Any physician performing or treating abortions shall obtain a reporting form from the department and shall complete and submit the reporting form to the department no later than January fifteenth for any abortion performed or treated during the previous calendar year.

Each public report shall also provide such

detailed information for all previous calendar years, adjusted to reflect any additional information from late or corrected reports. The department shall take care to ensure that none of the information included in the public reports may reasonably lead to identification of any physician who performed or treated an abortion or any mother who has had an abortion.

Section 4. That chapter 34-23A be amended by adding thereto a NEW SECTION to read as follows:

No later than October 1, 1998, the Department of Health shall prepare a reporting form for physicians which shall provide for the collection of the following information:

- (4) The number of abortions performed by the physician in which information otherwise required to be provided at least twenty-four hours before the abortion was not provided

because an immediate abortion was necessary to avert the female's death, and the number of abortions in which such information was not so provided because a delay would create serious risk of substantial and irreversible impairment of a major bodily function.

Section 5. That chapter 34-23A be amended by adding thereto a NEW SECTION to read as follows:

By February twenty-eighth of each year, each physician who provided, or whose agent provided, information to one or more females in accordance with § 34-23A-10.1 during the previous calendar year shall submit to the Department of Health a copy of the physicians' information report form described in section 4 of this Act with the requested data entered accurately and completely.

By February twenty-eighth of each year, each physician who provided, or whose agent provided, the notice described in § 34-23A-7, and any physician who knowingly performed an abortion upon a female or upon a female for whom a guardian or conservator had been appointed because of a finding of incompetency during the previous calendar year shall submit to the Department of Health a copy of the physicians' information report form described in section 6 of this Act with the requested data entered accurately and completely.

Section 8. That chapter 34-23A be amended by adding thereto a NEW SECTION to read as follows:

Any physician who fails to submit any report required by this Act within a grace period of thirty days following the due date is subject to a late fee of five hundred dollars for each additional thirty-day period, or portion of a thirty-day period, that each report is overdue. No report made under this Act may include the name of any female having an abortion. The Department of Health shall take care to ensure that none of the information included in any report required by this Act including printed records, computerized records, or stored information of any type, can reasonably lead to the identification of any person obtaining an abortion.

Section 12. That chapter 34-23A be amended by adding thereto a NEW SECTION to read as follows:

For purposes of this Act only, the term, induced abortion, means the use of any means to intentionally terminate the pregnancy of a female known to be pregnant with knowledge that the termination with those means will, with reasonable likelihood, cause the death of the embryo or fetus.
