1 **An Act to legalize the growth, production, and transportation of industrial hemp in**
 2 **the state, and to declare an emergency.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1.** That a NEW SECTION be added:

5 **38-35-1. Definitions.**

7 (1) "Department," the Department of Agriculture;

8 (2) "Hemp" or "industrial hemp," the plant Cannabis sativa L. and any part of that
 9 plant, including the seeds thereof and all derivatives, extracts, cannabinoids,

 17 tetrahydrocannabinol concentration of not more than three-tenths of one percent,
 18 derived from or made by processing industrial hemp;

19 (5) "Lot," a contiguous area in a field containing the same variety or strain of hemp
 20 throughout the area;

21 (6) "Process" or "processing," to convert or converting industrial hemp into industrial
 22 hemp product;

23 (7) "Processor," a person who processes industrial hemp;

4 **Section 2.** That a NEW SECTION be added:

5 **38-35-2. Purchasing, receiving, or obtaining industrial hemp--License**
6 **required--Penalty.**

7 No person may purchase, receive, or obtain industrial hemp, other than industrial
8 hemp product, for planting, storing, propagating, producing, or processing unless the
9 person has a license as provided by this chapter or is working under contract with or under
10 the direction of a licensee. The licensee is responsible, either civilly or criminally, for any
11 person working under contract with or under the direction of a licensee for all sections of
12 this chapter.

13 It shall be a Class 2 misdemeanor to purchase, receive, or obtain industrial hemp,
14 other than industrial hemp product, for planting, storing, propagating, producing, or
15 processing without a license. No unlicensed person is subject to criminal penalties for
16 possession or distribution of hemp seed.

17 A person, whether or not licensed, who possesses or distributes a product
18 determined to meet the definition of marijuana is subject to prosecution and penalties for
19 possession or distribution of marijuana under chapter 22-42.

20 **Section 3.** That a NEW SECTION be added:

21 **38-35-3. Application for grower license.**

22 After the department receives approval by the United States Secretary of
23 Agriculture for the state plan submitted pursuant to § 38-35-15, any person seeking to
24 purchase, receive, or obtain industrial hemp, other than industrial hemp product, for
25 planting, storing, propagating, or producing shall apply to the secretary for a grower
26 license on an application form prescribed by the department and submit a nonrefundable
27 annual application fee. The department shall establish a sixty-day period in which an
28 application must be received. The secretary shall deposit fees collected under this chapter
29 in the hemp regulatory program fund.

30 No application for licensure to plant, grow, or produce industrial hemp may be for
31 less than five contiguous outdoor acres.

32 **Section 4.** That a NEW SECTION be added:

1 **38-35-4. Application for processor license--Fee--Location notice.**

2 After the department receives approval by the United States Secretary of
3 Agriculture for the state plan submitted pursuant to § 38-35-15, any person seeking to
4 purchase, receive, or obtain industrial hemp, other than industrial hemp product, for
5 processing shall apply to the secretary for a processor license on an application form
6 prescribed by the department and submit a nonrefundable annual application fee. The
7 applicant may submit an application form for a processor license at any time. The
8 secretary shall deposit fees collected under this chapter in the hemp regulatory program
9 fund.

10 The applicant shall provide to the department the street address, legal description,
11 and global positioning system coordinates for any location where hemp will be processed
12 under the processor's license and certify that any location where hemp is to be processed
13 is under the control of the applicant. A processor licensee shall provide notice of any
14 change in ownership or location to the department within two days of a change. A change
15 of ownership or location automatically invalidates the license, and a new license must be
16 obtained.

