12            **3-12C-209.** The board shall appoint an executive director, qualified by training  
 13            and experience, to serve at the pleasure of the board. The board shall fix the compensation

19            The board shall report any change in the executive director's compensation above  
 20            the state employee salary policy to the Retirement Laws Committee before July first for

31        **Section 17. That § 3-12C-214 be AMENDED:**

1           **3-12C-214.** If any change or error in the records of the system or any participating  
 2 unit results in any person receiving from the system less than the person would have been  
 3 entitled to receive had the records been correct, the executive director ~~shall~~ must correct  
 4 the error and, as far as practicable, ~~shall~~ adjust the payment to provide the person the  
 5 amount to which the person is correctly entitled.

6           If any change or error in the records of the system or any participating unit results  
 7 in any person receiving from the system more than the person would have been entitled  
 8 to receive had the records been correct, the executive director ~~shall~~ must correct the error  
 9 and, as far as practicable, ~~shall~~ recover the overpayment to reflect the amount to which  
 10 the person is correctly entitled. The board shall promulgate rules, pursuant to chapter 1-  
 11 26, concerning the methods by which an overpayment ~~shall~~ must be repaid, including an  
 12 actuarial equivalent. ~~However, the~~ The recovery of an overpayment is limited to the  
 13 amount attributable to any error that occurred during the six-year period immediately  
 14 before the discovery of the error. This limitation does not apply in the case of fraud,  
 15 intentional misrepresentation, material omission, or other fault on the part of a member  
 16 or beneficiary.

17           Upon request, a member of the system may, during business hours, inspect any  
 18 file directly relating to the member and request the correction of any alleged errors in the  
 19 file.

20   **Section 18. That a NEW SECTION be added to chapter 3-12C:**

21           Any member required to repay an overpayment of benefits may choose one of the  
 22 following repayment methods:

- 23   (1) Immediate repayment in a lump sum from other funds;  
 24   (2) Repayment by monthly installments over a period not to exceed three years, plus  
 25   interest at the system's assumed rate of return;  
 26   (3) Repayment by monthly benefit reductions over a period not to exceed three years,  
 27   plus interest at the system's assumed rate of return; or  
 28   (4) Repayment by an actuarial equivalent reduction in monthly benefits as follows:  
 29   (a) If the member is a foundation member and does not have a spouse, the  
 30   reduction must continue for the member's lifetime. If the member is a  
 31   foundation member with a potential surviving spouse benefit payable, the  
 32   reduction must reduce both the member's monthly benefits and the  
 33   surviving spouse's monthly benefits and must continue for both the  
 34   member's and the surviving spouse's lifetimes; or

1           **(b)** If the member is a generational member and elected a single life benefit,  
2           the reduction must continue for the member's lifetime. If the member is a  
3           generational member with a joint and survivor benefit payable, the  
4           reduction must reduce both the member's monthly benefits and the  
5           surviving spouse's monthly benefits and must continue for both the  
6           member's and the surviving spouse's lifetimes.

7           If a member required to repay an overpayment does not choose a repayment  
8           option within two months after being given notice of the overpayment, the member is  
9           deemed to have chosen to make repayment by an actuarial equivalent reduction in  
10           monthly benefits. If repayment is pursuant to an actuarial equivalent reduction by either  
11           the member's choice or the member's failure to choose a repayment option, system staff  
12           must inform the member that the reduction is unlikely to result in repayment of the exact  
13           amount of the overpayment, plus interest if appropriate, and the member is presumed to  
14           understand.

15           If repayment is delayed for more than three months, interest on the overpayment  
16           amount must accrue during the period of delay at the system's assumed rate of return. If  
17           any overpayment is due to a system error, the executive director may absolve any interest  
18           accrual.

19           **Section 19. That a NEW SECTION be added to chapter 3-12C:**

20           Any person other than a member who is required to repay an overpayment of  
21           benefits may choose one of the following repayment methods:

- 22           (1) Immediate repayment in a lump sum from other funds;  
23           (2) Repayment by monthly installments over a period not to exceed three years, plus  
24           interest at the system's assumed rate of return;  
25           (3) Repayment by monthly benefit reductions over a period not to exceed three years,  
26           plus interest at the system's assumed rate of return; or  
27           (4) Repayment by an actuarial equivalent reduction in monthly benefits that must  
28           continue as long as the benefit is paid.

29           If the person required to repay an overpayment is receiving a benefit from the  
30           system and does not choose a repayment option within two months after being given  
31           notice of the overpayment, the person is deemed to have chosen to make repayment by  
32           an actuarial equivalent reduction in monthly benefits. If repayment is pursuant to an  
33           actuarial equivalent reduction by either the person's choice or the person's failure to  
34           choose a repayment option, system staff must inform the person that the reduction is

1 unlikely to result in repayment of the exact amount of the overpayment plus interest if  
2 appropriate, and the person is presumed to understand.

3 If repayment is delayed for more than three months, interest on the overpayment  
4 amount must accrue during the period of delay at the system's assumed rate of return. If  
5 any overpayment is due to a system error, the executive director may absolve any interest  
6 accrual.

7 **Section 20. That a NEW SECTION be added to chapter 3-12C:**

8 If a qualified domestic relations order provides that a member's former spouse  
9 must be treated as a beneficiary for any payment pursuant to § 3-12C-409, the provision  
10 must supersede any contrary beneficiary designation by the member. The provision of the  
11 qualified domestic relations order and the member's beneficiary designation must be  
12 administered in a manner that gives full effect to the order and both proportional and  
13 equitable effect to the member's designation of any beneficiary.

14 **Section 21. That a NEW SECTION be added to chapter 3-12C:**

15 The provisions of a qualified domestic relations order are prospective from the date  
16 of the order. Any division of benefits paid prior to the date of the order, service of the  
17 order upon the system, or qualification of the order by the system, whichever is later,  
18 must be the responsibility of the parties to the order. The executive director may agree to  
19 adjust future payments to remedy an error in prior payments, if the error in prior  
20 payments involved the system.

21 **Section 22. That a NEW SECTION be added to chapter 3-12C:**

22 The benefit to a surviving spouse upon the death of a member who had retired or  
23 reached normal retirement age is an independent benefit belonging to the surviving  
24 spouse for the purpose of administering an existing qualified domestic relations order.

25 **Section 23. That § 3-12C-226 be AMENDED:**

26 **3-12C-226.** To determine and verify the adequacy of ~~the~~ any member and  
27 employer contributions to the system, an actuarial valuation of the system ~~shall~~ must be  
28 made annually by an approved actuary.

29 The actuarial valuation ~~shall include~~ must provide:

1 (1) A demonstration of the relationship of ~~the~~ any current member and employer  
 2 contributions, expressed as a percentage of payroll, to the minimum actuarial  
 3 requirement to support benefits; and

4 (2) The current year's actuarial value funded ratio and fair value funded ratio, ~~as well~~  
 5 as the ratios from the prior actuarial valuations.

6 For purposes of this section, "actuarial value funded ratio" means the actuarial  
 7 value of assets divided by the actuarial accrued liability.

8 **Section 24. That § 3-12C-227 be AMENDED:**

9 **3-12C-227.** The actuarial valuation required by § 3-12C-226 ~~shall~~ must be based  
 10 on actuarial assumptions adopted by the ~~Board of Trustees~~ board, as a result of an  
 11 actuarial experience analysis. The board may not make any change in the actuarial  
 12 assumptions unless the approved actuary retained to make the actuarial valuation certifies  
 13 that the change is reasonable. If the board makes ~~any such a~~ a change, ~~it shall~~ the board  
 14 must report the change to the Governor and to the Retirement Laws Committee. The  
 15 report ~~shall~~ must include the actuary's and board's analysis of the conditions that led to  
 16 the change.

17 **Section 25. That § 3-12C-308 be AMENDED:**

18 **3-12C-308.** Employees of an eligible political subdivision or public corporation not  
 19 participating in the systems consolidated into the system created by this chapter, may  
 20 become a participating unit in the system if the unit commits to deposit an amount equal  
 21 to the present value of benefits earned to date, based on the employee's prior service to  
 22 the unit to be covered by the system. The expense of the actuarial determination of this  
 23 amount ~~shall~~ must be borne by the applicant. All eligible employees of an applicant shall  
 24 participate in the system upon admission. If the unit is unable to deposit this amount in a  
 25 single sum, the unit ~~shall~~ must have the option to pay the amount by periodic level  
 26 installments over a period up to twenty years, the value of which, when discounted for  
 27 compound interest at the assumed rate of return, is equal to the amount due at the date  
 28 of participation.

29 For purposes of this section, "present value of benefits earned to date" means:

30 (1) The present value of the benefits currently being paid to retired members, if  
 31 included, and the retired members' beneficiaries;

32 (2) The present value of the benefits payable to terminated members; and

1       (3) The actuarial accrued liability of active members, based on the actuarial  
2           assumptions and methods used in the actuarial valuation.

3       **Section 26. That § 3-12C-310 be AMENDED:**

4           **3-12C-310.** If a participating unit determines that a governmental function is to  
5       be privatized after July 1, 1997, the participating unit ~~shall~~ must pass a resolution to that  
6       effect determining the date that its employees will cease to be public employees eligible  
7       for membership in the system. The participating unit shall notify the system and the  
8       employees affected of the resolution and, after the effective date, cease to make  
9       contributions to the ~~South Dakota Retirement System~~ system, as required in §§ 3-12C-  
10      401 and 3-12C-403. Any member affected by privatization is entitled to the benefits  
11     accrued as of the effective date under the provisions of chapter 3-12C. For the purposes  
12     of determining eligibility for vesting and early retirement pursuant to § 3-12C-1111, years  
13     of service with the successor employer ~~shall~~ must be considered.

14      **Section 27. That a NEW SECTION be added to chapter 3-12C:**

15           Acquisition of years of service toward vesting or early retirement granted, pursuant  
16      to § 3-12C-310, ceases upon the member's termination of employment with the private  
17      employer, even if the member later returns to employment with the employer. A member  
18      in continuing employment with the private employer need not terminate the private  
19      employment to receive a retirement benefit from the system. The member may not  
20      acquire additional years of service after the member begins receiving the benefit.

21      **Section 28. That a NEW SECTION be added to chapter 3-12C:**

22           Each participating unit shall appoint an employee to serve as an authorized agent  
23      between the participating unit and the system.

24      **Section 29. That § 3-12C-402 be AMENDED:**

25           **3-12C-402.** Each participating unit shall make an additional contribution in the  
26      amount of six and two-tenths percent of any foundation member's compensation in each  
27      calendar year that exceeds the maximum taxable amount for social security for the  
28      calendar year. The additional ~~contributions shall~~ contribution may be made only for Class  
29      A foundation members and may not be treated as an employer contributions contribution.

1 **Section 30. That § 3-12C-403 be AMENDED:**

 2 accordance with this section ~~shall~~ must be determined and due at the time the notice of  
 3 intention to make the payment is received by the system. The amount due may be paid  
 4 by periodic level installments over a period of up to ten years, the value of which, if

 6 date of the notice. If a member dies before completion of the installment payments, the

 11 when due, the executive director may make a pro rata adjustment to the credited service,  
 12 benefits payable under this chapter, or schedule of payments to allow for the default.

13 If the credited service of any member or group of members becomes a Class B  
 14 credited service on a prospective basis after June 30, 1993, the prior credited service as

 16 section.

17 If a jailer becomes a Class B public safety member ~~other than a justice, judge, or~~  
 18 ~~magistrate judge~~, the jailer is eligible to convert prior credited service as a jailer under  
 19 this section.

20 **Section 38. That § 3-12C-519 be AMENDED:**

21 **3-12C-519.** If a current contributing Class B public safety member of this system,  
 22 ~~other than a justice, a judge, or a magistrate judge,~~ has equivalent public service for

 25 amount equal to an ~~actuarially determined~~ actuarially determined percentage times the  
 26 appropriate Class B rate of contribution multiplied by the higher of the member's annual  
 27 compensation at the time of making the election, or the member's final average  
 28 compensation calculated as if the member retired on the date of the election, for each  
 29 year of equivalent public service for which the member wishes to receive credit as a Class  
 30 B member.

31 **Section 39. That § 3-12C-603 be AMENDED:**

32 **3-12C-603.** A member who elects to withdraw accumulated contributions, as

 7 account by rollover to an eligible plan under § 408 or 408A.

8 The board shall promulgate rules pursuant to chapter 1-26, to comply with federal  
 9 mandates regarding rollover distributions.

10 The system is not required to make an independent determination as to whether  
 11 the plan identified by a member, surviving spouse, or nonspouse beneficiary qualifies as  
 12 an eligible retirement plan. By electing a direct rollover and identifying the eligible  
 13 retirement plan to which an eligible rollover distribution is to be made, a member,  
 14 surviving spouse, or nonspouse beneficiary represents to the system that the identified  
 15 plan qualifies as an eligible retirement plan. If a member, surviving spouse, or nonspouse  
 16 beneficiary does not elect a direct rollover, the distribution ~~shall~~ must be issued in the  
 17 name of, and directly to, that ~~person~~ individual.

18 **Section 40. That § 3-12C-702 be AMENDED:**

23 **3-12C-703.** The COLA payable ~~shall~~ must be applied annually to all benefits except  
 24 those based on the member's accumulated contributions, variable retirement account, or

 26 time that a retired member reenters covered employment in the system, unless the  
 27 member retired as a Class B public safety member ~~other than a justice, judge, or~~  
 28 ~~magistrate judge~~ and subsequently has reentered covered employment as a Class A  
 29 member, or ~~unless~~ the member retired without a benefit suspension pursuant to § 3-12C-  
 30 1402, and then reentered active status before July 1, 2004. ~~Such~~ The elimination ~~shall~~ of  
 31 the COLA must cease when the member again retires and draws either a refund or an  
 32 additional retirement benefit.

1 **Section 42. That § 3-12C-711 be AMENDED:**

2 **3-12C-711.** Pursuant to ~~chapter 1-26, the~~The board shall adopt ~~may promulgate~~  
 3 ~~rules regulating,~~ in accordance with chapter 1-26, to regulate the maximum annual benefit  
 4 that may be paid to a member. The rules ~~shall~~ must be consistent with maintaining the  
 5 tax qualification of the system. No benefit may exceed the limitations imposed by § 415  
 6 of the Internal Revenue Code, as indexed pursuant to § 415(d)(1) of the Internal Revenue  
 7 Code.

8 For ~~the~~ purposes of administering the limitations imposed by § 415, ~~the term,~~  
 9 "limitation year," means a period extending from July first of one calendar year through  
 10 June thirtieth of the following calendar year.

11 **Section 43. That a NEW SECTION be added to chapter 3-12C:**

12 If a member has been credited with less than ten years of credited service, the  
 13 maximum annual retirement benefit must be reduced by multiplying the maximum annual  
 14 pension by a fraction, the numerator of which is the number of the member's years of  
 15 credited service and the denominator of which is ten.

16 The limits as provided by § 415 of the Internal Revenue Code apply to a straight  
 17 life annuity with no ancillary benefits and to an annuity that constitutes a qualified joint  
 18 and survivor annuity, provided payment begins between ages sixty-two and sixty-five.  
 19 The limits do not apply to any portion of a benefit resulting from required member  
 20 contributions made on an after-tax basis.

21 If payment begins before age sixty-two, the limits are reduced so they are  
 22 actuarially equivalent to a benefit beginning at age sixty-two.

23 For a police officer or firefighter who is a member of the system, the limit may not  
 24 be reduced for retirement before age sixty-two, regardless of retirement age, provided  
 25 that the member has completed at least fifteen years of credited service.

26 If a member's benefit is limited by the maximum annual retirement benefit, the  
 27 member may be eligible for a benefit as determined by § 3-12C-1805. The interest  
 28 assumption for purposes of determining actuarial equivalency under this section is five  
 29 percent annually. The mortality assumption is the applicable mortality table under §  
 30 417(e)(3) of the Internal Revenue Code.

31 **Section 44. That § 3-12C-804 be AMENDED:**

1           **3-12C-804.** No application for disability benefits pursuant to § 3-12C-803, may  
 2 be determined until the employer has certified to the system that, within the employer's  
 3 understanding of the member's medical condition and the employer's knowledge of the  
 4 member's employment requirements and duties, the employer is unable to provide to the  
 5 member either effective accommodations in the member's current position or a  
 6 comparable level ~~employment in another~~ position.

7           **Section 45. That § 3-12C-808 be AMENDED:**

8           **3-12C-808.** When a ~~person~~ member who is receiving a disability benefit reaches  
 9 age sixty-five, or at ~~such~~ a later date if there are no eligible children, or if over age sixty  
 10 at the time of commencement of disability, after a period of five years, the member's  
 11 disability benefit ~~shall~~ must be terminated and thereafter the member ~~shall~~ must receive  
 12 the benefit payable for service retirement at that age, calculated on the projected  
 13 compensation and projected service. If a ~~person~~ member who received a disability benefit  
 14 returns to employment prior to normal retirement age, the member's credited service  
 15 ~~shall~~ must include the time of disability.

16           If a member receiving a disability benefit ceases to be disabled, elects to convert  
 17 to a retirement benefit, or is converted to a retirement benefit pursuant to this section,  
 18 the disability benefit is terminated. The member shall receive credited service for the  
 19 period that the member receives a disability benefit, except as provided for in this section,  
 20 and not beyond the member's normal retirement age.

21           The provisions of this section apply to any member whose application for disability  
 22 benefits is received by the system prior to July 1, 2015.

23           **Section 46. That § 3-12C-809 be AMENDED:**

24           **3-12C-809.** A member's disability benefit that was based on an application  
 25 received by the system prior to July 1, 2015, ~~shall~~ must terminate thirty days after the  
 26 earliest of the following:

- 27           (1) The member ~~no longer~~ is no longer disabled;
- 28           (2) The member ~~no longer~~ is no longer subject to the medical condition that caused  
 29 the disability;
- 30           (3) The member refuses to undergo a medical examination requested by the system  
 31 for the purpose of reviewing the medical condition that caused the disability;
- 32           (4) The member returns to continuous employment in the position the member held  
 33 prior to becoming disabled; or

1 (5) The member returns to continuous employment, including self employment and  
 2 employment by an employer that is not a participating unit, in a ~~position of~~  
 3 comparable level ~~to the position to what~~ the member held prior to becoming  
 4 disabled.

5 ~~However, a~~ A member's disability benefit ~~shall~~ must terminate immediately if the  
 6 member elects to convert to a retirement benefit or if member's disability benefit is

 8 receive credited service for the period that the member received a disability benefit, but  
 9 except as provided for in § 3-12C-808, not beyond the member's normal retirement age.

10 **Section 47. That § 3-12C-901 be AMENDED:**

 16 receiving a disability benefit which commenced after July 1, 1974, and was based on an  
 17 application received by the system before July 1, 2015, the following benefits ~~shall~~ must  
 18 be paid:

- 19 (1) A surviving spouse having the care of children shall receive an annual amount,  
 20 payable in monthly installments, equal to forty percent of the member's projected  
 21 compensation, plus ten percent of the projected compensation for each child to a  
 22 maximum of six children;
- 23 (2) The conservator or custodian of each child, on whose account there is no benefit  
 24 payable under subdivision (1) of this section, shall receive on behalf of each child,  
 25 to a maximum of five children, an annual amount, payable in monthly installments,  
 26 equal to twenty percent of the member's projected compensation;
- 27 (3) If the sum of benefits payable under subdivisions (1) and (2) of this section exceeds

 33 member's accumulated contributions have not been withdrawn pursuant to § 3-  
 34 12C-906, the spouse who has reached age sixty-five shall, upon the system's

1 receipt of a completed application, receive a monthly payment equal to sixty  
 2 percent of the amount which would have been payable to the deceased member  
 3 at normal retirement age based on the member's credited and projected service,  
 4 projected compensation, and projected primary social security. If the surviving  
 5 spouse is eligible at the time of the member's death, the benefit is effective the  
 6 first day of the month following the date on which the member's contributory  
 7 service terminates. The benefit payable under this subdivision ~~shall~~ must be  
 8 increased by application of the COLA commencing each July first for each complete  
 9 twelve-month period between the date the member would have reached normal  
 10 retirement age and the date benefits commence to the spouse.

11 For benefits payable pursuant to ~~subdivisions~~ subdivision (1) or (2) of this section,  
 12 the benefit is effective the first day of the month following the date on which the member's  
 13 contributory service terminates and is payable upon the receipt of a completed application.

 8 beneficiary of the participant;

9 (c) A severe loss of income that is beyond the control of the participant;

10 (d) The loss of the participant's property due to casualty;

11 (e) The imminent foreclosure or eviction from a participant's primary residence;

13 (f) Any other similar, extraordinary, and unforeseeable circumstance arising as  
 14 a result of events beyond the control of the participant; and

15 (21) "Vendor," a person selected by the state investment officer to provide investment  
 16 or insurance products to the plan.

17 **Section 77. That a NEW SECTION be added to chapter 3-13:**

18 An eligible employee may become a participant by signing a participation  
 19 agreement.

20 Participation is effective on the first available pay date following the execution of  
 21 the participation agreement, subject to the timing of payroll processing by the participant's  
 22 employer. If a participation agreement is untimely filed for a change to be made effective  
 23 for the next following pay period, the change is effective in the subsequent pay period. If  
 24 a new employee signs and files a participation agreement on the employee's date of hire,  
 25 the agreement may become effective immediately.

26 The plan may not accept any deferrals unless a signed participation agreement is  
 27 on file in the office of the executive director or the third-party administrator.

28 **Section 78. That a NEW SECTION be added to chapter 3-13:**

29 The executive director shall establish a participation agreement form that includes:

30 (1) The name, address, social security number, and birthdate of the participant and  
 31 the participant's beneficiary;

32 (2) The name and address of the participant's employer;

33 (3) The participant's selection of investment alternatives; and

1       (4) Any other information necessary for the administration of the plan.

2       **Section 79. That a NEW SECTION be added to chapter 3-13:**

3               A participant may modify the terms of the participant's participation at any time,  
4       subject to the limitations contained in this chapter.

5       **Section 80. That a NEW SECTION be added to chapter 3-13:**

6               A participant may not defer less than twenty-five dollars per month.

7       **Section 81. That a NEW SECTION be added to chapter 3-13:**

8               Except as provided for in sections 98 and 99 of this Act, a participant may not defer  
9       more in any plan year than the lesser of:

- 10       (1) The applicable dollar amount associated with a particular year pursuant to §  
11       457(e)(15)(A) of the Internal Revenue Code, as indexed after 2006 pursuant to §  
12       457(e)(15)(B) of the Internal Revenue Code; or  
13       (2) One hundred percent of the participant's includible compensation.

14       **Section 82. That a NEW SECTION be added to chapter 3-13:**

15               A participating employer or the system may make contributions to a participant's  
16       account on behalf of the participant, except during an automatic enrollee's ninety-day opt-  
17       out period, as provided for in section 133 of this Act. Any employer contributions must be  
18       pursuant to a written agreement, as provided for in § 3-13-49.1. The agreement may  
19       require contributions by a participant in order to qualify for an employer contribution and  
20       may establish employer contribution rates that partially or fully match the participant's  
21       contributions.

22               The board may establish any system contributions. The board may require a  
23       contribution by a participant in order to qualify for a system contribution and may establish  
24       system contribution rates that partially or fully match the participant's contribution. Any  
25       employer contribution or system contribution vests immediately with the participant.

26       **Section 83. That a NEW SECTION be added to chapter 3-13:**

27               A participant may cease making deferrals at any time.

28       **Section 84. That a NEW SECTION be added to chapter 3-13:**

1           A participant may designate a beneficiary to receive the participant's benefits under  
2           the plan in case of the death of the participant.

3           If the beneficiary does not survive the participant or if no beneficiary is designated,  
4           the participant's benefits are paid as follows:

5           (1) To the participant's surviving spouse;

6           (2) If there is no surviving spouse, then to all surviving children of the participant,  
7           irrespective of age, on a share-alike basis; or

8           (3) If there is no surviving spouse and there are no surviving children, then to the  
9           participant's estate.

10       **Section 85. That a NEW SECTION be added to chapter 3-13:**

11           A political subdivision may not maintain a deferred compensation plan as its  
12           principal retirement plan unless the deferred compensation plan was established prior to  
13           1974. A deferred compensation plan established pursuant to chapter 3-13 may only be  
14           supplemental or secondary to the political subdivision's primary plan.

15       **Section 86. That § 3-13-57 be AMENDED:**

16           **3-13-57.** The board may establish a designated Roth contribution program within  
17           the deferred compensation plan. For~~the~~ purposes of this section, a "designated Roth  
18           contribution~~is~~" means an elective salary deferral that is:

19           (1) Designated irrevocably by the participant at the time of the deferred election as a  
20           designated Roth contribution that is being made in lieu of all or a portion of the  
21           pre-tax elective deferrals the participant is otherwise eligible to make under the  
22           plan; and

23           (2) Treated by the employer as includable in the participant's income at the time the  
24           participant would have received that amount in compensation if the participant had  
25           not made a deferred election.

26           The board ~~shall~~ may promulgate rules, pursuant to chapter 1-26, ~~promulgate rules~~  
27           relating to distributions, conversions, transfers, rollovers, and limitations with regard to  
28           the designated Roth contribution program in accordance with federal law.

29       **Section 87. That a NEW SECTION be added to chapter 3-13:**

30           Except as otherwise provided, a designated Roth contribution is treated as deferred  
31           compensation for all purposes under the plan.

1 **Section 88. That a NEW SECTION be added to chapter 3-13:**

2 A participant may designate that all or a portion of the participant's deferred  
3 compensation be treated as a designated Roth contribution. A participant may defer both  
4 designated Roth contributions and pre-tax contributions in the same year. The total  
5 deferrals may not exceed the annual deferral limit, as provided for in § 457(e)(15)(A) of  
6 the Internal Revenue Code.

7 **Section 89. That a NEW SECTION be added to chapter 3-13:**

8 Any political subdivision that participates in the system, as provided for in chapter  
9 3-12C, or participates in a previously established retirement plan, as provided for in § 3-  
10 12C-304, is a participating employer in the plan.

11 **Section 90. That a NEW SECTION be added to chapter 3-13:**

12 Any employee receiving compensation from a participating employer may elect to  
13 participate in the plan.

14 **Section 91. That a NEW SECTION be added to chapter 3-13:**

15 If a participant receives approval of an unforeseeable emergency distribution,  
16 pursuant to section 115 of this Act, the participant must cease deferrals to the plan before  
17 the distribution may be completed.

18 **Section 92. That a NEW SECTION be added to chapter 3-13:**

19 Effective for each of the three calendar years immediately preceding a participant's  
20 normal retirement date, a participant may defer up to twice the dollar amount specified  
21 in section 87 of this Act.

22 **Section 93. That a NEW SECTION be added to chapter 3-13:**

23 Effective for any year that a participant attains age fifty years or older, or attains  
24 the age set forth in § 414(v)(2)(E) of the Internal Revenue Code, the participant may  
25 make an additional elective deferral equal to the applicable dollar amount associated with  
26 a particular year, pursuant to § 414(v)(2)(B) of the Internal Revenue Code, as indexed  
27 after December 31, 2006, pursuant to § 414(v)(2)(C) of the Internal Revenue Code, in  
28 addition to the participant's maximum deferral under section 87 of this Act.

1 **Section 94. That a NEW SECTION be added to chapter 3-13:**

2 A participant may not exercise the provisions of sections 98 and 99 of this Act in  
3 the same year.

4 **Section 95. That a NEW SECTION be added to chapter 3-13:**

5 A participant does not have actual ownership of deferrals and investments but has  
6 a contractual right to receive benefits under the plan. In accordance with § 457(g) of the  
7 Internal Revenue Code, all amounts of compensation deferred under the plan, all property  
8 and rights purchased with the amounts, and all income attributable to the amounts must  
9 be held in trust for the exclusive benefit of the participant until paid or made available to  
10 the participant or the participant's beneficiary pursuant to the plan. Any trust under the  
11 plan must be established pursuant to a written agreement that constitutes a valid trust  
12 under the law of this state.

13 All amounts of compensation deferred under the plan must be transferred to a trust  
14 established under the plan not later than fifteen business days after the end of the month  
15 in which the compensation would otherwise have been paid to the employee.

16 **Section 96. That a NEW SECTION be added to chapter 3-13:**

17 Each participant may elect to have deferrals invested in one or more of the  
18 investment alternatives selected by the state investment officer. A participant may change  
19 the election for future deferrals at any time.

20 **Section 97. That a NEW SECTION be added to chapter 3-13:**

21 Subject to any limitations imposed by a vendor or by the third-party administrator,  
22 a participant may elect to transfer any portion of the account balance from one offered  
23 investment alternative to another at any time, provided notice is given to the third-party  
24 administrator. Any costs associated with a transfer are borne by the participant and are  
25 deducted from the account.

26 **Section 98. That a NEW SECTION be added to chapter 3-13:**

27 An account must be established for each participant's pre-tax contributions. A  
28 separate account must be established for each participant's designated Roth contributions.  
29 The accounts are the basis for any distribution to the participant or to the participant's

1 beneficiary, surviving spouse, surviving children, or estate, pursuant to section 90 of this  
2 Act.

3 **Section 99. That a NEW SECTION be added to chapter 3-13:**

4 No contributions other than a designated Roth contribution and a properly  
5 attributable investment return may be credited to a participant's designated Roth account.  
6 The plan must maintain separate recordkeeping for each designated Roth account and  
7 must record the year that the participant first made a designated Roth contribution.

8 **Section 100. That a NEW SECTION be added to chapter 3-13:**

9 The total investment return on any offered investment must be allocated to the  
10 account of each participant based on the proportion the participant's account bears to all  
11 other accounts that have been invested in the same investment alternative. Allocations  
12 must be made on each accounting date. The last day of each calendar quarter is an  
13 accounting date. The board may provide additional accounting dates.

14 **Section 101. That a NEW SECTION be added to chapter 3-13:**

15 Each offered investment alternative must be valued on each accounting date. The  
16 valuation must be at market value. Any charges against the value must be explicitly  
17 disclosed.

18 **Section 102. That a NEW SECTION be added to chapter 3-13:**

19 Each participant must be provided with a statement of the participant's account no  
20 later than forty-five days after the close of each plan quarter.

21 **Section 103. That a NEW SECTION be added to chapter 3-13:**

22 A participant may select a normal retirement date. The normal retirement date  
23 may not be earlier than the date that the participant severs employment. If a participant  
24 does not select a normal retirement date, the participant's normal retirement date is as  
25 defined in chapter 3-12C.

26 **Section 104. That a NEW SECTION be added to chapter 3-13:**

1           If a participant returns to employment or enters into a contract with a participating  
2           employer within thirty days after a severance from employment, no severance from  
3           employment occurs for the purposes of the plan. If a participant provided contractual  
4           services to a participating employer, severance from employment occurs at the expiration  
5           of all contracts with a participating employer, without expectation of any future  
6           employment or contractual relationship with any participating employer.

7           **Section 105. That a NEW SECTION be added to chapter 3-13:**

8           Deferrals may be distributed only if one of the following conditions has occurred:  
9           (1) Severance from employment with a participating employer;  
10          (2) Death of the participant;  
11          (3) An unforeseeable emergency, set forth in section 115 of this Act;  
12          (4) Requirements are satisfied for an in-service distribution, as set forth in section 116  
13               of this Act; or  
14          (5) A participant is called to perform qualified military service for a period in excess of  
15               thirty days.

16          **Section 106. That a NEW SECTION be added to chapter 3-13:**

17           The distribution of deferrals to a participant may begin no earlier than thirty days  
18           following the participant's severance from employment with a participating employer. Any  
19           irrevocable election of a benefit commencement date, made by a participant or a  
20           beneficiary prior to January 1, 2002, and any defaulted distribution other than a defaulted  
21           distribution to an annuity option, are revocable as of January 1, 2002. No distribution to  
22           an independent contractor of a participating employer may begin until one year after the  
23           date on which all contracts with any participating employer have expired. Notwithstanding  
24           the foregoing, a distribution of deferrals must be made in accordance with §§ 3-13-58 to  
25           3-13-63, inclusive.

26          **Section 107. That a NEW SECTION be added to chapter 3-13:**

27           A participant may elect to receive the participant's distribution in any of the  
28           following forms:  
29           (1) A lump sum;  
30           (2) Equal monthly installments over a fixed period; or  
31           (3) Any other form offered by the third-party administrator.

1           The election must be made prior to the time any amounts become payable. A  
2 participant or a beneficiary who has chosen a payment form other than an annuity has  
3 the ability to change the payment option, subject to any administrative restrictions and  
4 charges established by the board.

5           If the distribution begins prior to the participant's death, the entire interest must  
6 be distributed over the life expectancy of the participant or the life expectancies of the  
7 participant and a designated beneficiary. Any amount not distributed during the  
8 participant's life must be distributed after the participant's death, at least as rapidly as  
9 under the distribution method being used on the date of the participant's death. If the  
10 distribution begins after the participant's death, the entire amount payable to the  
11 participant must be paid during a period of no more than five years, unless the distribution  
12 commences within one year and the participant's spouse is the named beneficiary, then  
13 during the life expectancy of the surviving spouse.

14 **Section 108. That a NEW SECTION be added to chapter 3-13:**

15           A participant may direct from which contributions a distribution is made. The  
16 participant may direct that the withdrawal be taken from either pre-tax contributions or  
17 designated Roth contributions, or from both pre-tax contributions and designated Roth  
18 contributions.

19 **Section 109. That a NEW SECTION be added to chapter 3-13:**

20           If a participant suffers an unforeseeable emergency, the participant may request  
21 an immediate distribution of all or part of the participant's deferrals. The request must be  
22 made through an application to the third-party administrator. If the third-party  
23 administrator approves the request, the distribution must be made to the extent  
24 necessary to satisfy the need, including the payment of federal income tax withholding, if  
25 necessary. If the third-party administrator denies the request, the participant may appeal  
26 the denial by giving notice of an intention to appeal within thirty days after the date of the  
27 notice of denial. No distribution may be made to the extent that the unforeseeable  
28 emergency may be relieved:

29 (1) Through reimbursement or compensation by insurance or otherwise;

30 (2) By liquidation of the participant's assets to the extent that the liquidation does not  
31 cause severe financial hardship; or

32 (3) By discontinuation of deferrals under the plan.

1           The need to send a participant's child to college, divorce proceedings, or the desire  
2 to purchase a home are not considered to be unforeseeable emergencies. Any amount  
3 that is distributed on account of an unforeseeable emergency is not an eligible rollover  
4 distribution, and the participant may not elect to have any portion of the distribution paid  
5 directly to an eligible retirement plan.

6           The provisions of this section do not apply if a distribution is made pursuant to  
7 section 116 of this Act.

8 **Section 110. That a NEW SECTION be added to chapter 3-13:**

9           Notwithstanding any other provision of this chapter, a participant may receive an  
10 in-service distribution from the plan, or the executive director may render an involuntary  
11 distribution to the participant, under the following conditions:

12           (1) The participant is inactive in the plan and has made no deferrals for at least two  
13 years prior to the distribution;

14           (2) The total distribution, whether elective, involuntary, or both, does not exceed five  
15 thousand dollars; and

16           (3) The participant has not previously received an elective or an involuntary  
17 distribution under the plan.

18           If implementing subdivision (2) of this section, the value of a participant's  
19 nonforfeitable account balance must be determined without regard to the portion of the  
20 account balance attributable to rollover contributions, and earning allocable thereto, within  
21 the meaning of §§ 402(c), 403(a)(4), 403(b)(8), 408(d)(3)(A)(ii), and 457(e) of the  
22 Internal Revenue Code.

23           If an involuntary distribution exceeds one thousand dollars and if the participant  
24 does not elect to have the distribution transferred to an eligible retirement plan pursuant  
25 to § 401(a)(31) of the Internal Revenue Code or does not elect to receive the distribution  
26 directly, the distribution must be transferred to an individual retirement plan of a  
27 designated trustee or issuer. The executive director shall notify the participant in writing  
28 that the distribution may be transferred to another individual retirement plan.

29 **Section 111. That a NEW SECTION be added to chapter 3-13:**

30           Any distribution under sections 112 and 113 of this Act is deemed to be reasonable  
31 and made in good faith under § 401(a)(9) of the Internal Revenue Code.

32 **Section 112. That a NEW SECTION be added to chapter 3-13:**

1           No employee of a participating employer and no spouse or dependent of the  
2           employee may act as or represent a third-party administrator or a vendor in a matter  
3           concerning the plan, except the State Investment Council and its employees may invest  
4           all or part of the fund.

5           **Section 113. That a NEW SECTION be added to chapter 3-13:**

6           A participant may not assign or otherwise alienate any right to benefits under the  
7           plan, except through the provisions of a qualified domestic relations order, as defined in  
8           § 414(p) of the Internal Revenue Code.

9           **Section 114. That a NEW SECTION be added to chapter 3-13:**

10           To the extent permitted by law, a participant may transfer a portion or all of the  
11           participant's account in another plan, which is eligible under § 401, 403(b), 408, or 457(b)  
12           of the Internal Revenue Code, into the plan by trustee-to-trustee transfer or by rollover.  
13           The plan must account for the amounts separately. A participant may rollover designated  
14           Roth contributions into the plan only if the contributions are a direct rollover from another  
15           plan that permits designated Roth contributions, as described in § 402A(e)(1) of the  
16           Internal Revenue Code, and only to the extent the rollover is permitted under § 402(c) of  
17           the Internal Revenue Code. The plan must establish and maintain separate recordkeeping  
18           for any Roth rollover paid to the plan from any eligible retirement plan and must record  
19           the year that the participant first made a designated Roth rollover.

20           **Section 115. That a NEW SECTION be added to chapter 3-13:**

21           For the purpose of acquiring credited service in a qualified governmental defined  
22           benefit retirement plan, as identified under § 401(a) and defined in § 414(d) of the  
23           Internal Revenue Code, a participant may transfer a portion or all of the participant's  
24           account in the plan by trustee-to-trustee transfer to the government defined benefit  
25           retirement plan.

26           **Section 116. That a NEW SECTION be added to chapter 3-13:**

27           A participant or a participant's surviving spouse may transfer a portion or all of the  
28           participant's account by rollover to another plan, which is eligible under § 401, 403(b),  
29           408, 408A, or 457 of the Internal Revenue Code. A participant's beneficiary who is not the

1 participant's surviving spouse may transfer a portion or all of the participant's account by  
2 rollover to a plan that is eligible under § 408 or 408A of the Internal Revenue Code.

3 **Section 117. That a NEW SECTION be added to chapter 3-13:**

4 A participant may convert the participant's pre-tax contributions to designated  
5 Roth contributions within the plan. The amount of the in-plan Roth conversion is subject  
6 to ordinary income taxes in the year of the conversion. Withholding of federal income tax  
7 from the conversion amount is prohibited. Once an in-plan Roth conversion is processed,  
8 the conversion is irrevocable. The amount of an in-plan Roth conversion must continue to  
9 be taken into consideration for mandatory distributions. The plan must establish and  
10 maintain separate recordkeeping for any in-plan Roth conversion made within the plan  
11 and must record the year that the participant first made a conversion.

12 **Section 118. That a NEW SECTION be added to chapter 3-13:**

13 The plan and the plan's assets, until made available to a participant or a  
14 beneficiary, must be maintained in trust for the sole benefit of the participants of the plan.

15 **Section 119. That a NEW SECTION be added to chapter 3-13:**

16 Any form required under the plan which causes a change on a participant's payroll,  
17 is effective as early as the next available pay date, subject to the timing of payroll  
18 processing by the participant's employer. If a form is filed too late for a change to be made  
19 effective for the next following pay period, the change is effective in the subsequent pay  
20 period.

21 **Section 120. That a NEW SECTION be added to chapter 3-13:**

22 If, due to an error, a participant defers more than the permissible amount, the  
23 third-party administrator may correct the error by returning the excess deferral to the  
24 participant. For any plan year in which a participant makes both pre-tax contributions and  
25 designated Roth contributions, any corrective distribution must be taken first from the  
26 participant's designated Roth contributions, and then, if required, from the pre-tax  
27 contributions. A participant may elect a different method of distribution.

28 **Section 121. That a NEW SECTION be added to chapter 3-13:**

1 If, due to a payroll error, a participant's deferral is deposited in an investment  
2 alternative other than the one selected by the participant, the third-party administrator  
3 may correct the error by transferring the participant's deferral to the proper investment  
4 alternative, subject to any limitations that may be imposed by the vendor. No retroactive  
5 adjustment may be made.

6 **Section 122. That a NEW SECTION be added to chapter 3-13:**

7 Any participating employer may become an automatic enrollment unit. Automatic  
8 enrollment includes automatic escalation for any participating employer becoming an  
9 automatic enrollment unit after June 30, 2015. The decision to become an automatic  
10 enrollment unit must be made by the elected official, the appointed official, or the  
11 governing body in charge of the participating employer. The participating employer shall  
12 become an automatic enrollment unit after notice of the decision has been delivered in  
13 writing to the system. An automatic enrollment unit may choose to rescind the status at  
14 a later date and may do so by delivering written notice of the decision to the system. If a  
15 rescission occurs, the status of any automatic enrollee who was enrolled in the plan is not  
16 affected.

17 **Section 123. That a NEW SECTION be added to chapter 3-13:**

18 A participating employer who became an automatic enrollment unit prior to July 1,  
19 2015, may elect to add automatic escalation for the participating employer's current and  
20 future permanent employees. The decision must be made by the elected official, the  
21 appointed official, or the governing body in charge of the unit and is effective after notice  
22 of the decision has been delivered in writing to the system.

