33-15-8. In the event of disaster, war, act of terrorism as defined in state law, or emergency that is beyond local government capability, the Governor:

- (5) May control the ingress and egress in a designated disaster or emergency area, the

movement of vehicles upon highways within the area, the movement of persons within the area, and the occupancy of premises within the area;

- (6) May procure, acquire, store, distribute, and dispense any pharmaceutical agents or medical supplies located within the state as may be reasonable and necessary to respond to the disaster, emergency, or act of terrorism;
- (7) May appoint and prescribe the duties of such out-of-state health care providers as may be reasonable and necessary to respond to the disaster, emergency, or act of terrorism;
- (8) May provide for the examination and safe disposal of any dead body as may be reasonable and necessary to respond to the disaster, emergency, or act of terrorism; and
- (9) May provide for the protection, construction or reconstruction, repair, and maintenance of public or private transportation facilities.