17 **Section 5.** That a NEW SECTION be added:

18 **38-35-5. Criminal background check--Denial of license for conviction--**
19 **Licensure exemption.**

20 Each applicant for any license under this chapter, key participant, and landowner,
21 if the applicant is the lessee, shall submit to a state and federal criminal background
22 investigation by means of fingerprint checks by the Division of Criminal Investigation and
23 the Federal Bureau of Investigation. Upon application for a license, the department shall
24 submit the completed fingerprint cards to the division. Upon completion of the criminal
25 background check, the division shall forward to the department all information obtained
26 as a result of the criminal background check. This information shall be obtained prior to
27 licensure of the applicant. All costs or fees associated with the criminal background checks
28 are the responsibility of the applicant. Information provided to the department under this
29 section is confidential, is not public record, and is exempt from the provisions of chapter
30 1-27. However, the department may share this information with law enforcement and the
31 Department of Public Safety. Failure to submit to or cooperate with a criminal background
32 check is grounds for denial or revocation of a license. The secretary may deny licensure if
33 any applicant, key participant, or landowner has been convicted of a misdemeanor or
34 felony relating to a controlled substance or marijuana under state or federal law within

1 the previous ten years. Licensure under this chapter is not required for employees of the
2 state of South Dakota when performing official duties.

3 **Section 6.** That a NEW SECTION be added:

4 **38-35-6. Hemp regulatory program fund--Purpose--Expenditures.**

5 There is hereby created within the state treasury the hemp regulatory program
6 fund, into which all application fees, license fees, inspection fees, and other fees or
7 revenue paid to the state from the operation of the hemp regulatory program shall be
8 deposited. All moneys in the fund created in this section shall be used for the purpose of
9 administering the hemp regulatory program. Interest earned on money in the fund shall
10 be deposited into the fund. Expenditures from the fund shall be appropriated through the
11 normal budget process.

12 **Section 7.** That a NEW SECTION be added:

13 **38-35-7. License issuance--Denial, revocation, or suspension--Contested**
14 **case.**

15 If the applicant has completed the application to the satisfaction of the secretary,
16 paid the application fee, returned a criminal background check compliant with § 38-35-5,
17 and is eligible for a license under this chapter, the secretary shall issue the license upon
18 receipt of an annual license fee and upon the licensee's agreement and affirmance that as
19 a continuing condition of licensure, the department shall have unlimited access to all lots
20 or licensed locations processing hemp without prior notice to the licensee or the need to
21 obtain a search warrant or court order for access to enforce the provisions of this chapter.

22 A grower license issued under this chapter is valid for fifteen months from the date
23 of issuance. A processor license issued under this chapter expires on December thirty-first
24 in the calendar year for which it was issued.

25 The department may deny, revoke, or suspend a license of any person who:

26 (1) Violates any provision of this chapter or administrative rule promulgated under the
27 authority of this chapter;

28 (2) Violates any rule set forth by the United States Department of Agriculture regarding
29 industrial hemp;

30 (3) Provides false or misleading information in connection with any application required
31 by this chapter;

32 (4) Has been convicted of a misdemeanor or felony relating to a controlled substance
33 or marijuana under state or federal law within the previous ten years; or

1 (5) Has been charged with or convicted of a misdemeanor or felony relating to a
2 controlled substance or marijuana under state or federal law since the most recent
3 criminal background check.

4 Any person whose license is denied, revoked, or suspended under this section may
5 request a hearing pursuant to chapter 1-26.

6 **Section 8.** That a NEW SECTION be added:

7 **38-35-8. Planting--Documentation to be filed--Contents.**

8 Within thirty days of planting, each grower licensee under this chapter shall file
9 with the department documentation as required by the secretary in order to identify the
10 type and variety of each hemp seed planted with its corresponding lot. Any documentation
11 provided under this section is not an open record pursuant to chapter 1-27 and may not
12 be disclosed except to the Department of Public Safety or law enforcement. The
13 department may make publicly available a list of all types and varieties of planted hemp
14 seed submitted to the department.

15 **Section 9.** That a NEW SECTION be added:

16 **38-35-9. Entrance by department--Consent--Fee--Inspection, confiscation,**
17 **and disposal--Costs--Liability for destruction--Records.**

18 The secretary shall contract with the Department of Public Safety to conduct
19 inspections and sampling of each lot and any processor location. The department and the
20 Department of Public Safety may enter on any land or other property where hemp is
21 grown, produced, stored, or processed for the purpose of inspections, sample collection,
22 testing, or investigation while enforcing this chapter. Any person who holds a license under
23 this chapter is deemed to have given consent to the reasonable search and seizure of any
24 hemp without a warrant to determine the lawful amount of delta-9 tetrahydrocannabinol
25 concentration and for enforcement of the provisions of this chapter.

26 The secretary shall assess a grower inspection fee per lot for grower licensees and
27 shall assess a processor inspection fee per location for processor licensees.

28 Any substance found to be in violation of this chapter is subject to confiscation and
29 disposal at the direction of the Department of Public Safety. Any costs arising from the
30 destruction, confiscation, or disposal are the responsibility of the grower, producer,
31 processor, or owner of the substance. The state is not liable for any confiscation, seizure,
32 disposal, or destruction of any substance carried out under this chapter. Any testing,
33 inspection, and investigation results shall be provided to the licensee. Notice of any

1 violation shall be provided to the licensee in writing. Inspection and investigation records
2 are not open records pursuant to chapter 1-27.

3 **Section 10.** That a NEW SECTION be added:

4 **38-35-10. Inspection timing and procedure--Disclose information.**

5 Every lot of a grower licensee shall be inspected and samples collected no more
6 than fifteen days before the hemp is harvested. The grower licensee shall contact the
7 Department of Public Safety prior to harvest in order to ensure a reasonable amount of
8 time to schedule an inspection. The grower licensee shall be present during the inspection.
9 No harvested lot of hemp shall be commingled with another harvested lot of hemp or other
10 material except with documented prior written permission by the department or the United
11 States Department of Agriculture. No hemp may leave the dominion of control of the
12 grower licensee until the grower licensee receives a laboratory result from the department
13 that confirms each lot complies with 7 U.S.C. Chapter 38, Subchapter VII, as provided in
14 7 C.F.R 990.70(d) and 990.71(d) in effect as of January 1, 2020.

15 Any location of the processor licensee may be subject to random inspection. The
16 processor licensee shall be present during the inspection.

17 **Section 11.** That a NEW SECTION be added:

18 **38-35-11. Promulgation of rules--Fees.**

19 The department shall promulgate rules, pursuant to chapter 1-26, to:
20 (1) Establish application, application form, licensure, and renewal procedures;
21 (2) Establish requirements to prevent the spread of hemp and hemp seeds from
22 licensed land areas and provide for the assessment of costs for the remediation
23 thereof;
24 (3) Establish criteria and procedures for denial, revocation, or suspension of a license
25 under this chapter;
26 (4) Make any modification or addition to the hemp regulatory program in order to
27 comply with any federal statutes or any rules and regulations regarding hemp
28 enacted or implemented by the United States Department of Agriculture;
29 (5) Establish a nonrefundable annual license application fee not to exceed fifty dollars,
30 an annual grower license fee not to exceed five hundred dollars, and an annual
31 processor license fee not to exceed two thousand dollars;
32 (6) Establish procedures for the collection of planting and harvest data for each lot;
33 (7) Establish labeling requirements for hemp; and

- 1 (8) Establish rules for corrective action for negligent and culpable violations of this
2 chapter.

3 **Section 12.** That a NEW SECTION be added:

4 **38-35-12. Department of Health--Promulgation of rules.**

5 The Department of Health shall promulgate rules, pursuant to chapter 1-26, to:

- 6 (1) Make any modification or addition to the hemp regulatory program in order to
7 comply with any federal statutes or any rules and regulations regarding hemp
8 enacted or implemented by the United States Department of Agriculture; and
9 (2) Establish testing procedures to determine the lawful amount of delta-9
10 tetrahydrocannabinol concentration in hemp and certifying results.

11 **Section 13.** That a NEW SECTION be added:

12 **38-35-13. Department of Public Safety--Promulgation of rules.**

13 The Department of Public Safety shall promulgate rules, pursuant to chapter 1-26,
14 to:

- 15 (1) Make any modification or addition to the hemp regulatory program in order to
16 comply with any federal statutes or any rules and regulations regarding hemp
17 enacted or implemented by the United States Department of Agriculture;
18 (2) Establish inspection procedures and requirements, a grower inspection fee per lot
19 not to exceed two hundred fifty dollars, and a processor inspection fee per any
20 processor location not to exceed five hundred dollars;
21 (3) Establish transportation and permit requirements including assessment of a permit
22 fee not to exceed twenty-five dollars;
23 (4) Establish sampling and testing procedures to determine the lawful amount of delta-
24 9 tetrahydrocannabinol concentration in hemp; and
25 (5) Establish rules for corrective action for negligent and culpable violations of this
26 chapter.

27 **Section 14.** That a NEW SECTION be added:

28 **38-35-14. Testing samples--Exceeding concentration--Destruction of lot.**

29 All testing shall be conducted by a laboratory approved by the Drug Enforcement
30 Administration. If a test reveals a delta-9 tetrahydrocannabinol concentration of more
31 than three-tenths of one percent but not more than five-tenths of one percent, the licensee

1 may request a retest at the licensee's expense. If, upon the retesting, the delta-9
2 tetrahydrocannabinol concentration exceeds three-tenths of one percent, the entire lot
3 from which the noncompliant sample was collected shall be destroyed as provided by § 38-
4 35-9.

5 **Section 15.** That a NEW SECTION be added:

6 **38-35-15. State hemp production plan--Submission to United States**
7 **Department of Agriculture--Establishment of program.**

8 The department shall work with the attorney general to develop a state hemp
9 production plan and submit the plan to the United States Department of Agriculture for
10 approval of a program to license the growth, production, storage, processing, and
11 transportation of industrial hemp in South Dakota. The department shall establish a
12 program once approval is received by the United States Department of Agriculture.

13 **Section 16.** That a NEW SECTION be added:

14 **38-35-16. Transportation--Consent to search and seizure--Inspection by law**
15 **enforcement--Penalty.**

16 Any transporter is deemed to have given consent to the reasonable search and
17 seizure by law enforcement of any hemp without a warrant to determine the lawful amount
18 of delta-9 tetrahydrocannabinol concentration. Any law enforcement officer may require
19 any transporter to stop for the purposes of inspection. During a stop, a law enforcement
20 officer may collect a sample of any hemp for the purpose of testing for any concentration
21 of delta-9 tetrahydrocannabinol that exceeds three-tenths of one percent on a dry weight
22 basis. Each sample collected by law enforcement may not exceed eight ounces.

23 It is a Class 2 misdemeanor to transport industrial hemp, but not industrial hemp
24 product, without appropriate documentation demonstrating compliance with an industrial
25 hemp program of a federal, state, or tribal authority, in addition to any permit or
26 documentation required by § 38-35-17.

27 **Section 17.** That a NEW SECTION be added:

28 **38-35-17. Transportation permit requirements--Two types of transportation**
29 **permits--Required documentsion.**

30 An industrial hemp transportation permit is required for any transporter traveling
31 within or through the state. No person shall transport hemp in this state concurrently with

1 any other plant material that is not hemp. During transportation, a transporter shall have
2 the permit in the transporter's physical possession. The Department of Public Safety shall
3 assess an industrial hemp transportation permit fee and the fee shall be deposited in the
4 state highway fund. A transporter shall apply for an industrial hemp transportation permit
5 on a form provided by the Department of Public Safety. The Department of Public Safety
6 shall make available two types of an industrial hemp transportation permit.

7 Grower licensees pursuant to § 38-35-3 may apply for the grower licensee
8 transportation permit that shall be exclusively for the transportation of the grower
9 licensee's industrial hemp from the land as described in the licensee's application to the
10 storage location as described in the licensee's application. The grower licensee shall
11 exercise dominion of control over the means of transportation and the storage location at
12 all times. The grower licensee transportation permit is valid for the length of the grower
13 license. During transportation pursuant to the grower licensee transportation permit, the
14 transporter may only be the grower licensee, a key participant, or a person working under
15 contract with or under the direction of the grower licensee. The transporter shall have in
16 the transporter's physical possession a copy of the grower license under which the
17 industrial hemp was grown or produced and a manifest that includes the following
18 information about the industrial hemp being transported: the specific name and address
19 of the transporter, the specific lot from which the hemp was harvested, the destination
20 storage location for the hemp, and the type of vehicle being used.

21 All other transporters shall obtain the general hemp transportation permit. During
22 transportation pursuant to the general hemp transportation permit, the transporter shall
23 have in the transporter's physical possession the following documentation:

- 24 (1) A copy of the license under which the industrial hemp was grown or produced;
25 (2) A laboratory report produced by a Drug Enforcement Administration-registered
26 laboratory that confirms the lot of origin of all hemp being transported complies
27 with 7 U.S.C. Chapter 38, Subchapter VII, as provided in 7 C.F.R 990.70(d) and
28 990.71(d) in effect as of January 1, 2020;
29 (3) A signed affirmation from the licensee and the transporter that no illicit drugs or
30 variations of hemp not explicitly authorized by 7 U.S.C. Chapter 38, Subchapter
31 VII will be transported; and
32 (4) A bill of lading or manifest that includes the shipment contents, the specific name
33 and address of the transporter, the specific name and address of the origin and lot
34 of origin, the destination of the shipment, the total weight of the load, and the type
35 of vehicle being used.

1 A transporter, applying for either type of permit, shall submit a permit form to the
2 Department of Public Safety at least five business days before the trip. A transporter who
3 falsifies any information contained on a permit form submitted to the Department of Public
4 Safety shall be reported to the hemp program under which the industrial hemp being
5 transported was grown, in addition to any other sanction or criminal charge allowed under
6 this chapter or title 22. Failure to physically possess an appropriate permit and all proper
7 documentation is probable cause to believe that the substance being transported is subject
8 to the provisions of § 38-35-9 and is probable cause to believe that the transporter is
9 subject to the provisions of chapter 22-42. No political subdivision, agency, law
10 enforcement officer, or the state is liable for the seizure, spoilage, or destruction of any
11 hemp shipment that does not meet the requirements of this chapter, regardless of whether
12 the shipment is later established to be industrial hemp.

13 **Section 18.** That a NEW SECTION be added:

14 **38-35-18. Rules of United States Department of Agriculture.**

15 Each applicant, licensee, key participant, and transporter of industrial hemp, other
16 than industrial hemp product, shall abide by any rules set forth by the United States
17 Department of Agriculture.

18 **Section 19.** That a NEW SECTION be added:

19 **38-35-19. Reporting to attorney general.**

20 The attorney general shall annually collect and compile information, statistical and
21 otherwise, which will, as far as practicable, present an accurate survey and may be useful
22 in the study of the effect legalizing industrial hemp has had on controlled substance and
23 marijuana prosecutions in this state, including the extent and character of alleged crimes
24 not prosecuted or dismissed, the operations of police in drug investigations, the charging
25 discretion of prosecuting attorneys, and the administration of criminal justice due to the
26 legalization of industrial hemp. All information collected under this section shall be
27 reported annually to the Governor and Legislature by December first each year.

28 **Section 20.** That a NEW SECTION be added:

29 **38-35-20. Coordination with other government entities.**

30 The department, Department of Health, and Department of Public Safety may
31 provide to another state, local, tribal, or federal government entity, any specific licensee

1 or permittee information as may be necessary to verify the legality or compliance of any
2 licensee or permittee under this chapter. Application for, and receipt of, a license or permit
3 under this chapter serves as the applicant's consent to provide information without prior
4 notice or disclosure to the applicant that the information will be or has been shared.

5 **Section 21.** That a NEW SECTION be added:

6 **38-35-21. Industrial hemp for smoking prohibited--Penalty.**

7 The sale or use of industrial hemp for smoking or inhaling is prohibited. A violation
8 of this section is a Class 1 misdemeanor.