23 **Section 124. That a NEW SECTION be added to chapter 3-13:**

24 An automatic enrollment unit may elect to commence automatic escalation in either  
25 January or July. Automatic escalation commences the January or July immediately after  
26 the automatic enrollment unit's decision is delivered in writing to the system, as long as  
27 notice of the decision is received no later than September fifteenth for a January start or  
28 March fifteenth for a July start. If the notice of the unit's decision is received after those  
29 dates, automatic escalation commences the following January or July, as elected by the  
30 unit.

31 **Section 125. That a NEW SECTION be added to chapter 3-13:**

1           Any individual who becomes a permanent employee of a participating employer,  
2           after the participating employer becomes an automatic enrollment unit, becomes an  
3           automatic enrollee in the plan. Any permanent employee of the state who is not  
4           contributing to the plan on June 30, 2019, becomes an automatic enrollee in the plan on  
5           July 1, 2019. Any other permanent employee who is not contributing to the plan and who  
6           is employed by an automatic enrollment unit that elects automatic enrollment, pursuant  
7           to section 132 of this Act, becomes an automatic enrollee in the plan.

8           **Section 126. That a NEW SECTION be added to chapter 3-13:**

9           An automatic enrollment unit other than the state may elect to automatically enroll  
10          the unit's permanent employees who are not contributing to the deferred compensation  
11          plan. The automatic enrollment unit may elect to commence automatic enrollment for the  
12          employees on the January or July immediately after the automatic enrollment unit's  
13          decision is delivered in writing to the system. The notice of the decision must be received  
14          no later than September fifteenth for a January start or March fifteenth for a July start.

15          **Section 127. That a NEW SECTION be added to chapter 3-13:**

16          Upon initially becoming an automatic enrollee, twenty-five dollars per month must  
17          be deferred to the plan from the compensation of an automatic enrollee, unless the  
18          automatic enrollee elects not to participate in the plan within ninety days after the  
19          automatic enrollee's first pay date and gives notice of that election to the system, or unless  
20          the automatic enrollee elects to defer an increased amount. The deferred compensation  
21          and associated gains or losses of an automatic enrollee who elects not to participate must  
22          be refunded to the automatic enrollee within thirty days of receipt of the final contribution  
23          by the plan. An automatic enrollee who elects not to participate is not barred from future  
24          voluntary participation in the plan.

25          **Section 128. That a NEW SECTION be added to chapter 3-13:**

26          Beginning in 2016 and each year thereafter, automatic escalation for an automatic  
27          enrollee means an additional ten dollars per month must be deferred to the plan from the  
28          compensation of an automatic enrollee of an automatic enrollment unit that elected  
29          automatic escalation or became an automatic enrollment unit after June 30, 2015. If the  
30          enrollee has one or more investment alternatives or a Roth account, or any combination  
31          thereof, the additional dollars must be prorated in the same manner as the enrollee's

1 deferral before the escalation. No automatic escalation may occur for an automatic  
2 enrollee unless at least one year has passed from the enrollee's hire date on which the  
3 enrollee became an automatic enrollee. In addition, no automatic escalation may occur  
4 for an automatic enrollee who opts out of automatic escalation or has lowered the  
5 automatic enrollee's deferral to zero.

6 **Section 129. That a NEW SECTION be added to chapter 3-13:**

7 Automatic enrollment, pursuant to section 131 of this Act, is deemed a contract to  
8 participate, and to defer the amount specified in section 133 of this Act or revised by  
9 section 134 of this Act, or specified by the enrollee, until the automatic enrollee chooses  
10 to withdraw from the plan.

11 **Section 130. That a NEW SECTION be added to chapter 3-13:**

12 The deferred compensation of an automatic enrollee must be deposited in a  
13 qualified default investment alternative selected by the state investment officer pursuant  
14 to § 3-13-51.1, unless the automatic enrollee affirmatively selects another investment  
15 alternative within the plan. The state investment officer shall select a qualified default  
16 investment alternative for deferrals from automatic enrollees during the initial ninety-day  
17 opt-out period and may select an alternative qualified default investment alternative for  
18 accumulated deferrals and subsequent deferrals from automatic enrollees who exceed the  
19 ninety-day opt-out period but do not select another investment alternative. Neither the  
20 state investment officer, the system, the third-party administrator, nor the automatic  
21 enrollment unit may be held liable for any loss sustained by an automatic enrollee whose  
22 deferrals are either voluntarily or involuntarily invested in either qualified default  
23 investment alternative.

24 **Section 131. That a NEW SECTION be added to chapter 3-13:**

25 Within fifteen days of the system's receipt of the automatic enrollee's initial  
26 deferral, the system shall provide notice to the automatic enrollee of the enrollee's right  
27 not to participate in the plan.

28 Within one year after an automatic enrollee's first compensation deferral and  
29 annually thereafter, the system shall provide notice to the automatic enrollee of the  
30 enrollee's right to amend the deferral amount and the enrollee's right to amend the choice  
31 of investment alternatives.

1 **Section 132. That a NEW SECTION be added to chapter 3-13:**

2 The system shall provide no less than sixty days' notice of each annual automatic  
 3 escalation, pursuant to section 134 of this Act. An enrollee may elect not to participate in  
 4 automatic escalation or may elect to defer an additional amount that is less than or greater  
 5 than ten dollars. The enrollee shall annually provide notice of any election no later than  
 6 December fifteenth for an enrollee of an automatic enrollment unit that elected a January  
 7 start or June fifteenth for an enrollee of an automatic enrollment unit that elected a July  
 8 start. If the enrollee elects not to participate or to defer a lesser amount after the  
 9 applicable date provided in this section, the system may not refund the automatic  
 10 escalation amount to the enrollee. If an enrollee elects not to participate in automatic  
 11 escalation or elects to defer an additional amount that is less than or greater than ten  
 12 dollars, the status of the automatic enrollee, pursuant to section 131 of this Act, is not  
 13 affected.

14 **Section 133. That a NEW SECTION be added to chapter 3-13:**

15 Automatic enrollment or automatic escalation, pursuant to this chapter, does not  
 16 require advance authorization by the automatic enrollee. This section is an exception to  
 17 the provisions of any state law requiring employee authorization for a payroll deduction  
 18 or any similar ordinance of a local automatic enrollment unit.
