association and shall be paid for its performance of any  
28 function of the association. A delegation under this subpart shall take effect only with the  
29 approval of both the board of directors and the director, and may be made only to a

32 **Section 161.** That § 58-29C-56 be AMENDED:

1           **58-29C-56. Member assessment as offset against premium tax liability.**

2           A. A member insurer may offset against its premium tax liability to this state an  
3 assessment described in subpart ~~58-29C-52H-H~~ of § 58-29C-52 to the extent of twenty  
4 percent of the amount of the assessment for each of the five calendar years following the  
5 year in which the assessment was paid. If the assessment is five hundred dollars or less,  
6 the member insurer shall take the total offset in the first year following the year in which  
7 the assessment was paid. However, total assessments offset against premium taxes may  
8 not exceed two million dollars in any year. If offsets exceed the annual limitation in this  
9 section, the excess may be carried forward to a subsequent year in which the annual  
10 limitation has not been exceeded. Any excess shall be apportioned among the contributing  
11 insurers in relation to their assessment that caused the limit to be exceeded. In the event  
12 a member insurer should cease doing business, all uncredited assessments may be  
13 credited against its premium tax liability for the year it ceases doing business.

14           B. Any sums that are acquired by refund, pursuant to subpart ~~58-29C-52F-F~~ of § 58-  
15 29C-52, from the association by member insurers, and that have been offset against  
16 premium taxes as provided in subpart A of this section, shall be paid by the insurers to  
17 this state in such manner as the tax authorities may require. The association shall notify  
18 the director that refunds have been made.

19   **Section 162.** That § 58-29C-57 be AMENDED:

20           **58-29C-57. Liability for unpaid assessment not reduced for impaired or**  
21 **insolvent insurer--Records of meetings--Association as creditor of impaired or**  
22 **insolvent insurer--Liquidation, rehabilitation, or conservation proceedings.**

23           A. This chapter may not be construed to reduce the liability for unpaid assessments  
24 of the insureds of an impaired or insolvent insurer operating under a plan with assessment  
25 liability.

26           B. Records shall be kept of all meetings of the board of directors to discuss the activities  
27 of the association in carrying out its powers and duties under § 58-29C-51. The records  
28 of the association with respect to an impaired or insolvent insurer may not be disclosed  
29 prior to the termination of a liquidation, rehabilitation, or conservation proceeding  
30 involving the impaired or insolvent insurer, except (i) upon the termination of the  
31 impairment or insolvency of the insurer, or (ii) upon the order of a court of competent  
32 jurisdiction. Nothing in this subpart shall limit the duty of the association to render a report  
33 of its activities under § 58-29C-58.

1 C. For the purpose of carrying out its obligations under this chapter, the association  
2 shall be deemed to be a creditor of the impaired or insolvent insurer to the extent of assets  
3 attributable to covered policies reduced by any amounts to which the association is entitled  
4 as subrogee pursuant to subpart ~~§ 58-29C-51K~~ K of § 58-29C-51. Assets of the impaired  
5 or insolvent insurer attributable to covered policies shall be used to continue all covered  
6 policies and pay all contractual obligations of the impaired or insolvent insurer as required  
7 by this chapter. Assets attributable to covered policies, as used in this subpart, are that  
8 proportion of the assets which the reserves that should have been established for such  
9 policies bear to the reserves that should have been established for all policies of insurance  
10 written by the impaired or insolvent insurer.

11 D. As a creditor of the impaired or insolvent insurer as established in subpart C of this  
12 section and consistent with § 58-29B-98, the association and other similar associations  
13 shall be entitled to receive a disbursement of assets out of the marshaled assets, from  
14 time to time as the assets become available to reimburse it, as a credit against contractual  
15 obligations under this chapter. If the liquidator has not, within one hundred twenty days  
16 of a final determination of insolvency of an insurer by the receivership court, made an  
17 application to the court for the approval of a proposal to disburse assets out of marshaled  
18 assets to guaranty associations having obligations because of the insolvency, then the  
19 association shall be entitled to make application to the receivership court for approval of  
20 its own proposal to disburse these assets.

21 E. (1) Prior to the termination of any liquidation, rehabilitation, or conservation  
22 proceeding, the court may take into consideration the contributions of the respective  
23 parties, including the association, the shareholders, and policy owners of the insolvent  
24 insurer, and any other party with a bona fide interest, in making an equitable distribution  
25 of the ownership rights of the insolvent insurer. In such a determination, consideration  
26 shall be given to the welfare of the policy owners of the continuing or successor insurer.

27 (2) No distribution to stockholders, if any, of an impaired or insolvent insurer shall be  
28 made until and unless the total amount of valid claims of the association with  
29 interest thereon for funds expended in carrying out its powers and duties under  
30 § 58-29C-51 with respect to the insurer have been fully recovered by the  
31 association.

32 F. (1) If an order for liquidation or rehabilitation of an insurer domiciled in this state  
33 has been entered, the receiver appointed under the order has a right to recover on behalf  
34 of the insurer, from any affiliate that controlled it, the amount of distributions, other than  
35 stock dividends paid by the insurer on its capital stock, made at any time during the five

1 years preceding the petition for liquidation or rehabilitation subject to the limitations of  
2 subdivisions (2) to (4), inclusive.

3 (2) No such distribution is recoverable if the insurer shows that when paid the  
4 distribution was lawful and reasonable, and that the insurer did not know and could  
5 not reasonably have known that the distribution might adversely affect the ability  
6 of the insurer to fulfill its contractual obligations.

7 (3) Any person who was an affiliate that controlled the insurer at the time the  
8 distributions were paid is liable up to the amount of distributions received. Any  
9 person who was an affiliate that controlled the insurer at the time the distributions  
10 were declared, shall be liable up to the amount of distributions which would have  
11 been received if they had been paid immediately. If two or more persons are liable  
12 with respect to the same distributions, they shall be jointly and severally liable.

13 (4) The maximum amount recoverable under this subpart shall be the amount needed  
14 in excess of all other available assets of the insolvent insurer to pay the contractual  
15 obligations of the insolvent insurer.

16 (5) If any person liable under subdivision (3) is insolvent, all its affiliates that controlled  
17 it at the time the distribution was paid, shall be jointly and severally liable for any  
18 resulting deficiency in the amount recovered from the insolvent affiliate.

23 in which premiums or charges are deposited. Withdrawals from such account shall be  
24 made as provided in the written agreement between the administrator and the insurer.  
25 The written agreement shall address the following:
