

AN ACT

ENTITLED, An Act to revise certain provisions relating to a commercial driver's instruction permit and to clarify the issuance of a commercial driver's license work permit.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. That § 32-12-82 be amended to read as follows:

32-12-82. No person may drive a commercial motor vehicle on the highways of this state unless the person holds and has in immediate possession a commercial driver's license with applicable endorsements valid for the vehicle the person is driving or is driving under a commercial driver's instruction permit. A violation of this section is a Class 2 misdemeanor.

Section 2. That § 32-12-117 be amended to read as follows:

32-12-117. If a person's driver's license or privilege to drive has been suspended or revoked for a violation committed while driving a noncommercial vehicle and the court issues an order permitting the person to operate a motor vehicle for purposes of the person's employment, the department shall, at the request of the court, issue a commercial driver's work permit to be used by the person to drive a commercial motor vehicle only for employment purposes during the period of suspension or revocation. The fee for a work permit is fifteen dollars. However, no commercial driver's work permit may be issued pursuant to this section to any person if that person's driver's license or privilege to drive has been suspended or revoked within the three year period immediately preceding the current violation. No commercial driver's work permit may be issued pursuant to this section to a school bus driver.

If a person operating with a commercial driver's work permit is convicted of a moving traffic violation or is found to be in violation of restrictions imposed by the work permit, the person's work permit may be canceled and the person is not eligible for another permit during the current suspension or revocation period.

An Act to revise certain provisions relating to a commercial driver's instruction permit and to clarify the issuance of a commercial driver's license work permit.
